The Disciple And His Devil Gabriel Pascal Bernard Shaw:

The Disciple and His Devil Valerie Pascal,2004-12 One of the most shattering and upsetting stories I have read for a long time I certainly finished it feeling as if I had watched an earthquake The final irony is that Pascal's last mad idea was a musical based on PYGMALION He broke himself and several others keeping up the option payments on it One day Pascal looked at his wife's hand and said with amazement I am going to leave you with millions Nothing seemed less likely He died penniless and deep in debt But the book ends with the first night of MY FAIR LADY Colin Wilson Bernard Shaw and Gabriel Pascal Bernard Shaw,Gabriel Pascal,1996-01-01 This volume of The Selected Correspondence of Bernard Shaw focuses on film a behind the scenes view of the film industry's day to day workings from the unique perspectives of Shaw and his favourite director Gabriel Pascal **Arms and the Man, The Devil's Disciple, and Caesar and Cleopatra** George Bernard Shaw,2021 The three plays in this volume are some of George Bernard Shaw's most popular and frequently performed works They demonstrate the development of Shawian comedy and contain early formulations of his idea of the Superman an extraordinary individual who catalyzes the evolution of mankind Arms and the Man 1894 was Shaw's first commercial success and the first public confirmation that he could make playwriting his profession It is the first of what Shaw called his pleasant plays comedies that critique idealism in general rather than specific social problems as his earlier plays did Specifically Shaw undermines the romance of wartime courage reckless heroism and nationalist pride among British spectators while using the Serbo Bulgarian War of 1886 as an exotic veneer Shaw wrote The Devil's Disciple 1897 for William Terriss an actor known for his swashbuckling roles who had requested a play that would contain every surefire melodramatic situation mistaken identities terrifying adventures and last second escapes and frequent emotional outpourings Caesar and Cleopatra 1898 is Shaw's revision of Shakespeare's Julius Caesar and Antony and Cleopatra as well as a fusion of the pragmatism and unconventionality of the heroes of Arms and the Man and The Devil's Disciple into a portrait of jocular morally serious leadership *George Bernard Shaw* Jill M. Phillips,1976 **Bernard Shaw and Barry Jackson** Past President Barry Jackson,Bernard Shaw,Barry Jackson,2002-01-01 This collection of 183 letters all but two of which are previously unpublished sheds new light on a partnership that for Shaw was the most important of his later playwriting career

The Film Business Ernest Betts,2023-10-13 First published in 1973 The Film Business makes a factual survey of British films from their beginnings in 1896 to 1972 Ernest Betts offers character studies of men who have built the film industry and made it what it is He examines the financial and political background and shows how while intending to encourage film production it has often had exactly the opposite effect and inhibited its free development Betts also attacks the manner in which the American film industry has taken over the British film industry and points to the failure of successive governments to save it from repeated crises and losses Through these fluctuations the author keeps a firm eye on the film itself and brings the judgement of film critics past and present to bear on British cinema as it moves uncertainly and not without its triumphs

into the 1970s This is an interesting read for students and scholars of film studies British film history and British cinema

Changing Your Mind E. Allan Farnsworth,2000-01-01 This book identifies and discusses the general principles and legal rules pertaining to contractual commitment and regretted decisions *Letters from a Life Volume 3 (1946-1951)*

Benjamin Britten,2011-07-07 The third volume of the annotated selected letters of composer Benjamin Britten covers the years 1946 51 during which he wrote many of his best known works founded and developed the English Opera Group and the Aldeburgh Festival and toured widely in Europe and the United States as a pianist and conductor Correspondents include librettists Ronald Duncan The Rape of Lucretia Eric Crozier Albert Herring Saint Nicolas The Little Sweep and E M Forster Billy Budd conductor Ernest Ansermet and composer Lennox Berkeley publishers Ralph Hawkes and Erwin Stein of Boosey and the celebrated tenor Peter Pears Britten s partner Among friends in the United States are Christopher Isherwood Elizabeth Mayer and Aaron Copland and there is a significant meeting with Igor Stravinsky This often startling and innovative period is vividly evoked by the comprehensive and scholarly annotations which offer a wide range of detailed information fascinating for both the Britten specialist and the general reader Donald Mitchell contributes a challenging introduction exploring the interaction of life and work in Britten s creativity and an essay examining for the first time through their correspondence the complex relationship between the composer and the writer Edward Sackville West **Crimes and**
