Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates. *The Divine Comedy* Dante Alighieri, 2019-12-03 Inferno begins with Dante lost in a dark wood, assailed by beasts he cannot evade and unable to find the straight way to salvation. Conscious that he is ruining himself and that he is falling into a dark place, Dante is at last rescued by Virgil, and the two of them begin their journey to the underworld. Allegorically, the Inferno represents the Christian soul seeing sin for what it really is, and the three beasts represent three types of sin: the self-indulgent, the violent, and the malicious. The Divine Comedy represents a vision of the afterlife of the medieval world view as it had developed in the Western Church by the 14th century. The narrative describes Dante's travels through Hell, Purgatory, and Paradise, while allegorically, the poem represents the soul's journey towards God. The poem is widely considered to be the pre-eminent work in Italian literature and one of the greatest works of world literature. This cloth-bound book includes a Victorian-inspired dust jacket and is limited to 100 copies. **"The" Divine Comedy of Dante Alighieri** Dante (Alighieri), 1867 **The Inferno** Dante Alighieri, 1982 This single volume blank verse translation of The Divine Comedy includes an introduction, maps of Dante's Italy, Hell, Purgatory, Geocentric Universe, and political panorama of the thirteenth and early fourteenth century, diagrams, and notes providing the reader with invaluable

The Divine Comedy Dante Alighieri, Henry Francis Cary, 2024-06-02 The Comedy in Italian Commedia or Divine Comedy Divina Commedia is a poem by Dante Alighieri written in tercets strung together in hendecasyllables in the Florentine vernacular Composed according to critics between 1303 and 1321 the Commedia is Dante's most famous work and one of the most important testimonies to medieval civilization Known and studied throughout the world it is considered one of the masterpieces of literature In his edition printed in Venice in 1555 Gabriele Giolito de Ferrari here painted by Titian in 1554 first gave the title Divina to Dante's Comedy which has remained so to this day The Divine Comedy is generally considered to be the first great text in Italian the language in which it is written has had a considerable influence on the peninsula's modern idiom In writing his work Dante was largely inspired by the bloody conflict he himself experienced in Italy pitting the Guelphs Guelfi against the Ghibellines Ghibellini 1125-1300 From a literary point of view Dante makes explicit reference to the Aeneid and the Apocalypse of Paul the two best known ancient texts in the genre of tales of journeys to the Underworld The poem is divided into three parts called cantiche Italian plural for cantica Inferno Hell Purgatorio Purgatory and Paradiso Paradise each composed of thirty-three songs except Hell which contains a preliminary song The poet narrates a journey through the three supra-terrestrial kingdoms culminating in a vision of the Trinity His imaginary allegorical depiction of the Christian afterlife is a pinnacle of the medieval worldview developed by the Roman Catholic Church **The Divine Comedy of Dante Alighieri: Hell** Dante Alighieri, 1899
