

The Divining Rod

**A HISTORY
OF WATER
WITCHING**

Arthur Jackson Ellis

The Divining Rod A History Of Water Witching

H Kauffman

The Divining Rod A History Of Water Witching:

The Divining Rod Arthur J. Ellis, 2003 The use of a forked twig or so called divining rod in locating minerals finding hidden treasure or detecting criminals is a curious superstition that has been a subject of discussion since the middle of the sixteenth century and still has a strong hold on the popular mind even in this country as is shown by the large number of inquiries received each year by the United States Geological Survey as to its efficacy especially for locating underground water and the persistent demands that it be made a subject of investigation by the Survey The bibliography shows that a truly astonishing number of books and pamphlets have been written on the subject The purpose of the present brief paper is not to add another contribution to this enormous volume of uncanny literature but merely to furnish a reply to the numerous inquiries that are continually being received from all parts of the country The outline of the history of the subject presented in the following pages will probably enable most honest inquirers to appreciate the practical uselessness of water witching and other applications of the divining rod but those who wish to delve further into the mysteries of the subject are referred to the literature cited in the bibliography in which they will find reports in painful detail of exhaustive investigations and pseudo investigations of every phase of the subject and every imaginable explanation of the supposed phenomena *The Divining Rod* Arthur Jackson Ellis, 2017-10-13 Excerpt from *The Divining Rod A History of Water Witching* The use of a forked twig or so called divining rod in locating minerals finding hidden treasure or detecting criminals is a curious superstition that has been a subject of discussion since the middle of the Sixteenth century and still has a strong hold on the popular mind even in this country as is Shown by the large number of inqui ries received each year by the United States Geological Survey as to its efficacy especially for locating underground water and the per sistent demands that it be made a subject of investigation by the Survey The bibliography Shows that a truly astonishing number of books and pamphlets have been written on the subject The purpose of the present brief paper is not to add another contribution to this enormous volume of uncanny literature but merely to furnish a reply to the numerous inquiries that are continually being received from all parts of the country The outline of the history of the sub ject presented in the following pages will probably enable most honest inquirers to appreciate the practical uselessness Of water Witching and other applications of the divining rod but those who wish to delve further into the mysteries of the subject are referred to the literature cited in the bibliography in which they will find reports in painful detail of exhaustive investigations and pseudo investigations of every phase of the subject and every imaginable explanation of the supposed phenomena It is doubtful whether so much investigation and discussion have been bestowed on any other subject with such absolute lack of posi tive results It is difficult to see how for practical purposes the entire matter could be more thoroughly discredited and it should be obvious to everyone that further tests by the United States Geo logical Survey of this so called Witching for water oil or other minerals would be a misuse of public funds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book

The Divining Rod A History Of Water Witching Introduction

In today's digital age, the availability of The Divining Rod A History Of Water Witching books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Divining Rod A History Of Water Witching books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Divining Rod A History Of Water Witching books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Divining Rod A History Of Water Witching versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Divining Rod A History Of Water Witching books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Divining Rod A History Of Water Witching books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Divining Rod A History Of Water Witching books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Divining Rod A History Of Water Witching books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Divining Rod A History Of Water Witching books and manuals for download and embark on your journey of knowledge?

FAQs About The Divining Rod A History Of Water Witching Books

1. Where can I buy The Divining Rod A History Of Water Witching books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Divining Rod A History Of Water Witching book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Divining Rod A History Of Water Witching books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Divining Rod A History Of Water Witching audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Divining Rod A History Of Water Witching books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
