The Dizzies And The Bloomers:

The Dizzies and the Bloomers Franklin Roberts,Kelly Robe,2003-02 *The Record of Sigma Alpha Epsilon* ,1895

Bloomer Carol Lefevre,2025-03-25 It is daunting to grow old in a time and place that does not value old people but the age group known as Boomers should not be so easily dismissed They marched against the Vietnam War and were the first generation to be liberated by the contraceptive pill from the fear of unwanted pregnancy Their teenage years were fuelled by protest songs and peace and love idealism and many are still engaged in forms of activism Framed by the turning of the seasons in her small suburban garden Carol Lefevre s Bloomer documents the year in which she turned seventy Memoir threads through meditations on aspects of ageing from its hidden grief and potential for loneliness to our relationship with the past and with our own mortality In this gorgeous optimistic and eloquent coming of old age book Boomers emerge as Bloomers people not at the end of things but still on their way ready to embrace a late life flourishing *The Dizzy and Daffy Dean Barnstorming Tour* Phil S. Dixon,2019-08-26 This book follows Dizzy and Daffy Dean s All Stars as they barnstormed across the country in 1934 taking the field against the greatest teams in the Negro Leagues It shows the glory of the games as well as the disingenuous journalistic tactics that proliferated during the tour with an introspective look at its impact on race relations In 1934 brothers Dizzy and Daffy Dean were stars of Major League Baseball s regular season and World Series Following their St Louis Cardinals victory over the Detroit Tigers in Game Seven Dizzy and Daffy went on a fourteen game barnstorming tour against the best African American baseball players in the country The Dizzy and Daffy Dean Barnstorming Tour Race Media and America s National Pastime examines for the first time the full barnstorming series in its original and uncensored splendor Phil S Dixon profiles not only the men who were part of the Deans All Star teams but also the men who played against them including some of baseball s most monumental African American players Dixon highlights how the contributions during the tour of Negro League stars such as Satchel Paige Chet Brewer Charlie Beverly and Andy Cooper were glossed over by sports writers of the day and grants them their rightful due in this significant slice of sports history The Dizzy and Daffy Dean Barnstorming Tour gives careful consideration to the social implications of the tour and the media s biased coverage of the games providing a unique window for viewing racism in American sports history It is more than a baseball story it is an American story **Punch** ,1851 **Professor Bloomers No-Nonsense Spelling Program** Richard H.
