Dolphin Alan Rauch, 2013-08-15 From Flipper to SeaWorld dolphins have long captured our hearts We love these

friendly intelligent mammals and they seem to return our feelings they enjoy interacting with swimmers and have been known to encircle people under attack by sharks Despite our familiarity with dolphins though we remain ill informed about how they evolved how they function and how they have interacted with humans for millennia Dolphin dives into the dolphin s zoology as well as its social and cultural history to offer a comprehensive view of these delightful creatures Drawing on his years of experience working with and studying dolphins Alan Rauch explores their propensity to live in pods and their ability to communicate through a variety of clicks whistles and other vocalizations He examines their long relationship with humans describing how they became the emblem of safe travel and charity that the ancient Greeks featured them on coins and that Hindu mythology associated them with Ganga a river deity As the rise in popularity of dolphinarium during the 1960s allowed the public access to dolphins they became central characters in films like The Day of the Dolphin and Johnny Mnemonic and outsmarted humans in The Hitchhiker s Guide to the Galaxy Packed with images and thoughtful insights Dolphin is a revealing look at one of our favorite sea creatures Dragondrums Anne McCaffrey,2015-04-28 Also issued as part of a box set the complete and updated trilogy On Dragonwings Anne McCaffrey,2003 Three classic novels that chronicle the early years of Pern and the cooperative link that forms between the human colonists and Pern s dragons to battle a common enemy come together in an omnibus edition that includes Dragonsdawn Dragonseye and Moreta Original **Nerilka's Story** Anne McCaffrey,2002-02-26 A deadly epidemic was sweeping across Pern Everyone holder and dragonrider alike pitched in to help except Nerilka s father who refused to share Fort Hold s bounty with the other Holds So ashamed of her family and determined to do her part Nerilka packed up medicines and supplies and sneaked off to aid her people Her quest to help wherever she was most needed led her finally to Ruatha Hold where Lord Alessan was frantically preparing the precious serum needed for mass inoculations against the dread plague Nerilka had long ago abandoned her hope of marriage and a home of her own Now she found happiness in being useful and appreciated first the Healers and then Alessan made very clear that they were grateful for her help She had no idea that her new path would change the course of her life forever
