The Mojo Collection Jim Irvin, 2009-06-04 Organised chronologically and spanning seven decades The MOJO Collection presents an authoritative and engaging guide to the history of the pop album via hundreds of long playing masterpieces from the much loved to the little known From The Beatles to The Verve from Duke Ellington to King Tubby and from Peggy Lee to Sly Stone hundreds of albums are covered in detail with chart histories full track and personnel listings and further listening suggestions There s also exhaustive coverage of the soundtrack and hit collections that every home should have Like all collections there are records you listen to constantly albums you ve forgotten albums you hardly play albums you love guiltily and albums you thought you were alone in treasuring proving The MOJO Collection to be an essential purchase for those who love and live music

The Words and Music of James Taylor James E. Perone, 2017-11-10 A valuable resource for James Taylor fans and a fascinating read for anyone interested in autobiographical popular music of the past 50 years What kinds of unusual musical forms and lyrical structures did American singer songwriter James Taylor incorporate into his songs What role did Taylor play in the introspective singer songwriter movement of the 1970s How did Taylor write and record songs that were inspired from his own experiences in life that touched so many other people The Words and Music of James Taylor explores these specific topics and provides detailed critical analysis of the songs and recordings of this well known musical icon examining his melodic writing his use of harmony and his often unappreciated tailoring of musical form to enhance his lyrical messages The book is organized chronologically primarily around Taylor s studio albums from 1968 to 2015 and offers an introduction a summary of Taylor s career and importance as well as an annotated bibliography and discography The final section of the book presents an overview of Taylor s importance and lasting impact an analysis of themes that run through his songs and an explanation of how Taylor s treatment of these themes changed over the years as he matured and as the world around him changed

Ode to a Tenor Titan Bill Milkowski, 2021-10-01 After John Coltrane there was no more revered and profoundly influential saxophonist on the planet than Michael Brecker For those coming of age in the 1970s during that transitional decade when the boundaries between rock and jazz had begun to blur Brecker stood as a transcendent figure He was their Trane *Ode to a Tenor Titan* follows Michael s story from growing up in Philadelphia finding his tenor sax voice during his brief stint at Indiana University making his move to New York City in 1969 and taking the Big Apple by storm through the

sheer power of his monstrous chops on the instrument A commanding voice in jazz for four decades Brecker possessed peerless technique a byproduct of his remarkable work ethic and relentless woodshedding and an uncanny ability to fit into every musical situation he encountered whether it was as a ubiquitous studio musician more than nine hundred sessions for such pop stars as Paul Simon James Taylor Bruce Springsteen Todd Rundgren Chaka Khan and Steely Dan playing with seminal fusion bands like Dreams Billy Cobham and the Brecker Brothers or collaborating with the likes of Frank Zappa Charles Mingus Pat Metheny and Herbie Hancock But his biggest triumphs came as a bandleader during the last twenty years of his career when he produced some of the most challenging inspired and visionary modern jazz recordings of his time A preternaturally gifted player whose facility seemed almost superhuman he was also modest to a fault and universally beloved by fellow musicians After coming through a dark decade of heroin addiction he turned his life around and became a beacon for countless others to lead clean and sober lives At the peak of his powers he was struck down by a rare preleukemic blood disease that sidelined him for two and a half years He got off a sick bed to make a heroic comeback with his swan song Pilgrimage which Pat Metheny called one of the great codas in modern music history and which earned him a posthumous Grammy Award in 2007 Michael Brecker was a player of tremendous heart and conviction as well a person of rare humility and kindness and his story is one for the ages

Keyboard ,2002 Jazz Eddie S. Meadows,2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade **Contemporary Chord Khancepts** Steve Khan,1997 Contemporary Chord Khancepts presents

information for guitarists of all styles from Rock Latin and Funk to Country Jazz and Alternative Steve shares his approach to chord construction an area he has become known for on guitar In this book he has taken a complex subject and broken it down into simple building blocks and small study units You will learn to extend your sense of harmony by the superimposition of chord forms which are familiar as well as a world of new ones Your ability to express yourself and create textures and musical moods will improve immediately The text is accompanied by two CD s full of performed examples play along tracks and five completely new compositions by Steve only available in this package For guitarists the Khancepts in this book will serve as an unlimited source of reference materials and ideas for as long as you enjoy playing the instrument Book jacket
