The Donnellys Must Die:

The Donnellys Must Die Orlo Miller, 2010-03-18 From the annals of Canadian true crime the story of The Black Donnellys massacre Ancient feuds bloody conspiracy gruesome murder and bitter controversy all shrouded in a seemingly impenetrable cloak of mystery This is the tale of The Black Donnellys a notorious family of Irish settlers who were viciously attacked while they slept in their Lucan Ontario farmhouse on February 4 1880 Here in this definitive account of this sordid episode in Canadian history first published in 1962 and continuously in print since then author Orlo Miller sets out to separate fact from fiction and legend from reality to bring us the truth behind the Donnelly murders Combining exhaustive research based on contemporary newspaper accounts court records and personal diaries with personal insights and dramatic recreations Miller's chilling revelations shed new light on this infamous case in the annals of Canadian crime You will be taken on a journey of terrible bloodlust unbending loyalties and fatal revenge in the re telling of an event whose infamy still lives in popular culture today *The Donnellys Must Die, by Orlo Miller* Orlo 1911-1993 Miller, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Donnellys Must Die. [The Story of the Murder of James Donnelly and Four Members of His Family in the Village of Lucan, Ontario. With Endpaper Facsimile.].** Orlo Miller, 1962 **In Search of the Donnellys** RAY FAZAKAS, 2012-02-07 The massacre of the Donnellys by their fellow church members has fascinated the public in the English speaking world for well over a hundred years Contained in this book are intriguing new photographs never before published and significant new information which will pique the interest even of those who have been familiar for years with this bit of North American folk history with Irish roots **The Donnellys: Powder Keg** John Little, 2021-11-02 A violent family living in violent times In the 1840s the Donnelly family immigrates from Ireland to the British province of Canada Almost immediately problems develop as the patriarch of the family is sent to the Kingston Penitentiary for manslaughter leaving his wife to raise their eight children on her own The children are raised in an incredibly violent community and cultivate a devoted loyalty to their mother and siblings which often leads to problems with the law and those outside of the family The tensions between the family and their community escalate as the family's enemies begin to multiply The brothers go into business running a stagecoach line and repay all acts of violence perpetrated against them which only worsens the situation Refusing to take a

backwards step the Donnellys stand alone against a growing power base that includes wealthy business interests in the town of Lucan the local diocese of the Roman Catholic Church law authorities and a number of their neighbours The Donnellys James Reaney,2008-05-12 Based on the true story of an Irish family with seven sons and one daughter immigrating to Biddulph Township near London Ontario in 1844 The Donnellys tells the tale of mystery and truths stranger than fiction It is the story of a secret society and a massacre that shocked the Canadian public a story overlooked by the artistic community until Reaney's play elevated the events to the level of legend First published in 1975 this script takes its place among other true Canadian classics on university and college course listings and in the hearts of drama lovers everywhere The Donnellys is a trilogy comprised of Sticks Stones St Nicholas Hotel and Handcuffs three tense and mythic tragedies that garnered critical praise at the 1973 Tarragon Theatre opening and continue to acquire accolades from professors actors and artistic directors across the country As with the drama of Yeats Eliot O'Neill Brecht and Beckett this rendering of a generation of Irish settlers and their brutal murder at the hands of more than thirty vigilante killers is controversial and exciting to this day Foreword Afterword and Chronology by James Noonan *Blood of the Donnellys* David McRae,2007-02-08 Jason Stevens is an angry 15 year old when his parents decide to move from Toronto to Lucan Ontario site of the notorious 1880 massacre of the Irish Canadian Donnelly family In the big city Jason's spate of petty thievery earned him a sentence of community service under the tutelage of his grandfather an eccentric retired school teacher who is building a museum devoted to the history of Lucan Now even unhappier than he was in Toronto Jason falls in with a gang of youth called the White Boys who are involved with the local drug trade and who are terrorizing the neighbourhood much as the Donnellys were once accused of doing While performing his community service Jason finds himself becoming enthralled with the Donnelly story With the help of a ghost of someone who may have had something to do with the butchery of the Donnellys Jason searches for answers both in history and in his own life **The Donnellys: Massacre, Trial, and Aftermath** John Little,2021-11-02 A story made all the more shocking because it's true In 1880 an organized mob of the Donnellys' enemies murder four family members and burn their house to the ground Another sibling is shot to death in a house a short distance away William Donnelly and a teenage boy are the only witnesses to the murders The surviving family members seek justice through the local courts but quickly learn that their enemies control the jury and the press Two sensational trials follow that make national and international headlines as the Donnellys continue to pursue justice for their murdered parents siblings and cousin Behind the scenes political factors are at play as Oliver Mowat the Premier Attorney General of the province of Ontario fearing the backlash a conviction would render gradually withdraws support from the prosecution of the killers After the trials the Donnelly's enemies continue their crusade against the family paying off potential witnesses to the murders and fabricating one last set of charges that they hope will put the remaining Donnellys away forever **The Donnellys** James Reaney,2000-05-16 Based on a true story these three plays explore the saga of a secret society and massacre that stunned the Canadian public in 1880

The Donnellys Must Die Orlo 1911-1993 Miller,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
