Your Life Is Calling** Mike Jaffe, 2011-11 In this thought provoking guide to creating the extraordinary life you ve always wanted business and personal coach Mike Jaffe will challenge you to dramatically redesign your life Jaffe a 9 11 survivor who worked on the 96th floor of the World Trade Center arrived 20 minutes late to work that day after deciding to have breakfast with his wife and daughter This was his personal wakeup call to realize that life is a precious gift and small actions can make a big difference It s time to join him and countless other successful individuals in the Wakeup Revolution™ Stop floating or drifting Stop waiting for someday Now is the time to own your path and start moving powerfully toward what you want Wake Up Your Life Is Calling will get you there by inspiring you to expand your universe of what you believe is possible develop the internal fire and vision to stop accepting a life that is fine and push for one that is truly extraordinary land your dream job create that lasting relationship and carve out time to achieve bigger goals The secret The five essential principles for rewriting your tomorrow contained in this book Your life is waiting Are you ready to dive in **New Worlds Reflected** Chloë Houston, 2016-05-06 Utopias have long interested scholars of the intellectual and literary history of the early modern period From the time of Thomas More s *Utopia*

1516 fictional utopias were indebted to contemporary travel narratives with which they shared interests in physical and metaphorical journeys processes of exploration and discovery encounters with new peoples and exchange between cultures Travel writers too turned to utopian discourses to describe the new worlds and societies they encountered Both utopia and travel writing came to involve a process of reflection upon their authors societies and cultures as well as representations of new and different worlds As awareness of early modern encounters with new worlds moves beyond the Atlantic World to consider exploration and travel piracy and cultural exchange throughout the globe an assessment of the mutual indebtedness of these genres as well as an introduction to their development is needed New Worlds Reflected provides a significant contribution both to the history of utopian literature and travel and to the wider cultural and intellectual history of the time assembling original essays from scholars interested in representations of the globe and new and ideal worlds in the period from the sixteenth to eighteenth centuries and in the imaginative reciprocal responsiveness of utopian and travel writing Together these essays underline the mutual indebtedness of travel and utopia in the early modern period and highlight the rich variety of ways in which writers made use of the prospect of new and ideal worlds New Worlds Reflected showcases new work in the fields of early modern utopian and global studies and will appeal to all scholars interested in such questions

The New World Park Benjamin, James Aldrich, Henry Champion Deming, James Mackay, 1841 Thresholds and Boundaries Lynn F. Jacobs, 2017-09-25 Although liminality has been studied by scholars of medieval and seventeenth century art the role of the threshold motif in Netherlandish art of the late fourteenth fifteenth and early sixteenth centuries this late medieval early early modern period has been much less fully investigated Thresholds and Boundaries Liminality in Netherlandish Art 1385 1550 addresses this issue through a focus on key case studies Sluter s portal of the Chartreuse de Champmol and the calendar pages of the Limbourg Brothers Tr s Riches Heures and on important formats altarpieces and illuminated manuscripts Lynn F Jacobs examines how the visual thresholds established within Netherlandish paintings sculptures and manuscript illuminations become sites where artists could address relations between life and death aristocrat and peasant holy and profane and man and God and where artists could exploit the betwixt and between nature of the threshold to communicate paradoxically both connections and divisions between these different states and different worlds Building on literary and anthropological interpretations of liminality this book demonstrates how the exploration of boundaries in Netherlandish art infused the works with greater meaning The book s probing of the often ignored meanings of the threshold motif casts new light on key works of Netherlandish art **The Significance of Doorway Positions in English Medieval Parochial Churches and Chapels** Geoffrey Sedlezky, 2023-08-24 This book analyses the positions of external church doorways in England to investigate the significance that positioning had for the function and design of these buildings The author proposes a link between the design and function of parochial churches and chapels with the number and attributes of their doorways
