revival of the Soviet empire Motyl points out that the expansion of NATO and the European Union along with increasing globalization will isolate Russia and its neighbors promoting their dependence upon one another and perhaps facilitating the rise of the former core With boldly stated conclusions and concise analytical interpretations Imperial Ends cohesively illustrates to policymakers and social scientists alike the importance of possible imperial revivals and the rise of future empires Political, international, social and economic aspects Miloslav Rechcigl,2019-03-18 No detailed description available for Political international social and economic aspects *Encyclopedia of Historians and Historical Writing* Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **The Rebirth of the Habsburg Army** Scott Lackey,1995-10-20 Friedrich Beck was the single most important figure in the transformation of the inept Habsburg military into the modern military state that would wage World War I He correctly perceived that only an elite body of officers responsible for war planning and preparation could provide lasting security for the Austro Hungarian empire After firmly establishing the general staff as an institution Beck led war planning to counter threats from Russia Italy and the Balkans and spearheaded a vast rebuilding of the rail network While his rise to power marked a return to the favorite system of military administration of the early Franz Joseph period Beck proved himself a man with real military ability that revolutionized an army *Catalog of Copyright Entries.
