The Harpercollins Political Pamphleteer Sexual Harassment And The Courts:

Sexual Harassment and the Courts John C. Domino,1995 Law Books Published ,1995 American Federal-state-local Relations in the 1990s David Bradstreet Walker,Walker,1995 Law Books in Print: Publishers ,1997

Hostile Environment Gwendolyn Mink,2018-09-05 According to some of President Clinton s feminist supporters his alleged behavior toward Paula Jones did not constitute sexual harassment because he had taken no for an answer Others insisted that Jones could not have been harassed because the president did not punish her for refusing him During the impeachment debate many feminists defended the president on the grounds that his alleged lies in the Jones case were just about sex and therefore insignificant In the most publicized sexual harassment case to date longtime proponents of sexual harassment law raised the political and legal thresholds for taking sexual harassment seriously In a passionate defense of the rights of sexually harassed women Gwendolyn Mink warns that the president s supporters have undermined our sexual harassment laws Hostile Environment is her provocative account of the harm being done to these laws and her warning that the laws themselves are worthless if few women dare to use them Correcting many common misapprehensions Mink explains sexual harassment as a legal concept and charts its judicial and legislative history She shows the many important contributions feminists have made to the development of sexual harassment law She also however develops a stringent critique of feminist responses to the president s lies in the Jones case Sometimes scathing Hostile Environment provides a fresh perspective on the recent politics of sexual harassment It also provides a highly personal perspective First hand knowledge of the injuries caused by sexual harassment and its aftermath has left Mink with an abiding interest in this volatile issue and with a desire to safeguard the rights of sexually harassed women especially the most economically vulnerable among them Reckoning Linda Hirshman,2020-03-10 The first history incisive witty fascinating of the fight against sexual harassment from the author of the New York Times bestseller Sisters in Law Linda Hirshman acclaimed historian of social movements delivers the sweeping story of the struggle leading up to MeToo and beyond from the first tales of workplace harassment percolating to the surface in the 1970s to the Clinton Lewinsky scandal when liberal women largely forgave Clinton giving men a free pass for two decades Many liberals even resisted the movement to end rape on campus And yet legal political and cultural efforts often spearheaded by women of color were quietly paving the way for the takedown of abusers and harassers Reckoning delivers the stirring tale of a movement catching fire as pioneering women in the media exposed the Harvey Weinstens of the world women flooded the political landscape and the walls of male privilege finally began to crack This is revelatory essential social history **Politicians Behaving Badly** Paulina S. Cossette,Stephen C. Craig,2019-12 History tells us that elected leaders tainted by scandal often pay a political price for their questionable behavior Some prior research suggests that on average the impact of economic scandal e g misuse of public funds is more damaging than that of sexual misbehavior e g extramarital affairs But we are currently in an era in which allegations of

sexual misbehavior have taken center stage and the focus today is less on issues of morality than on allegations of sexual harassment and assault broadly defined Especially since 2016 such allegations have engulfed a large and growing number of political figures Many were forced to resign their positions while others chose to end their campaigns for election or re election With the rise of the MeToo movement and related grassroots efforts to address the problem of sexual harassment the issue seems likely to play an important role in the 2020 elections and beyond This book employs data from an internet based survey based on a national sample of roughly 1300 registered voters to examine citizens attitudes about sexual harassment and the extent to which those attitudes shape their voting preferences With an innovative experimental design the authors assess whether those attitudes and preferences vary with the target candidate s partisan affiliation Republican or Democrat gender male or female and response to the allegations denial apology or with some sort of counterframe as defined in the book Appropriate for students scholars and general readers alike this book offers a timely analysis of an important political issue

Recognizing the pretentiousness ways to acquire this books **The Harpercollins Political Pamphleteer Sexual Harassment And The Courts** is additionally useful. You have remained in right site to start getting this info. get the The Harpercollins Political Pamphleteer Sexual Harassment And The Courts belong to that we present here and check out the link.

You could buy lead The Harpercollins Political Pamphleteer Sexual Harassment And The Courts or acquire it as soon as feasible. You could speedily download this The Harpercollins Political Pamphleteer Sexual Harassment And The Courts after getting deal. So, behind you require the books swiftly, you can straight acquire it.
