Jennette Browning Jennie Brown Doremus,1889 *Sterling A. Brown's A Negro Looks at the South* John Edgar Tidwell,Mark A. Sanders,2007-02-03 Using oral history and the printed word Sterling A Brown set out during the Second World War to capture the response of African Americans primarily living in the South to America s involvement in the war and how it affected them These responses brought together in extended non fiction essays of many different types illustrate the diversity of opinions in the Black South about the war and the war period in America For nearly sixty years the excerpts that were never published languished in Brown s manuscript collection at Howard University Now for the first time all of the completed pieces of unpublished writings are combined with the few published sections into the book that Brown envisioned The legacy Brown left us is not only a superb portrait of the way in which African Americans of the mid century talked and

lived he also provided a methodology that oral and written historians will find extremely useful This is clearly a document from another time as its now outdated title reminds us but it reveals a world that still informs our sense of ourselves as a nation In fact it is an unforgettable history which Brown has cast in a bright elucidating new light **Stray Thoughts on Many Themes: a Collection of Short Poems Contributed to Various Publications** John T.
