The Eighties Frank Bongiorno, 2017-01-12 Winner of the ACT Book of the Year Award Shortlisted for the Ernest Scott Prize and CHASS Australia Prize It was the era of Hawke and Keating Kylie and INXS the America's Cup and the Bicentenary It was perhaps the most controversial decade in Australian history with high flying entrepreneurs booming and busting torrid debates over land rights and immigration the advent of AIDS a harsh recession and the rise of the New Right It was a time when Australians fought for social change on union picket lines at rallies for women's rights and against nuclear weapons and as part of a new environmental movement And then there were the events that left many scratching their heads Joh for Canberra the Australia Card Cliff Young In The Eighties Frank Bongiorno brings all this and more to life He sheds new light on both the ordinary and extraordinary things that happened to Australia and Australians during this liveliest of decades The definitive account of an inspired infuriating decade George Megalogenis A very impressive achievement The Monthly Meaty and entertaining The Australian A Pleasure to Be Here John Clarke, 2017-10-30 A hilarious collection of interviews discussing the highs and lows in the public and political life of Australia over the past three decades Drawn from John Clarke's and Bryan Dawe's weekly broadcasts these timelessly funny scripts will delight readers as they revisit the scandals and stuff ups of our lifetimes Politics was never so preposterous All the old favourites are here Bob Hawke Margaret Thatcher Bob Collins the front fell off Paul Keating Alan Bond John Howard Kevin Rudd Julia Gillard Tony Abbott and Malcolm Turnbull John Clarke was born in New Zealand in 1948 He was and remains one of Australia's best known and most loved faces on TV A comedian writer and actor his appearances included the famous Fred Dagg character The Gillies Report and The Games John's books include The Even More Complete Book of Australian Verse A Dagg at My Table The Howard Miracle and The 7 56 Report His only novel The Tournament was published in the UK and the US to great critical acclaim and will be republished in the Text Classics in November He died in April 2017 A reminder of what a god of a comedian he was Clarke never imitated the voices faces or mannerisms of our overlord He simply paid lavish and travestying homage to the way they thought and did their best to deceive us Australian Pivot of Power Paul Strangio, Paul 't Hart, James Walter, 2017-08-28 The prime ministership remains the main prize in Australian politics but it is a precarious one Leadership turnover in recent years has seen more prime ministers rise and fall than at any time since the decade after federation What explains this volatility The Pivot of Power is the second volume in a unique blend of collective biography and institutional history that shows the skills limitations and passions of incumbents are only part of the story The ways in which prime ministers thrive and fail are influenced by the resources at their command the evolving nature of the parties they lead the daunting public expectations they face under a relentless media gaze and the challenges that history throws at them Recent changes in these

areas have had a destabilising effect and made the role of prime minister more onerous than ever After decades of strong national leadership the office has rarely seemed quite so confounding as it does for its contemporary holders The Pivot of Power explains how this has come about And its rich account of prime ministerial fortune since the mid twentieth century yields historical lessons for overcoming the current malaise

John Winston Howard Peter Van Onselen,Wayne Errington,2008 A portrait of one of Australia s longest serving prime ministers this biography goes behind the public image to find neither the strong willed man of principle his supporters like to imagine nor the cunning opportunist painted by his foes The discussion covers Howard s suburban middle class upbringing and his success at implementing his policies concluding that although the image of the ordinary bloke has helped his enduring popularity heandmdash like George Bushandmdash possesses a number of uncommon strengths that have made him one of the most formidable leaders in Australian political history
