Jesus' Healing Works and Ours Ian Cowie,2012-01-18 Ian Cowie sheds new light on what the healing miracles of Jesus were Re translating the original Greek of the Gospels he carefully dissects the actions and words of Jesus and draws conclusions which are often at odds with current interpretations He concludes that there is no justification for saying that miracles break the laws of nature but that such events are a natural result of using untapped human and divine resources in

a universe that is totally consistent **The Healing Works of Jesus** William H. Higgins, 2013-09-17 The Healing Works of Jesus is an inspiring and concise reference of the healings Jesus performed in the Four Gospels Each case of healing includes the full scriptural references where each case of healing is found in the 4 gospels How many times did Jesus minister to individuals in the 4 gospels How many times did Jesus minister to the multitudes in the gospels How many cases of healing are unique to each gospel How many cases are common to more than one gospel The answers may take you by surprise The Healing Works of Jesus will save the student countless hours of research Each case of healing includes the complete scriptural reference allowing you to read ALL of the scriptures together for each case of healing thereby saving you many hours of study William has also organized the healing of the multitudes and has arranged them in similar fashion including the full scriptural references together for each of the cases of the healing of the multitudes This book may not only be used for individual and group studies but will cause faith to receive healing to arise in the hearts of those who need healing today This simple practical and well organized guide is designed to bring the student and patient into a deeper revelation of healing and a clearer understanding of how and when Jesus ministered healing to all who needed healing **The Christian Healing Power** Charles Fillmore, 2019-12-18 Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills However very few have dared even to suggest that Jesus applied universal law in His restorative methods Charles Fillmore have found that Jesus healing methods were based on universal mental and spiritual laws that anyone can utilize Ultimately that cognition led him to the conclusion that man and the universe are founded on mind and that all changes for good or ill are changes of mind Contents Christian Healing Lesson One The True Character of Being Statements for the Realization of Divine Mind Lesson Two Being s Perfect Idea Statements for the Realization of the Son of God Lesson Three Manifestation I AM Realizations Lesson Four The Formative Power of Thought Affirmations for Right Thinking Lesson Five How to Control Thought Cleansing and Purifying Statements Lesson Six The Word The Power of Words Lesson Seven Spirituality or Prayer and Praise Living Words to Quicken Spirituality Establishing the Perfect Substance Lesson Eight Faith Faith Affirmations Lesson Nine Imagination Perfection in Form Established Lesson Ten Will and Understanding The Establishment of Will and Understanding Lesson Eleven Judgment and Justice Judgment and Justice Statements Lesson Twelve Love Love Demonstrated Study Helps and Questions Jesus Christ Heals Be Thou Made Whole God Presence Realization Precedes Manifestation Producing Results The Omnipotence of Prayer God Said and It Was So Indispensable Assurance The Fullness of Time Healing through Praise and Thanksgiving I Am the Way and the Truth and the Life Healing Power of Joy Holy Spirit Fulfills the Law **The Miracles of Jesus** Vern S. Poythress, 2015-11-17 Christians often view Jesus s miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus s miracles like the calming of the storm or the feeding of the 5 000 are

relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus s miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today

Be Healed in Jesus' Name Joyce Meyer, 2008-11-15 God s Healing is for You Have you ever wondered Does God want to heal me Like many others you may believe that God has the power to make us better but feel uncertain whether He wants to extend this blessing to everyone The truth is God is our loving Father Who wants us all to be well Yes He does want to heal you totally and completely In this dynamic book bestselling author Joyce Meyer presents a clear concise explanation of the basics of biblical teaching concerning God s will to heal You ll learn How to Release God s Power for You The Misconceptions that can Prevent Healing The Many Methods God Uses to Heal The Vital Importance of Faith and Patience Complete with important Scriptures on healing and guidance on how to apply them to specific needs Joyce Meyer shows you how to receive all that God has for you Be healed in Jesus name [Jesus... the Divine Healer](#) Domenico Barbera, 2017-04-16 REFLECTING ON THE VARIOUS PHYSICAL HEALINGS that Jesus performed during His three years of earthly ministry we cannot say taking into consideration everything recorded in the four gospels that they include all the healings performed by Jesus especially if considering what John has written Jesus performed many other signs in the presence of his disciples which are not recorded in this book Jesus did many other things as well If every one of them were written down I suppose that even the

whole world would not have room for the books that would be written John 20 30 21 25 Bearing in mind the words of the Apostle John which are reasonable one cannot therefore say that the healing miracles found in the four Gospels represent the totality of what Jesus did they are simply a synthesis and clearly describe the various kinds of deeds that Jesus did If the evangelists mention them they definitely did not have to say that these represented the best and most significant acts but that they only adapted the story of healing to the purpose for which they wrote The miracles of healing that Jesus did whether recorded or not all speak of the divine power manifested by Jesus during His mission on this earth On the other hand we cannot disregard the long silence of 18 years that the evangelists ignored in Jesus life leaving Him at the age of twelve and then returning to Him when He was about thirty During those long years which were years of preparation for the official launch of the great commission did Jesus perform miracles of healing We are told nothing about this and no one can answer categorically yes or no **The Miracles of Jesus** Edward Owen Davies,1913 Miracles of Healing in the Gospel of Mark John I. Penn Sr.,2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God s perspective What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God s good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan s demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark s gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation
