

A man with short dark hair and a beard, wearing a black long-sleeved shirt, is singing into a microphone. He has his eyes closed and his arms are outstretched to the sides. In the background, a group of people are visible, some with their hands raised in a gesture of worship. The scene is outdoors with a warm, golden light.

The man was desperate. Leprosy had ravaged his body and isolation had destroyed his self-worth. The one thing he had was a measure of faith that Jesus could make him clean. Surrounding people gave the leper plenty of space as he inched his way to the Healer and Jesus had compassion on the man, healing his body and spirit with a touch and a few words. The leper was just one of society's outcasts, deeply hurting people whom Jesus loved through His actions. The Gospels give us story after story of Jesus's dealings with people whose needs were so great their outlook seemed hopeless. But Christ offered them hope and healing and forgiveness for their wounded souls. Encounter our compassionate Lord through these twelve Gospel stories that show how He met each person's unique need. *Seeing the Heart of Christ* provides a rich view of our Savior's love and our great need for Him. By observing His perfect example, we can be comforted by His mercy and in turn comfort others. **The Heart of the Artist** Rory Noland, 2009-05-18 Over 100,000 sold. Great for individuals and teams. Includes provocative discussion questions. I wish I had your gift. How do you handle those words as a creative artist? Somewhere between pride and self-abasement lies true humility, just one aspect of the balanced character God wants to instill in you as an actor, a musician, a visual artist, or other creative person involved in ministry. God is interested in your art and your heart. *The Heart of the Artist* deals head-on with issues every person in an arts ministry faces: Servanthood Versus Stardom, Excellence Versus Perfectionism, The Spiritual Disciplines of the Artist, The Artist in Community, and more. *The Heart of the Artist* will give you a better understanding of yourself and your unique place in the body of Christ. You'll find wisdom and encouragement that can help you survive the challenges and reap the rich joys of a ministry in the creative arts. Breathtakingly personal, practical, and poignant. Timothy Tie, New York, New York. I am better for having applied these principles. A must read for church staff, creative types, growing Christians, human beings. Rev. Ginny Allen Jackson, Mississippi. Rory Noland pinpoints issues that often arise in the life of the artist and gives good biblical solutions. A must have for Christian artists in any field. Tom Hinkle, Tulsa, Oklahoma. Rory Noland is director of Heart of the Artist Ministries, www.heartoftheartist.org, an organization dedicated to turning teams of church artists into communities of grace. A composer, songwriter, author, and speaker, Rory is a graduate of the Chicago Musical College at Roosevelt University and served for twenty years as music director at Willow Creek Community Church. **The Heart of Racial Justice** Brenda Salter McNeil, Rick Richardson, 2022-01-11 Racial and ethnic hostility is one of the most pervasive problems the church faces. What should our response be in a work torn apart by prejudice, hatred, and fear? In this book, Brenda Salter McNeil and Rick Richardson provide a model of racial reconciliation, social justice, and spiritual healing that creates both individual and communal transformation. **ACCESSING THE HIDDEN POWERS OF HEAVEN** ISAIAH MACWEALTH, The concept of holiness is one that I have longed to write about for a while.

now because the Spirit of God has put this burden in my heart The level of misunderstanding about holiness is gross and universal thus I believe the Lord wants to use this book to teach and move the church into greater realms of fellowship with Him and greater levels of power What many teachers teach and what many believe about holiness is not holiness The word is often interchanged with words like righteousness consecration and sanctification but they are not all the same Holiness is not just a character or attribute neither is it a virtue or a set of rules It is so much more It is the nature and power of God Understanding holiness is therefore paramount because it is the key to accessing the unlimited power of God and the glory realm I believe that one of the reasons many believers are not functioning in the power of God in these last days is because they either do not understand or misunderstand holiness and how to access power by partaking in the holiness of God If you would function with God and experience face to face encounters with Him this book is for you I will be giving you a totally new revelation on Holiness just as the Lord taught me so I want you to read and meditate deeply on this book These are the days of His mighty power signs and wonders and those who have this revelation can partake of His holiness
