Teah Wulah, 2022-08-14 Writing on the subject of religion in this century with advanced scientific and technological

developments religion still influences the world This is an individual search for answers to console myself about what or who God is and expresses personal feelings and limited knowledge at that time thinking that I was pleasing God The book does not define God or religion but rather a personal one because each individual finds their Creator differently As with previous writings my audience is an innocent village child who has no knowledge of the surrounding and what controls the environment The book starts with my early religious training followed by the different religious sects I tried to find God and to be endowed with certain gifts It will be a good thing as you read this book to find that each creature of God whether created or evolved we all have gifts to be selected

Beyond Ascension Joshua David Stone,1996-12-12 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source

**Cosmic Ascension** Joshua David Stone,1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth s history there is a new opening and potentiality to also begin one s cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book

A Beginner's Guide to the Path of Ascension Joshua David Stone,Janna Shelley Parker,1998 Three forces must come together for a planetary healing to occur The concept of the Sacred Triangle was introduced in David Miller s first book Connecting with the Arcturians which explored the fifth dimension and our relationship to higher Extraterrestrial groups This new book explains how the Arcturian energy melds with that of the White Brother Sisterhood and the Ascended Native American Masters to bring about planetary healing David offers the reader an understanding of the soul the nature of soul evolution and how the human species is advancing towards the next evolutionary step There will be many of you in this time who will be able to complete fantastic tasks If I would declare to you what I see you would be astonished that you could possibly carry out such tasks You must think that you have the ability to do this You have the personal power I ask you to look at the Sacred

Triangle and see what role you can play in this Others will be very interested when you read [The Quintessential Jesus of Nazareth](#) Allison Sledge, 2011-11-03 The Quintessential Jesus of Nazareth An Astrological Interpretation of The Messiah's Natal Chart is one of the most profound metaphysical books ever written in terms of exploring all aspects of the Universe in relation to Jesus Christ The Bible omits seventeen years of His life and not much is known about Jesus as a person What were His thoughts His Moods His concept of Self How did He feel about money treasures communications family health humor service romance talent and love What were His fears His joys His inner spirituality What were His views on friendships death addiction and pain This book takes the readers through these phases that made Him who He was It is based on a natal astrological chart and the day of His birth being March 19th 7 BC Because there is no true and accurate date of His exact birth this date was chosen for many reasons especially Edgar Cayce's reading of March 19th being the day He was born Many people have their own versions and opinions based on their own understanding of Jesus yet this book was written to open the minds of limited thinking whether one agrees or disagrees with the concepts It is with that attitude of inclusiveness rather than exclusiveness that the Author anticipates great discussions arising among people of all walks of life after reading this book It is a must have for everyone's bookshelves to be sure

**The Light Digger** Indie-Phet Nguyen, 2016-03-03 Born to Vietnamese parents Indie Phet Nguyen grew up in Laos and instead of trying to find a husband she studied by candlelight at night paving the way for her to go to Australia on a scholarship Professional women in Australia were never treated as well as men and the author faced even more challenges by virtue of being an immigrant In this memoir she looks back at the hard work that made her a success and provides business and spiritual tips such as If you have a great business idea only share it with people who have a genuine interest in supporting you because supposed friends can quickly become enemies Attend important business meetings with someone you trust because if you're alone against a wild shark there's a chance you'll be bitten Let go of disappointment and resentment so you can become who you want to be without restrictions Release grief by freeing the spirits of loved ones so they can find their way to heaven The author a Reiki master also explores how anyone can practice the hands on healing system to calm the mind heal the body and boost positive energy

worldwide Imagine living your Heaven on Earth as a miracle magnet      *The Way of God's Love* Barbara Ann Strassman,2024-09-11 A true compelling story about the search for unconditional love and the major role played by God It becomes apparent that maybe nothing is by chance The desires and dreams of the author seem far fetched as she wants to hear messages from God and the angels Her aching desire is what we all desire to be loved unconditionally To feel accepted to feel as if she belongs and to know that God loves her was her focus for she was a lost soul as one of five children Little did she know that all along there were signs and messages from God from the Universe God had a plan for her God was paying attention to her prayers and dreams God was listening Now it was time for her to start loving her true self and to listen to God Pure ecstasy exhilaration over the top sensations of divine love came to her These are the gifts from God and the angelic realm You too can experience these signs and messages and receive the gifts from God just follow her lead as she shows you the way Full of her visions messages and dreams the book shows you how to follow patterns and lessons that God has planned out for you To live as One to know LOVE NEVER DIES and to know that you are a co creator is her message to all humanity      *The Stargate Conspiracy* Lynn Picknett,2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it

The Trinity Matrix 2008 Roger A. Turner,2009-01-27 Since the beginning of Human history stories have been told to pass down the memories and experiences of ancestors long gone into the past Forces ambitious for control have manipulated these stories myths and legends to make an illusion that hides the truth about the state of humankind Maintaining this illusion keeps people in a passive state of domestic toil in a state of subservience and easily managed by the empires of power that control this world The Trinity Matrix 2008 untangles the web of stories and exposes a basic pattern that shows that our reality is based on a matrix of trinities and deceptions This little book is full of surprises a treasure chest of little known facts and myths with plenty of leads to keep you thinking about whether or not you believe the illusion Is this fact is this fiction or the next step in your evolution      **The Ascension Names and Terms Glossary** Joshua David Stone,Sarayon Michael White,2001-06-12 The Ascension Names and Terms Glossary is the only comprehensive Ascension Glossary that has been written at this time on the planet The Ascension Movement and Ascended Masters Teachings are one of the biggest and fastest Spiritual Movements on this planet The challenge is that for new intermediate and even advanced Masters and

students there are an enormous number of terms and Masters to be defined and understood For the first time in this easy to understand book this has been done This is one of the few Glossaries on this planet that you can just pick up and read any place in the book and it will accelerate your Initiation and Ascension path enormously This book is literally must reading for all people on a Spiritual Path or Path of Initiation and Ascension      **The Message of the Kingdom** Yliyah Paul,2002-05-01

You ve heard the lies Now learn the truth if you dare Prepare yourself for a real eye opener Take off your rose colored glasses before you read this one because it is probably the most controversial and revealing book ever written The truth is more precious than the purest gold and it has been said the truth is stranger than fiction The latter is very true in Satan s world of lies and deception as will be revealed for this book shakes the very foundations of most world religions age old philosophies and creation theories However only the emotionally mature the truly open minded and the intellectually brave should explore this book for the knowledge obtained can alienate as well as enlighten those who discover these truths There is much truth to be found in these pages but this book was not written for the masses but for the few who seek and love the truth more than their own lives We are now in The End of Days The last five years of increase in intensity and number of hurricanes tornadoes droughts and floods caused mostly by global warming plus a significant increase in famine incurable diseases terrorism and instability in the Middle East attest to that conclusion It s time for the truth in religion politics UFO s extraterrestrials creation theories and the future of mankind and Planet Earth Lies and myth have been perpetuated throughout the centuries With the dawning of a new era it is time the predestined purpose and nature of humanity and the true identity and nature of The Creator be revealed to those who desire and seek it The reader will discover how Satan has deceived the whole world through false teachers and mistranslation Evolution and Creationism or Creation Science along with other scientific methods are merged into an easy to understand synthesis for both have some validity in the creation of the universe The straight and narrow way that leads to eternal life is made plain and easy to understand and it is the same religion found in The Messiah s message expressed nearly 2000 years ago which believe it or not is not and was not Christianity Islam Hinduism Buddhism Taoism nor most versions of Judaism The Creator is described as all knowing and omnipotent in spirit as well as in physical and scientific terms For example he and his host have the power to appear and disappear as Spirit Beings or they can choose to take physical form and travel about the universe in their chariots of fire via wormholes at incredible speeds Time and space are of no consequence to The Eternal One and his Heavenly Host for they have long ago conquered both They rule and nurture all life in the universe and will soon return to rule Planet Earth when The Seed they have planted has come into fruition At his Messiah s coming his clouds of glory will be so numerous the sun will be darkened and the moon will not shed its light Earthquakes floods droughts tornadoes volcanoes famine disease wars terrorism and economic woes will continue to increase in intensity and frequency as the Four Horsemen of The Apocalypse come to full gallop as the time of the end approaches The author predicted the recent increase in terrorism and

natural disasters with the first edition of this book in 1996 which was drafted in 1989 Time is running out for man as we know him A relatively rare breed of human will inherit the earth as The Wheat described in Matthew 5 3 10 13 23 planted as his seed of righteousness 6 000 years ago in Adam NOTE This book does not call for any violence Jihad or Holy War against any government or religion For those who live by the sword shall die by the sword Vengeance is mine says The Most High and when his Day of Indignation has come rest assured vengeance will be duly executed For they come from a far country from the end of Heaven even the Most High and the weapons of indignation to destroy the whole land Isaiah 13 5 Behold they shall come with fire and chariots like the whirlwind Isaiah 66 15 And what do these chariots look like Their appearance and their work was as it were a wheel in the middle of a wheel Ezek 1 16 Now look again at the front cover Get the picture what the clouds of glory really look like The reader will discover the science behind magic and the truth behind myth This is a last chance calling for those who love truth and are found worthy to be saved from the coming destruction and allowed to live in the coming wonderful world and rule with the Messiah for 1000 years This writing constitutes fulfillment of the prophecy of the Message of the Kingdom as correctly translated in Mark 13 10 Matthew 24 14 which is to be published preached into all the world just before The End of The Age      *Sacred Alignment* N.
