of all faiths all backgrounds can meet one another and themselves Kushner ties together the stories of our lives into a roadmap showing how everything ordinary is supercharged with meaning if we can just see it *Judaica Librarianship* ,1990

The Spell of the Sensuous David Abram,2012-10-17 Winner of the International Lannan Literary Award for Nonfiction Animal tracks word magic the speech of stones the power of letters and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us This major work of ecological philosophy startles the senses out of habitual ways of perception For a thousand generations human beings viewed themselves as part of the wider community of nature and they carried on active relationships not only with other people with other animals plants and natural objects including mountains rivers winds and weather patters that we have only lately come to think of as inanimate How then did humans come to sever their ancient reciprocity with the natural world What will it take for us to recover a sustaining relation with the breathing earth In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau Ponty Balinese shamanism Apache storytelling and his own experience as an accomplished sleight of hand of magician to reveal the subtle dependence of human cognition on the natural environment He explores the character of perception and excavates the sensual foundations of language which even at its most abstract echoes the calls and cries of the earth On every page of this lyrical work Abram weaves his arguments with a passion a precision and an intellectual daring that recall such writers as Loren Eiseley Annie Dillard and Barry Lopez

The Call of the Mourning Dove Stephanie Rutt,2019-05-20 Spiritual seekers across faith traditions share a fierce yearning for mystical unity with their God While beliefs and practices differ what ignites the human heart to quest for the mystical the unknowable the holy just beyond understanding is the same *The Call of the Mourning Dove* How Sacred Sound Awakens Mystical Unity offers a new paradigm the Sonic Trilogy of Love that details how sacred sound embedded in the ancient canons across faith traditions creates just such a portal into this unmitigated experience of God Because the experience is ubiquitous across faith traditions it does not matter whether a seeker has embarked on an eclectic quest for God or remains deeply committed to questing within one particular faith tradition All seekers known as Lovers within the Trilogy discover that by intoning the sacred sounds the Love embedded in the ancient languages the conditions are set to experience unity with God the Beloved This unity occurs in unforeseen moments as love the core organizing principle of the Trilogy circles in on itself dissolving all distinctions leaving the Lover filled with only the silent wonder of God And graciously nothing is the same *144,000 & The Remnant of Israel* Armando Salazar,2016-01-28 144 000 AND THE REMNANT OF ISRAEL is an awakening to the treasures hidden in the Old Testament Readers will be taken to a new light that illuminates the path to God s mercy Oh the depth of the riches and knowledge of God It is well known that a precise interpretation of the five books of Moses known as the Torah has been a prime quest of many scholars and religious people from all ages and from the main monotheistic religions of the world However we must recognize that the results have led to substantial differences which in some cases ended in total rejection

persecutions and even killing in the name of God This is unfortunate as the biblical writers although undoubtedly inspired by the Holy Spirit used what was available to them their language culture and experiences to write out the stories poems and prophecies found in the collection of books we call the Bible however most of the interpreters have forgotten that if the writings were inspired by the Holy Spirit the interpretation should also be inspired by the Holy Spirit The main objective of this book is to recover the image of Jesus Christ through the Old Testament and fulfill the word of God as given in Luke 24 27 And Jesus beginning with Moses and all the prophets explained to them what was said in all the Scriptures concerning himself
