Batten,Kelly Olson,2021-03-25 Insights from anthropology religious studies biblical studies sociology classics and Jewish studies are here combined to provide a cutting edge guide to dress and religion in the Greco Roman World and the Mediterranean basin Clothing jewellery cosmetics and hairstyles are among the many aspects examined to show the variety of functions of dress in communication and in both establishing and defending identity The

volume begins by reviewing how scholars in the fields of classics anthropology religious studies and sociology examine dress The second section then looks at materials including depictions of clothing in sculpture and in Egyptian mummy portraits The third and largest part of the book then examines dress in specific contexts beginning with Greece and Rome and going on to Jewish and Christian dress with a specific focus on the intersection between dress clothing and religion By combining essays from over twenty scholars from different disciplinary backgrounds the book provides a unique overview of different approaches to and contexts of dress in one volume leading to a greater understanding of dress both within ancient societies and in the contemporary world      **Screening Love and War in Troy: Fall of a City** Antony Augoustakis, Monica S.

Cyrino, 2022-01-13 This is the first volume of essays published on the television series Troy Fall of a City BBC One and Netflix 2018 Covering a wide range of engaging topics such as gender race and politics international scholars in the fields of classics history and film studies discuss how the story of Troy has been recreated on screen to suit the expectations of modern audiences The series is commended for the thought provoking way it handles important issues arising from the Trojan War narrative that continue to impact our society today With discussions centered on epic narrative cast and character as well as tragic resonances the contributors tackle gender roles by exploring the innovative ways in which mythological female figures such as Helen Aphrodite and the Amazons are depicted in the series An examination is also made into the concept of the hero and how the series challenges conventional representations of masculinity We encounter a significant investigation of race focusing on the controversial casting of Achilles Patroclus Zeus and other series characters with Black actors Several essays deal with the moral and ethical complexities surrounding warfare power and politics The significance of costume and production design are also explored throughout the volume      *The Montgomeryshire Collections* Powys-land Club, 1873
