**Aggelos Kapellos**

## **The Orator:**

*Patrick Henry, The Orator* David McCants, 1990-11-20 Best known for his Liberty or Death address the oratorical essence of the American Revolution Patrick Henry Virginia patriot statesman and foremost orator of the Revolutionary period is scrutinized in this eighth volume in the Greenwood Press Great American Orators series Taken as a whole the volumes chronicle the role of public discourse in the United States and fill the void that has existed in American public address In *Patrick Henry The Orator* David A McCants develops fresh perspectives on an illustrious orator who excelled in two of the classical genres of rhetoric the forensic and the deliberative McCants gives a creative and compelling interpretation of the rhetorical efficacy of Henry's Liberty or Death speech making a strong prima facie case for his evangelical explication Rhetorical topics such as delivery modes of proof style organization effect and more are examined within the context of the historical exigencies that motivated Henry and shaped his responses The culture and politics of eighteenth century Virginia as well as biographical factors that shaped Henry's development are explored in depth Also included are six important speech texts with critical materials that provide students and scholars of the history and criticism of American public address a more comprehensive basis for understanding Henry's rhetorical reputation Patrick Henry's development as a popular orator is traced in Part I which presents critical analyses of the orator and his speeches during his Protest and National periods and in legal venues In these chapters McCants focuses on the rhetorical considerations of speaker and speech purpose and effect Part II contains texts of the important addresses discussed in the preceding critical analyses These collected speeches and speech reports include The Parsons Cause Case the conclusion of the Caesar Brutus speech in the Stamp Act Debate of May 1765 the Liberty or Death speech two speeches from the Ratifying Convention Debate and Patrick Henry's defense in the British Debts Case A chronology of major speeches lists all of Henry's known addresses as well as the places and dates of the speeches and attests to the scope of rhetoric in the United States The bibliography contains carefully described historical collections and gathers together primary and secondary sources that bear on the speaker and the oratory An index closes the volume Students and scholars of rhetoric public oratory and American history will find this notable study an invaluable research tool

*The Orator's Text Book* Donald Macleod (teacher of elocution.), 1830      *The Orator's Touchstone* Hugh McQueen, 1858      *Natural Ability Vs. Training in the Orator* Margaret Edwards Clark, 1927      *The Orator's Touchstone; Or, Eloquence Simplified* Hugh MACQUEEN, 1854      *The Orator's Legacy: A Journey Through History and Political Thought* Pasquale De Marco, 2025-08-16 In a world grappling with political upheaval and social transformation Edmund Burke emerged as a beacon of wisdom and eloquence leaving an indelible mark on the annals of political thought This comprehensive biography delves into the life and legacy of this remarkable orator exploring the origins of his ideas the historical context in which they were formed and their enduring relevance in shaping modern political discourse Edmund Burke *The Orator's Legacy* takes readers on a journey through Burke's formative years in Dublin his education at Trinity

College and his subsequent move to London to pursue a career in politics. We witness his rise as a Member of Parliament, his passionate defense of individual liberty and representative government, and his unwavering commitment to the preservation of traditional values. Burke's political philosophy, deeply rooted in the principles of conservatism, emphasized the importance of gradual reform, respect for tradition, and the need for a strong and stable government. His speeches, characterized by their eloquence, erudition, and passionate conviction, captivated audiences and earned him a reputation as one of the greatest orators of his era. One of Burke's most notable contributions to political thought was his *Reflections on the Revolution in France*, published in 1790. In this seminal work, Burke vehemently criticized the excesses of the French Revolution, warning against the dangers of radicalism and mob rule. He argued that rapid and sweeping change often leads to unintended consequences, undermining the very ideals it seeks to uphold. Burke's *Reflections* sparked a fierce debate that reverberated throughout Europe and beyond, cementing his reputation as a leading intellectual figure of his time. Burke's writings and speeches continue to resonate with readers today, offering valuable insights into the complexities of politics, the nature of human society, and the challenges of governance. His emphasis on the importance of prudence, moderation, and the preservation of tradition provides a counterpoint to the often polarized and ideological discourse of contemporary politics. By revisiting Burke's ideas, we can gain a deeper understanding of the historical roots of our current political systems and the timeless principles that underpin them. This book is an essential read for anyone interested in political thought, history, or the enduring legacy of one of the most influential figures in Western civilization. Through a comprehensive examination of Burke's life, works, and historical context, readers will gain a fresh perspective on the enduring relevance of his ideas in shaping our understanding of politics and society today. If you like this book, write a review.

**The orator's guide, or The practice and power of eloquence** John Antrobus (essayist.), 1862      **The Orator's Guide, Or, Rules for Speaking and Composing**, 1822      *The Orator's Guide, Or the Practice and Power of Eloquence, Comprising Elocution, Composition, and Rhetoric ... Copiously Illustrated from Models of Excellence, Ancient and Modern* John ANTROBUS (Essayist.), 1862      **Achebe the Orator** Chinwe Okechukwu, 2001-03-30 Taken together Chinua Achebe's five novels *Things Fall Apart* 1958, *No Longer at Ease* 1960, *A Man of the People* 1966, *Arrow of God* 1967, and *Anthills of the Savannah* 1988 encompass the entire social, historical, and political experiences of Nigeria from precolonial times to the close of the 20th century. Central to these experiences is the clash of Igbo culture with the ways of the West. The novels show a society that has been fragmented and a people who are striving to reconstruct a world that they lost during their encounter with colonialism. Achebe has stated that his main purpose for writing is to reveal the truth about his people and their culture. This book examines his use of rhetoric to accomplish that objective. Achebe's writings are fraught with rhetorical devices, and he has harnessed the power of oratory to show how his society has responded to the African colonial encounter and its aftermath. He uses oratory and rhetoric to both educate and persuade his readers and to delineate his characters. Because of the central role of language in his novels, his

writings illustrate the nature of discourse among the Igbo as well as the larger Nigerian community This volume presents a broad overview of rhetoric throughout Achebe's works and demonstrates how he uses the novel genre for persuasive purposes

**Ethics and the Orator** Gary A. Remer, 2017-03-14 Succeeds admirably in showing how the study of Cicero's political thought can still be relevant for modern debates in political philosophy Political Theory For thousands of years critics have attacked rhetoric and the actual practice of politics as unprincipled insincere and manipulative In *Ethics and the Orator* Gary A Remer disagrees offering the Ciceronian rhetorical tradition as a rejoinder Remer's study is distinct from other works on political morality in that it turns to Cicero not Aristotle as the progenitor of an ethical rhetorical perspective *Ethics and the Orator* demonstrates how Cicero presents his ideal orator as exemplary not only in his ability to persuade but in his capacity as an ethical person Remer makes a compelling case that Ciceronian values balancing the moral and the useful prudential reasoning and decorum are not particular only to the philosopher himself but are distinctive of a broader Ciceronian rhetorical tradition that runs through the history of Western political thought post Cicero including the writings of Quintilian John of Salisbury Justus Lipsius Edmund Burke the authors of *The Federalist* and John Stuart Mill Gary Remer's very fine new book could not be more familiar or more central to contemporary politics *Perspectives on Politics* Well illustrates ways in which Cicero was perhaps the classical political thinker most concerned with the transcendence of the common good *The Review of Politics*

**The orator, a treasury of English eloquence** Orator, 1864

**The Orators and Their Treatment of the Recent Past** Aggelos Kapellos, 2022-12-05 This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of it and the unwillingness of the citizens to hear the truth make self criticism and take responsibility for bad results Twenty eight scholars have written chapters to this end dealing with a wide range of themes in terms both of contents and of chronology from the fifth to the fourth century B C Each contributor has written a chapter that analyzes one or more historical events mentioned or alluded in the corpus of the Attic orators and covers the three species of Attic oratory Chapters that treat other issues collectively are also included The common feature of each contribution is an outline of the recent events that took place and influenced the citizens and or the city of Athens and its juxtaposition with their rhetorical treatment by the orators either by comparing the rhetorical texts with the historical sources and or by examining the rhetorical means through which the speakers model the recent past This book aims at advanced students and professional scholars This volume focuses on the representation of the recent past in classical Athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the Athenians to make an objective assessment of persons and events of the recent past and their unwillingness to hear the truth make self criticism and take responsibility for bad results
