The Ordeal Of Bridget Elia:

The Ordeal of Bridget Elia Ernest C. Ross,1983 The Ordeal of Bridget Elia Ernest Carson Ross,1940 **Fatal Women of Romanticism** Adriana Craciun,2002-12-12 Incarnations of fatal women or femmes fatales recur throughout the works of women writers in the Romantic period Adriana Craciun demonstrates how portrayals of femmes fatales or fatal women played an important role in the development of Romantic women s poetic identities and informed their exploration of issues surrounding the body sexuality and politics Craciun covers a wide range of writers and genres from the 1790s through the 1830s She discusses the work of well known figures including Mary Wollstonecraft as well as lesser known writers like Anne Bannerman By examining women writers fatal women in historical political and medical contexts Craciun uncovers a far ranging debate on sexual difference She also engages with current research on the history of the body and sexuality providing an important historical precedent for modern feminist theory s ongoing dilemma regarding the status of woman as a sex

That Dangerous Figure Joseph E. Riehl,1998 The English poet Charles Lamb 1775 1834 stimulates reactions that often lie outside the boundaries of literary criticism reactions that are often motivated by ideological cultural or political concerns He poses particularly difficult even unanswerable questions that often provoke intemperate anger or great affection in readers Historically the first critical misunderstanding of Lamb is to see him as a radical later he is canonized a domestic saint in the 1930s he is a reactionary bourgeois More recently he is understood as a conscious artist first by New Critics as a transcendent optimist then in the post structuralist version as a tormented soul creating his artifice out of the limitations of human life This study a comprehensive history of reactions to Lamb proposes that perhaps Lamb is a literary trickster who delights in raising just those contradictions of modern life which thosewho attempt a systematic style of criticism would like to ignore

The Romantic Art of Confession Susan M. Levin,1998 The Romantic Art of Confession is about works specifically entitled confessions written during the Romantic period in Britain and France Reading these similarly conceived texts together illuminates uniquely the Romantic art of confession as it illuminates the written craft of self recollection and definition

A Literary History of England Vol. 4 A Baugh,2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another an placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789 1939

Mad Mary Lamb Susan Tyler Hitchcock,2005 After killing her mother with a carving knife Mary Lamb spent the rest of her life in and out of madhouses yet the crime and its aftermath opened up a new life Freed to read extensively she discovered her talent for writing and with her brother the essayist Charles Lamb collaborated on the famous Tales from Shakespeare This narrative of a nearly forgotten woman is a tapestry of insights into creativity and madness the changing lives of women and the redemptive power of the written word

Annual Bibliography of English Language and Literature , Romanticism and Women Poets Harriet Kramer Linkin,Stephen C. Behrendt,2021-10-21 One of the most exciting

developments in Romantic studies in the past decade has been the rediscovery and repositioning of women poets as vital and influential members of the Romantic literary community This is the first volume to focus on women poets of this era and to consider how their historical reception challenges current conceptions of Romanticism With a broad revisionist view the essays examine the poetry these women produced what the poets thought about themselves and their place in the contemporary literary scene and what the recovery of their works says about current and past theoretical frameworks The contributors focus their attention on such poets as Felicia Hemans Letitia Elizabeth Landon Charlotte Smith Anna Barbauld Mary Lamb and Fanny Kemble and argue for a significant rethinking of Romanticism as an intellectual and cultural phenomenon Grounding their consideration of the poets in cultural social intellectual and aesthetic concerns the authors contest the received wisdom about Romantic poetry its authors its themes and its audiences Some of the essays examine the ways in which many of the poets sought to establish stable positions and identities for themselves while others address the changing nature over time of the reputations of these women poets

Britain in the Hanoverian Age, 1714-1837 Gerald Newman, Leslie Ellen Brown, 1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families

Bacchus in Romantic England A. Taylor, 1998-11-11 *Bacchus in Romantic England* describes real drunkenness among writers and ordinary people in the Romantic age It grounds this reality in writings by doctors and philanthropists from 1780 onwards who describe an epidemic of drunkenness These commentators provide a context for the different ways that poets and novelists of the age represent drunkards Wordsworth writes poems and essays evaluating the drunken career of his model Robert Burns Charles Lamb's essays and letters reveal a real and metaphorical preoccupation with his own drinking as a way of disguising his personal suffering his companion Coleridge writes drinking songs essays about drunkenness and meditations about his own weakness of will that show both festive inebriety and consciousness of an inward abyss Coleridge's son Hartley whose fate his father had prophesied experiences drunkenness as the life long humiliation described in his poems and letters Keats's complex dionysianism runs through *Endymion* and the late odes setting him at odds with his temperate hero Milton Men in the Romantic age such as Sheridan Byron Moore and Clare celebrate rowdy friendship with tales and songs of drinking Romantic women novelists such as Smith Edgeworth and Wollstonecraft depict these men

stumbling home to abuse their wives Although excessive drinking is real in the period observers and participants can still maintain ambivalence about its power to release or to debase the human being **Young Charles Lamb, 1775-1802** Winifred F. Courtney,2015-12-22 Cyclopedia of World Authors Frank Northern Magill,1958 Cyclopedia of World Authors Fourth Revised Edition provides concise introductions to the lives and works of 2 408 authors from around the world and from antiquity to the present The set profiles important novelists short story writers playwrights poets screenwriters lyricists memoirists essayists biographers critics historians and philosophers as well as prominent figures in politics the sciences and the social sciences who wrote key works **The Letters of Charles and Mary Anne Lamb** Charles Lamb, Jr.,Mary Anne Lamb,2018-09-05 All of the available letters of Charles Lamb a master of the English essay and his sister Mary Anne published in this definitive scrupulously edited work The letters many of them written to illustrious figures of the Romantic period are generally agreed to rank among the finest in the English language Transcribing where possible from the originals or facsimiles Professor Marrs corrects textual errors found in previous editions and he pays particular attention to establishing precise dates for the correspondence He includes letters that were omitted from the last collection published in 1935 and long out of print and he has uncovered more than eighty letters never published before The Letters of Charles and Mary Anne Lamb totals five or six volumes and presents nearly 1200 letters written by Charles and Mary singly or together The correspondence is fully annotated the volumes are illustrated and the holographic idiosyncrasies of the originals are rendered typographically wherever possible Rich in revelations about the extraordinary lives of the Lambs these beautifully written letters are an inexhaustible store of information about the Romantic era and its major figures Wordsworth Keats and Coleridge The publication of unexpurgated and authoritative texts is an important literary event The first volume was published in 1975 the bicentenary of Charles Lamb s birth It contains 102 letters written by Charles many of them after Mary murdered their mother Among the recipients were the poets Coleridge Southey and Wordsworth The letters provide shrewd observations on his friends writings and his own vivid descriptions of life in London and compassionate but candid remarks concerning his family and acquaintances Notes to each letter place it in context quoting where necessary from the correspondence Lamb is answering Volume I includes Professor Marrs s extensive Introduction to the entire collection After supplying a biography of the Lamb family up to the murder he treats Mary s and Charles s life together until Charles s death tracing through the letters a relationship that remained warm and affectionate even under the shadow of Mary s insanity Professor Marrs also gives the publishing history of the letters and sets forth the principles upon which his edition is based
