The Ordinary House Of Love:

The Ordinary House of Love Theo Dorgan,1990 **The Eyes of Love** Barbara Cartland,2020-11-01 Although Scottish born and bred beautiful young Vara McDorn speaks with a refined English accent thanks to her education in the South which is why she is called upon to become Reader to the new Chieftain of the McDorn Clan who has been blinded by an Indian Fakir s curse while protecting the Viceroy at a Fort on the North West Frontier of India Troubled by his affliction and frustrated by his inability to understand the local Scots brogue the Chieftain the Earl of Dornoch soon comes to rely on Vara as his tutor in the customs and attitudes of his people as well as being his eyes on the estate And although he is terse and resentful at first Vara finds herself warming to this haughtily handsome Nobleman After taking him on an adventure that she hopes will restore his sight Vara catches Hamish the Earl s murderous relative a rival for the title of Chieftain attempting to stifle him with a pillow over his face and shoots him with her revolver saving the Earl s life Already Vara knows that she is in love with the Earl but even as she prays frantically for his blindness to be cured she frets and worries that he could be disappointed when finally he is able to see her The Curious History of Love Jean-Claude Kaufmann,2011-12-12 The one emotion that matters most to many people is the one about which social thinkers rarely speak love For many people love is the thing that matters most in their lives they are searching for love hoping to find in love a kind of happiness that they cannot find in their work or by surrounding themselves with material goods But where does this peculiar and powerful blending together of love and happiness come from and why do we find it such a compelling idea today In this short book Jean Claude Kaufmann offers a fresh account of the history of a feeling unlike any other The modern idea of love as passion was born in the 12th century but it was marginalized by the rise of a kind of instrumental calculating reason that became increasingly central to modern societies As calculating reason began to encroach on the personal domain many individuals sought to escape from it searching for happiness elsewhere As our societies become dominated by calculating reason and selfish individualism we search elsewhere for the kind of happy love that will heal all our wounds This is why we experience so many changes of heart in our personal lives at times we are coldly calculating and then a few moments later we sacrifice ourselves to love without a second thought Written by one of France s leading sociologists this highly readable book sheds new light on love and happiness and will resonate with many readers **The Look of Love** Paul Willetts,2013-04-04 For almost forty years Paul Raymond was one Britain s most scandalous celebrities Best known as the owner of the world famous Raymond Revuebar he was a successful theatre impresario property magnate and porn baron With his pencil moustache gold jewellery and taste for showgirls Raymond was both the brash personification of nouveau riche vulgarity and exemplar of the entrepreneurial spirit that enabled a poor boy from Liverpool to become Britain s richest man Like 24 Hour Party People we want to capture the life of an extraordinary man living in extraordinary times Steve Coogan *Woman's Work.
