WILLIAM HUMPHREY

THE ORDWAYS

A NOVEL

The Ordways

Ashby Bland Crowder

The Ordways:

The Ordways William Humphrey, 2015-02-17 Good writing is rare enough Storytelling is an even rarer skill A genuinely comic vision is beyond price The Ordways has all three Time On the annual graveyard working day in Clarksville Texas families come from all over East Texas to pay respects to their loved ones The Ordways are one such clan and in this eloquent and original novel our narrator recounts the story of how he and his kin arrived in this magical land where the South meets the West The tale begins with his great grandfather Thomas Ordway who lost his sight at the Battle of Shiloh and vowed to quit Tennessee forever He crossed the Red River into Texas and stopped on the edge of the featureless prairie a landscape too mystifying even for a sightless man Years later the narrator s grandfather Sam Ordway was forced to leave the forest behind when his three year old son Ned was kidnapped by a neighbor Sam scoured the vast state of Texas in search of Ned but never found the boy The mystery of what happened to him and what his long hoped for return might mean to the Ordways brings William Humphrey s brilliant second novel to its rich and satisfying conclusion A masterful blend of comedy tragedy and history The Ordways is great American fiction in the tradition of William Faulkner and Mark Twain This ebook features an illustrated biography of William Humphrey including rare photos from the author s estate *Bad Girls at Samarcand* William Humphrey, 1997-05-01 *Massachusetts Reports* Massachusetts. Supreme Judicial Court, 1872

William Humphrey Bert Almon, 1998 This is the first full length study of the life and writings of the Texas novelist William Humphrey who died August 21 1997 Based on research in Humphrey s vast archives at the University of Texas it provides the first full picture of his life and identifies many untraced sources of his work The guiding principle is an exploration of Humphrey s satire on life destroying myths the myths of the hunter the South the cowboy hero the Depression era outlaw and supremely the myth of Texas To his dismay Humphrey was often seen as a celebrator of these myths **Wakeful Anguish** Ashby Bland Crowder, 2004-01-06 In this deeply felt biography Ashby Bland Crowder treats in near definitive fashion one of southern literature s unjustly neglected masters In superb novels like *Home from the Hill* *The Ordways* and *Proud Flesh* as well as in the brilliant story collections *The Last Husband* and *A Time and a Place* William Humphrey 1924 1997 created an imaginary East Texas Red River County conjuring the speech and life rhythms of his native territory with artistic genius Crowder s lyrical blending of biographical fact and incisive analysis corrects a mistaken view that Humphrey was among those writers mired in the pious cult of southern delusionary remembrance From early short fiction set in a New York commuter village through late works of the Northeast such as *Hostages to Fortune* and *September Song* Humphrey allowed himself a psychic distance from the South that fueled an unsparing critique of its myths exemplified by the fierce deconstruction of Texas heroes found in his last novel *No Resting Place* In a poignant discussion of Humphrey s memoir *Farther Off from Heaven* Crowder demonstrates that the tragic death of his father led to Humphrey s overriding fictional themes of pain and inconsolable loss Indeed Crowder asserts that Humphrey failed to achieve literary renown in part

because he evokes emotional experiences beyond what most people can endure Humphrey's fiction derives its power from refusing to indulge in the false consolations of vanished people and history from showing that living in the southern past is not living at all *Wakeful Anguish* is among the first books about William Humphrey and will be greeted as one of the finest Marshalling unpublished archival letters interviews with persons who knew Humphrey at different stages in his life and private correspondence and conversations between Humphrey and himself Crowder achieves something rare in literary biography a portrait that reveals both the sustained suffering in an author's life and work and his exultation in the triumph of his art **New England Magazine** ,1898 **The New England Magazine** ,1898 **Reinventing the South** Mark

Royden Winchell,2006 Surveys the revivification and reinvention of southern culture and literature and the influence of the Agrarians Fugitives New Critics and popular writers including John Gould Fletcher Robert Penn Warren Monroe K Spears Walter Sullivan William Faulkner Tennessee Williams William Humphrey and Cormac McCarthy Provided by publisher

The Curious Death of the Novel Louis D. Rubin, Jr.,1999-03-01 One of the country's more perceptive younger critics Louis Rubin is well known for his commentaries on the literature of the South These essays selected from his critical works over a period of more than a dozen years reflect his wider concern with the whole spectrum of American literature In the title essay Rubin treats tired literary critics and the often heard pronouncement that the novel is dead He argues that the response of novelists to our difficult and demanding times will doubtless be what the response of writers to difficult and demanding times always has been namely difficult and demanding works of literature Another essay The Experience Difference Southerners and Jews is a perceptive examination of the parallels in different factors and cultural experiences which brought Southern and Jewish writers to prominence Rubin explores the potential pitfalls for Southern writers today in an essay called Getting Out From Under William Faulkner Edgar Allan Poe's position in American literary history and H L Mencken's role as a literary critic and an artist of destruction who cleared the way and created an audience for the major American writers of the twenties are dealt with in other essays The collection includes imaginative studies of Henry James Mark Twain Edmund Wilson and Karl Shapiro Several Southern writers including Faulkner Ellen Glasgow Robert Penn Warren Flannery O'Connor and James Branch Cabell also come under Rubin's scrutiny *Far from Home* Ashby Bland Crowder,2008-01-01 Often compared to William Faulkner renowned American writer William Humphrey 1924-1997 sought to shatter myths about the South in such acclaimed novels as *Home from the Hill* *The Ordways* and *Proud Flesh* and in his voluminous short stories critical essays and memoirs This collection of Humphrey's best letters deserves space on the bookshelf alongside these earlier works Beginning in the 1940s when as a true starving artist he wore borrowed clothes and could afford only one meal a day the letters move to his time as a goatherd his stint as a teacher at Bard College and his middle years in Europe They continue as he returns to America and teaches at Washington and Lee MIT Princeton and Smith and decrease in number as his health declines in the late 1980s and early 1990s Humphrey corresponded with some of the

central figures in the literary and intellectual life of the twentieth century including writers such as Katherine Anne Porter and Leonard Woolf and the publishers Alfred and Blanche Knopf. These letters present a vivid picture of Humphrey as he provides commentary on his contemporaries through personal observations combined with sharp critical judgments. Humphrey amuses readers with witty anecdotes and charming tales including a hilarious account of Christmas dinner with Robert Lowell, a story about British intellectual Cyril Connolly's near arrest in New York City, and a series of enchanting misunderstandings between Humphrey and his French publisher. The letters also provide remarkable insights into Humphrey's own works, showing him to be a man happiest when he forgot about himself, also prone to plunging into despondency. The correspondence unforgettably reveals his troubled soul and his life as a quintessential artist, a man with the unswerving drive to make a lasting contribution to American literature.

Codes and Consequences Carol Myers-Scotton, 1998. The author explores the implications of the phenomenon known as codeswitching, where in given situations different people with access to the same linguistic repertoire or one person in various situations will make different linguistic choices.

Night Has a Thousand Eyes Cornell Woolrich, 2021-11-15. In Woolrich's iconic tale, Detective Tom Shawn saves a lovely young woman from a suicide attempt one night and later hears her story. She is in despair because the death of her wealthy father has been predicted by a confident man seemingly gifted with the power of clairvoyance, a man whose predictions have unerringly aided her father in his business many times before. Shawn and a squad of detectives investigate this dire prediction and try to avert the millionaire businessman from meeting his ordained end at the stroke of midnight. One of Cornell Woolrich's most influential novels, this classic noir tale of a man struggling with his ability to see the future is arguably the author's best in its depiction of a doomed vision of predestination.

The Bay State Monthly, 1898

Lone Star Mind Ty Cashion, 2018-11-01. There is the story the Lone Star State likes to tell about itself, and then there is the reality, a Texas past that bears little resemblance to the manly Anglo myth of Texas exceptionalism that maintains a firm grip on the state's historical imagination. *Lone Star Mind* takes aim at this traditional narrative, holding both academic and lay historians accountable for the ways in which they craft the state's story. A clear-sighted, far-reaching work of intellectual history, this book marshals a wide array of pertinent scholarship, analysis, and original ideas to point the way toward a new, usable past that twenty-first-century Texans will find relevant. Ty Cashion fixes T. R. Fehrenbach's *Lone Star: A History of Texas and the Texans* in his crosshairs, in particular laying bare the conceptual deficiencies of the romantic and mythic narrative the book has served to codify since its first publication in 1968. At the same time, Cashion explores the reasons why the collective efforts of university-trained scholars have failed to diminish the appeal of the state's iconic popular culture, despite the fuller and more accurate record these historians have produced. Framing the search for a collective Texan identity in the context of a post-Christian age and the end of Anglo male hegemony, *Lone Star Mind* illuminates the many historiographical issues besetting the study of American history that will resonate with scholars in other fields as well. Cashion proposes that a cultural history approach

focusing on the self interests of all Texans is capable of telling a more complete story a story that captures present day realities Writing in the Southern Tradition Ashby Bland Crowder,2021-11-01 **Cases on Equity Jurisdiction ...** James Brown Scott,1906 *The Montrose Fire 'Murder'* Frank Dressler,2006-08 Chip Brown a retired diplomat is living in the family manse in Montrose Pennsylvania when he receives a note threatening death by fire unless he returns the Yasna a liturgical work written and used by the followers of Zoroaster long before the time of Christ At the suggestion of retired Philadelphia homicide detective Kate Pierce Chip digs into the history of his diplomatic career that was terminated abruptly when his wife Henna was uncovered as a Soviet spy Follow Chip from quiet Montrose to Moscow as in a race against time he learns about Zoroastrianism tries to find out why someone would be willing to kill to retrieve the Yasna and uncovers things that Henna hid from him which ultimately put his life at risk *The Endless Mountains Murders* Frank Dressler,2003-05-06 Grace Akers is hung from a beam over the altar of the Harford Independent Bible Church and shortly thereafter on the first day of deer season her husband is shot dead on the property of the Smiley family Kate and Ben Pierce the new owners of a country home in Harford become involved in the case through Jenny Smiley the remarkable daughter of Pastor Paul Smiley after Jenny is attacked in a highly novel way The only obvious common denominator in the murders is the church But how could the church possibly be involved How is the question that tantalizes Brad Jackson Pennsylvania State Police criminal investigator While hardly a novice in investigating murder his murder caseload seldom exceeds more than one a year Once circumstances throw him together with Kate and Ben they all work together to bring the case to an explosive conclusion

Southern Writers Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject *Luther Nichols* Mary Stanbery Watts,1923
