The background of the cover is a dramatic sunset or sunrise sky with vibrant orange, red, and yellow clouds. In the foreground, three dark, silhouetted crosses of varying heights stand on a dark, rolling hill. The crosses are positioned in a slightly diagonal line from left to right. The overall mood is somber and reflective.

**The Other Cross** Mildred Stevens Johnson, 2002-07 Journalist Betsy Israel chronicles the ever changing life of the single woman since the late 1800s     [The Lenten Sourcebook](#) Herbert Lockyer, 2013-01-01 Identifying with Our Savior's Sacrifice The observance of Lent says to all believers Remember Jesus Christ As they remember their Savior and His sacrifice they will find themselves more closely identified with Him In this comprehensive source book for the Lenten season best selling author Dr Herbert Lockyer helps believers to reflect upon this significant time through Helpful explanations of the origin and observance of Lent Meaningful preparations for the season Compelling program ideas for Holy Week Good Friday and Easter Sunday Poignant parables and illustrations Fitting prayers hymns and poems Moving scripts for Passion plays Useful sermon outlines Here is a tremendous resource for individuals and church leaders one that will help teach and lead believers in understanding and worshipping their Savior on the road to Calvary     **How Safe Is Your Soul?** Sos M. C. F. Deiparine, 2011-12 How Safe Is Your Soul will help you know and understand that our greatest purpose in this life is to answer the calling of God to be like Him Be holy and be perfect for God is Nobody is perfect is a deceitful cliché and a pathetic excuse discouraging many not to respond to this glorious calling to become God in God Wide indeed is the path to perdition because of our diminishing desire to become a saint Narrow is the way to God and heaven because many have their own priority and personal agenda contrarious to God's This book is for everyone reminding us that we have a greater purpose more than our own The SOS Missionaries is inviting you to join us in the mission of serving and saving souls We have a formation program suited for everyone who desire to participate in the mission of the church saving all souls     *Fire Vision* Steven Harrison, 2018-07-17 Within the pages of the Holy Bible the Lord God Almighty used fire in powerful ways to deliver His message His authority became apparent when He brought or sent fire down A few excellent illustrations include Elijah and the prophets of Baal the three young men in the fiery furnace Sodom and Gomorrah and Moses at the burning bush and the tongues of fire on the day of Pentecost Consider also our largest visual source of fire and heat The solar sun eclipses and blood moons are often considered as key events or signs in God's Word Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire The amazing images in my bedroom later told the story of my heart attack The Holy Spirit unlocked these images by His Word through time The Cokeville miracle story also has a detailed fire image that was burned into the wall Its message had been well hidden until now Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things The single most important and unanswered question for many people today remains a mystery Ask yourself How will the King of kings see me     *The Cross in Tradition, History, and Art* William Wood Seymour, 1898 This work discusses the cross throughout history from prehistoric times to modern day Found within are chapters entitled cross before the Christian Era and in prehistoric times types of the cross early form and

use of the cross legends of the cross true cross and its traditionary history title of the cross doctrinal teaching of the crucifixion cross and crucifix in early Christian art various types of crosses varieties of the cross objects with the cross on them sign of the cross Puritan objections to the cross and miscellaneous crosses B N     *The Theological Anthropology of Eustathius of Antioch* Sophie Cartwright,2015-10-01 This authoritative study explores Eustathius of Antioch s theological anthropology offering insight into one of the most important thinkers of the early Arian controversy Sophie Cartwright situates Eustathius thought in relation to the early Arian controversy the Constantinian Revolution the theological legacies of Irenaeus and Origen and the philosophical commentary tradition She also locates Eustathius within his historical context and provides a detailed overview of the sources for his complex and fragmented corpus Eustathius anthropology is indebted to a tradition shaped by the theology of Irenaeus that had already come into conversation with Origen Dr Cartwright suggests that Origen s own thought was indebted to Irenaeus but that he had a radically different cosmology this shaped subsequent engagement with both thinkers Eustathius theology of embodiment draws on Irenaeus in opposition to what he perceives as the Origenist and Platonist anthropology which in his anti Arian works he associates with Eusebius of Caesarea However he is deeply indebted to Origen for his doctrine of Christ s human soul and consequently his wider psychology He places humanity at a great distance from God and seeks to give humanity autonomous value especially in his discourse on God s image This represents one logical negotiation of the rejection of Origen s eternal intelligible world Eustathius divisive Christology offers a picture of Christ as the perfect human being that echoes Irenaeus Adam Christ typology fleshed out by an Origenian discourse on Christ s human soul and infused with a keen awareness of the chasm between God and humankind He proffers a doctrine of inherited sinfulness as an alternative to Origen s doctrine of the fall and looks to a corporeal eschatological kingdom ruled over by the human Christ this eschatology probably reflects discomfiture with Constantine s role in the church     *Hades* Henry Constable,2023-09-23 Reprint of the original first published in 1873     **Hades; or, the**

**Cum Dudum** Pope Benedict XII,D.P. Curtin,2021-11-01 During the late Crusader period the Roman Catholic Church and the Armenian Apostolic Church attempted to establish an ecclesiastical union under the auspices of similar doctrines and as a means of political alliance with the Latin held crusader states This attempt at union was short lived and merited little in terms of ecumenical dialogue In 1341 Pope Benedict XII issues this document serving as a polemic against members of the Armenian Church which did not see eye to eye with Rome in terms of doctrine and ecclesiology
