## Sexual acts with wife, including oral or anal, not a rape, consent not needed: Madhya Pradesh HC

SlightDay7126 · 1h

All people are conveniently ignoring the fact that a law doesn't exist in in the vacuum. These judges hear the cases of this type more often than us human being who gts outraged by one headline. And any judgement given in favour of her willnot only go against precedent , but will also create another precedent where such law will be flagrantly misused.

People forget that rape in India is one of the most serious offence in our law books, arguably even stricter than murder charges. And the burden of proof in most cases lies with defendant. Hence Marital rape as a concept can never be realized in India until , the marriage law remain hostile in India. The bunch of that an agrived women can force upon a man due to a nasty breakup, is already a big problem and now add on to that mrotal rape, would be asking innocent men to just kill themselves.

And those who will argue about what about the women who are actual victims of the real problem of Marital rape, I would say I have sympathy for them , similar to how you should have sympathy for those men who are implicated under bunch of false cases like dowry and domestic violence.

Again, The whole regime doesn't work in vacuum , and these judges are far more experienced to give judgements than me or you who just keyboard warriors with no real life experience on the ground, where as these judges do their jobs day in and day out on these same issues.

THE MAN WHO RAPES? SHOULD BE CASTRATED Pratham Mittal, Rishav Banerjee, Tamara Nasevska, 2022-01-26 The Man Who Rapes Should Be Castrated is an international Book which is compiled by Pratham Mittal from India Tamara Nasevska from Macedonia and Rishav Banerjee from India following their tireless dedication and surpassing expectations to air out emerging issues in our society today This book is predicated on Rape Culture We live within a society where women are worshipped as goddesses and on the other side they re getting raped every minute Rape cases are increasing every minute in world and it s become a critical issue in our society Human service providers are being asked to affect this serious social problem Most are finding the cause behind this heinous crime which is somewhere related to our history but nobody wants to debate the history because it shows the rapes of women in the world and a couple of dark truths which can hurt the emotions of the various people Show quoted text      **"A Zoo of Lusts...A Harem of Fondled Hatreds"** Deveryle James, 2011-05-25 A Zoo of Lusts A Harem of Fondled Hatred An Historical Interrogation of Sexual Violence against Women

in Film explores the pernicious nature of rape in films from the silent era to the 21st century Film is an excellent medium through which to hold this discussion because film like the body as Judith Butler et al suggest is fluid and indeterminate and it is often contemplated as a site for negotiation and resistance This book addresses three major questions 1 why does rape persist as a recurring theme in film 2 how is this subject manifested in film and 3 what does this manifestation say about the act of rape itself its victims its perpetrators and our culture Rape is a sexual manifestation of aggression with the purpose of overpowering humiliating and hurting its victims An examination of media accounts has revealed that before the evolution of feminist film theory and the dismissal of the Production Code the rape victim in films usually fits into one neat set of criteria e g young adult white single middle class heterosexual When the victim s physical makeup deviated from the traditional set of criteria e g a child or a mature person of color married poor homosexual the rape was portrayed more violently The research for this book dwells on the portrayal of the latter type of victims because their sexual violations evoke an absorbing commentary on society s reaction toward those who do not easily fit within the status quo What is it about the makeup of these victims that makes their violations more horrific

MacKinnon,2007-11-30 More than half a century after the Universal Declaration of Human Rights defined what a human being is and is entitled to Catharine MacKinnon asks Are women human yet She exposes the consequences and significance of the systematic maltreatment of women and its systemic condonation as she points toward fresh ways of targeting its toxic orthodoxies A critique of the

transnational status quo that also envisions the transforming possibilities of human rights this bracing book makes us look as never before at an ongoing war too long undeclared *Sexuality after War Rape* Nena Močnik, 2017-09-01 This book examines the potential impact of rape survivors traumatic experiences in post conflict zones With specific attention given to the experiences of women who were sexually abused during the breakup of the former Yugoslavia it addresses the sexuality of survivors which has so far been inadequately researched and challenges the stereotypical and victimized images and narrations that have so far prevailed in academic and public discourse about women survivors while exploring the effects of those narratives on the political social and economic status of the survivors themselves Methodologically innovative the book questions the processes of re victimization that can follow fieldwork with survivors and introduces the theoretical and practical foundations of applied drama and community theater as a research approach in this field revealing its potential as a means of expressing a range of ethnographic anthropological and case study research findings Based on the narratives of advocates scholars and different social stakeholders together with new drama based methodologies employed directly with survivors *Sexuality after War Rape From Narrative to Embodied Research* offers a sensitive and ethically responsible research approach to contesting assumptions about the sexualities of survivors of sexual violence and revealing the emancipatory potential of testifying This book will appeal to scholars of sociology and gender studies victimology and sexuality

**Plight and Fate of Women During and Following Genocide** Samuel Totten, 2017-07-05 The plight and fate of female victims during the course of genocide is radically and profoundly different from their male counterparts Like males female victims suffer demonization ostracism discrimination and deprivation of their basic human rights They are often rounded up deported and killed But unlike most men women are subjected to rape gang rape and mass rape Such assaults and degradation can and often do result in horrible injuries to their reproductive systems and unwanted pregnancies This volume takes one stride towards assessing these grievances and argues against policies calculated to continue such indifference to great human suffering The horror and pain suffered by females does not end with the act of rape There is always the fear and reality of being infected with HIV AIDS Concomitantly there is the possibility of becoming pregnant Then there is the birth of the babies For some the very sight of the babies and children reminds mothers of the horrific violations they suffered When mothers harbor deep seated hatred or distain for such children it results in more misery The hatred may be so great that children born of rape leave home early in order to fend for themselves on the street This seventh volume in the Genocide series will provoke debate discussion reflection and ultimately action The issues presented include ongoing mass rape of girls and women during periods of war and genocide ostracism of female victims terrible psychological and physical wounds the plight of offspring resulting from rapes and the critical need for medical and psychological services

*The Bible in Crime Fiction and Drama* Caroline Blyth, Alison Jack, 2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to

explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell s Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence im morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture

**The Gendered New World Order** Jennifer Turpin,Lois Ann Lorentzen,2013-10-31 Ecological security seems increasingly precarious and battles over land and models of economic development now lead to military conflicts The Gendered New World Order addresses the compelling issue of how gender connects the global problems of militarism underdevelopment and environmental decay Scholars from around the world make connections between seemingly disparate issues such as refugees polluted waters bombed vilages massive dam projects starving children deforestation nuclear arms buildup and the rights of women

**Southern Slavery and the Law, 1619-1860** Thomas D. Morris,2004-01-21 This volume is the first comprehensive history of the evolving relationship between American slavery and the law from colonial times to the Civil War As Thomas Morris clearly shows racial slavery came to the English colonies as an institution without strict legal definitions or guidelines Specifically he demonstrates that there was no coherent body of law that dealt solely with slaves Instead more general legal rules concerning inheritance mortgages and transfers of property coexisted with laws pertaining only to slaves According to Morris southern lawmakers and judges struggled to reconcile a social order based on slavery with existing English common law or in Louisiana with continental civil law Because much was left to local interpretation laws varied between and even within states In addition legal doctrine often differed from local practice And as Morris reveals in the decades leading up to the Civil War tensions mounted between the legal culture of racial slavery and the competing demands of capitalism and evangelical Christianity

**Rape in Wartime** R. Branche,F. Virgili,2012-10-26 This collection offers a new reflection on rape in war time through 15 case studies ranging from Greece to Nigeria It questions the specificity of rape as a universal transgression its place in memories of war its legacies including children born from rape and the challenge of writing about intimate violence as both a scientist and a human

*Contemporary Theory* Musingafi, Maxwell Constantine Chando, Mafumbate, Racheal, Khumalo, Thandi Fredah, 2021-04-23

Much of our understanding of the world our societies and ourselves rests on theories and knowledge generated predominantly by men of certain nationalities and economic classes This male dominated and culturally specific theorizing and knowledge have generally resulted in the exclusion of women and other groups from the process of formal theorizing and knowledge building Feminism argues that the male dominated knowledge represents a skewed perception of reality and is only partial knowledge Feminism is a generalized wide ranging system of ideas about social life and human experience developed from a woman centered perspective It treats women as the central subjects in the investigative process and seeks to see the world from the distinctive vantage points of women in the social world The best way to empower women and better the situation for women is to take women s daily experiences and their informal theorizing into account and on this basis adopt feminist approaches to building theory and knowledge Philosophising Experiences and Vision of the Female Body Mind and Soul Historical Context and Contemporary Theory provides an overview and introduction to the study of feminist theory and practice in the social sciences This book provides a starting point for further and more advanced study of the nexus of feminism gender and development and translates feminist theory and concepts into practice The chapters investigate in a historical context mainstream and contemporary theories of feminism and gender studies This book is ideal for post graduate students of social science researchers of development management business management public governance and gender and development activists feminists and practitioners stakeholders researchers academicians and students interested in feminist theory and knowledge building
