Christian via negativa a mystical tradition that seeks God in the silence beyond language Lane rejects the easy affirmations of pop spirituality for the harsher but more profound truths that wilderness can teach us There is an unaccountable solace that fierce landscapes offer to the soul They heal as well as mirror the brokenness we find within It is this apparent paradox that lies at the heart of this remarkable book that inhuman landscapes should be the source of spiritual comfort Lane shows that the very indifference of the wilderness can release us from the demands of the endlessly anxious ego teach us to ignore the inessential in our own lives and enable us to transcend the false self that is ever obsessed with managing impressions Drawing upon the wisdom of St John of the Cross Meister Eckhardt Simone Weil Edward Abbey and many other Christian and non Christian writers Lane also demonstrates how those of us cut off from the wilderness might make some desert in our lives Written with vivid intelligence narrative ease and a gracefulness that is itself a comfort *The Solace of Fierce Landscapes* gives us not only a description but a performance of an ancient and increasingly relevant spiritual tradition **A Path**

Revealed Carlen Maddux, 2016-09-01 Just days after turning fifty Martha Maddux a spirited mother and civic activist was told she had Alzheimer s disease She and husband Carlen felt as though they d been shoved out of a plane 10 000 feet up with nothing to grab but themselves *A Path Revealed* is not about the fallout from an insidious disease that extended over seventeen years It is the story of a path of hope emerging during the darkest hours a path that lifted Carlen and Martha above the devastating symptoms of this disease Carlen traveled with Martha to the backwoods of Kentucky where the quiet presence of a Catholic nun revealed a hidden path He was forced to slow down as he traced this path halfway around the world to Australia retreated weekends to a monastery embraced meditation and landed all alone in Thomas Merton s cabin This story conveys a message of hope and joy in the midst of an almost overwhelming tragedy Theological Context for Pastoral Caregiving William M Clements, Howard W Stone, 2013-09-05 In *Theological Context for Pastoral Caregiving* Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone s work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author s theological understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care *Theological Context for Pastoral Caregiving* provides useful information for parish pastors people in training to be parish

Murphy Marcia A.

Murphy,2020-03-30 The psychotic break occurred when I was in the vulnerable twenties for me a naive time of adventure and risks and I was devastated Only later was I to learn that psychotic episodes and hallucinations may have real world significance My own experience told me this but the view of scientific psychiatry that was drummed into me by family counselors doctors etc made me doubt Yet I knew something momentous had happened and I wanted to know what and what it meant for my life The search took me to the library the public library the university library the health sciences library and there I found books that some of them told a different story There I was to learn that the mind is more than the workings of the material brain I was to find that mental illness including psychotic episodes can be a means of personal transformation and may have spiritual significance *15 Ways to Nourish Your Faith* Susan Shannon Davies,1998 Acknowledging that different people need different paths to God the author explores a wide range of ways in which the spiritual life can be enhanced and the soul nourished **Seeds of the Spirit** Richard H.
