Skin Poems By Barbara Hamby:

Skin Barbara Hamby, 1995 *Babel* Barbara Hamby, 2004-11-07 *Babel* features more of the rhetorical acrobatics that fueled Barbara Hamby's earlier work. These whirlwinds of words and sounds form vistas, images and scenes that are at once unique and immediately recognizable. In poems such as *Six Sex Say* she displays a linguistic bravado that moves effortlessly through translations, cognates and homonyms. This love of words permeates the poems from the husband wooing his future wife with a barrage of words so cunningly fluent, so linguistically adroit in *Flesh Bone and Red* to the alphabetic sampler woven from memory and love in *Ode on My Mother's Handwriting*. Hamby's poems drift across histories and continents from early writing and culture in Mesopotamia through the motion picture heaven that seems so much like Paris to odes on such thoroughly American subjects as hardware stores, bubblegum, barbecue and sharp-tongued cocktail waitresses giving mandatory pre-date quizzes to lawyers and orangutans in the guise of men. As Booklist noted in reviewing her previous collection, Hamby's poems are tsunamis carrying you far out to sea and then back to shore, giddy and glad to be alive.

Seriously Funny Barbara Hamby, David Kirby, 2010 Can serious poetry be funny? Chaucer and Shakespeare would say yes, and so do the authors of these 187 poems that address timeless concerns but that also include comic elements. Beginning with the Beats and the New York School and continuing with both marquee name poets and newcomers, *Seriously Funny* ranges from poems that are capsized by their own tomfoolery to those that glow with quiet wit to ones in which a laugh erupts in the midst of terrible darkness. Most of the selections were made in the editors' battered compact car, otherwise known as the *Seriously Funny Mobile Unit*. During the two years in which Barbara Hamby and David Kirby made their choices, they'd set out with a couple of boxes of books in the back seat and whoever wasn't driving read to the other. When they found that a poem made both of them think but laugh as well, they earmarked it. Readers will find a true generosity in these poems: an eagerness to share ideas and emotions and also to entertain. The singer Ali Farka Touré said that honey is never good when it's only in one mouth, and the editors of *Seriously Funny* hope its readers find much to share with others. **Holoholo**

Holoholo Barbara Hamby, 2021-02-23 *Holoholo* is the Hawaiian word for walking out with no destination in mind. In the three sections of this book, Barbara Hamby walks out into the current American chaos with its inferno of wars, street violence, apocalyptic fantasies and racial tension. Fueled by an American lingo that embraces slang, Yiddish street talk and the yearning to be able to describe her moment in time, these poems encompass the complicated past, difficult present and unknown future. Every foray offers a glimpse of the world constructed from one woman's collage of consciousness. *Ode on My Nightingale*: My nightingale is the conquistador of moonlight, the engine of divine hullabaloo, the dance party of shining headlights on a dark road past midnight, the thrill of that first kiss in the battered Chevette, the wrong turn that made me burn my map, clap twice, summon my djinn. My nightingale is the stake in my heart that can't be dislodged, the hodgepodge of my brain at two a.m. when the drunks have gone home or passed out in the street. My nightingale trills in the darkness, thinks of nothing but his

song says forget me at your peril for I am the tiara of rain that falls from the purple sky the lies you tell yourself to wake up from your dreams so listen for my song will fade into nothing but nothing is made without me I am the cosmologist of the atomic high priest of everything you never wanted to be all your hijacked dreams the screams in the middle of night the beam of starlight on the river of sleep for we are alone my darling on this planet of night and I am your little god your drinking water straight from the stream for my song is spooling into the night forever and ever amen I am the derivative of sin O let me in *Burn* Barbara Hamby, 2025-10-07 The world is burning with fire and hatred but at the same time it is filled with love and incredible beauty The poems in *Burn* tango with why the world is so beautiful and terrible at the same time Hamby asserts that everything is a mess how do we walk through it laughing and crying Sometimes you look back and think How was I so lucky I could have died a thousand times but I didn't But I will **On the Street of Divine Love** Barbara Hamby, 2014-01-21 Perhaps Paul Kareem Taylor said it best in his piece called *On the Road Again* Barbara Hamby's American Odyssey Reading Barbara Hamby's poetry is like going on a road trip one where the woman behind the wheel lets you ride shotgun as she speeds across the open highways of an America where drive-in movie theaters still show Janet Leigh films on Friday nights hardware stores have not been driven out of business by soulless corporate titans and where long poetic lines first introduced by Walt Whitman and resurrected by Ginsberg are pregnant with a thousand reasons to marvel at the world we inhabit [American Book Publishing Record](#), 1997-09 **Windows and Doors** Natasha Saje, 2014-08-06 A poetry handbook rooted in theory history and philosophy **The Poetry Gymnasium** Tom C.
