

Sky Girl

Fred Erisman

Sky Girl:

Videos that Teach Two Doug Fields, Eddie James, 2002 Contains 75 more clips from recent movies you can use to illustrate topics you teach on all the time with summaries of the movie and the clip start stop times Scripture references for Bible study and discussion starting questions to provoke discussions on subjects that matter to today's adolescents Ebony, 1963-06 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *The Sky Girl* Dorothy Verrill, 1930 **Femininity in Flight** Kathleen Barry, 2007-02-28 Femininity in Flight considers flight attendants as cultural icons looking at how attendants redeployed the glamourization used to sell air travel to campaign for professional respect higher wages and women's rights **From Birdwomen to Skygirls** Fred Erisman, 2009-11-30 Close on the heels of the American public's early enthusiasm over the airplane came aviation stories for the young From 1910 until the early 1960s they exalted flight and painted the airplane as the most modern and adventuresome of machines Most of the books were directed at boys however a substantial number sought a girl's audience Erisman's account of several aviation series and other aviation books for girls fills a gap in the history and criticism of American popular culture It examines the stories of girls who took to the sky of the sources where authors found their inspiration and of the evolution of aviation as an enterprise open to all From the heady days of early aviation through the glory days of commercial air travel girls' aviation books trace American women's participation in the field They also reflect changes in women's roles and status in American society as the sex sought greater equality with men As aviation technology improved the birdwomen of the pre World War I era capable and independent minded gave way to individualistic 1930s adventurers patterned on Amelia Earhart Jacqueline Cochran and other feminine notables of the air Their stories lead directly into the coming of commercial air travel Career stories paint the increasingly glamorous world of the 1940s and 1950s airline stewardess the unspoken assumptions lying behind that profession and the inexorable effects of technological and economic change By recovering these largely forgotten books and the social debates surrounding women's flying Erisman makes a substantial contribution to aviation history women's history and the study of juvenile literature This first comprehensive study of a long overlooked topic recalls aviation experiences long past and poses provocative questions about Americans' attitudes toward women and how those attitudes were conveyed to the young

Moments Matt Smith, 2024-02-12 About the Book Moments presents three pairs of people in three different types of relationships two strangers a mother and a father and a sister and a brother in highly relatable circumstances each of the individual scenes linked by a common theme Equally humorous and heartwarming the play examines the human condition how far we'd go for one another and how a little love can change everything Moments premiered in July 2014 at Manhattan Repertory Theatre in New York NY as part of that company's Summer Playwriting Festival Actors Linda Blackstock Doug Hartwyk Taylor Kate Manns Lennon Roberto and playwright Matt Smith rounded out the cast About the Author Matt Smith is

a New York based theatre and entertainment writer His work ranging from short interviews and listicles to lengthier features and reviews has appeared within a wide variety of theatrical publications including online at Playbill.com BroadwayWorld.com TheaterPizzazz.com and StageBuddy.com and in print in CityGuide Magazine Throughout his career Smith has also worked extensively in stage management as an editor as an actor and as a production assistant For more information visit www.matthsmiththeatre.com Moments is his professional playwriting debut Lazarus David Bowie, Enda Walsh, 2017-03-20 Beautiful a last transmission from a dying star Time Out One of the last works completed by beloved pop icon David Bowie before his death in early 2016 the otherworldly musical Lazarus is a poignant homage to his legacy Inspired by the 1963 novel The Man Who Fell to Earth Lazarus weaves a thrilling rock opera from new compositions by Bowie as well as many of his classic songs *The Law for Comic Book Creators* Joe Sergi, 2015-02-13 Since the creation of the comic book cases of legal conflict and confusion have often arisen where concepts such as public domain unincorporated entities and moral rights are involved As a result comics creators are frequently concerned about whether they are protecting themselves There are many questions and no single place to find the answers that is until now Entertaining as it instructs this book seeks to provide those answers examining the legal history of comics and presenting information in a way that is understandable to everyone While not seeking to provide legal advice this book presents the legal background in plain English and looks at the stories behind the cases Every lawsuit has a story and every case has lessons to be learned As these lessons are explored the reader will learn the importance of contracts the basics of copyright and trademark the precautions necessary when working with public domain characters and the effects of censorship **Sheena: Queen of the Jungle Vol.2**, Disparate Voices of Indian Women Playwrights Shirley Huston-Findley, 2019-11-13 Creating a Profession Disparate Voices of Indian Women Playwrights is a collection of plays demonstrating a broad variety of contemporary perspectives as told through the eyes of the women who created them The anthology is enhanced by significant interviews between each writer and the editor and an introduction filled with information about the profession of playwriting throughout India Details include the challenges of multiple languages throughout the country the lack of funding and rehearsal spaces the role of censorship the need for specific training and the influence of gender upon these writer's ability to find what one woman called brain space given the continuation of traditional gender expectations The Embarrassment of Being Human Benjamin Boysen, 2024-12-24 With the message that everything in a sense is alive thus allowing us to join forces with new politico ethical communities stretching across human and nonhuman realms the new materialisms have captivated the minds of many academics artists and intellectuals by stressing that it is time to return to a premodern mindset and discard modernity and its concepts of secularization autonomy and finitude The Embarrassment of Being Human not only demonstrates how these magical materialisms are beset by grave theoretical and practical inconsistencies and self contradictions It also demonstrates how their demand for humans to step down and allow for an emancipation of things qualifies the new materialisms as a

metaphysics of neoliberalism that reproduces and fortifies the self contradictions rampant in the current neoliberal hegemony While helping us to gain a comprehensive understanding of the tenets of the eerie ills of our epoch the critique of the new materialisms can furthermore inspire us to appreciate how the exact inversion of the new materialist complex amounts to a revitalization of the modern project A revitalization that is critical to think our epoch differently **In Their Own Words** Fred Erisman,2021-01-15 Amelia Earhart s prominence in American aviation during the 1930s obscures a crucial point she was but one of a closely knit community of women pilots Although the women were well known in the profession and widely publicized in the press at the time they are largely overlooked today Like Earhart they wrote extensively about aviation and women s causes producing an absorbing record of the life of women fliers during the emergence and peak of the Golden Age of Aviation 1925 1940 Earhart and her contemporaries however were only the most recent in a long line of women pilots whose activities reached back to the earliest days of aviation These women too wrote about aviation speaking out for new and progressive technology and its potential for the advancement of the status of women With those of their more recent counterparts their writings form a long sustained text that documents the maturation of the airplane aviation and women s growing desire for equality in American society In Their Own Words takes up the writings of eight women pilots as evidence of the ties between the growth of American aviation and the changing role of women Harriet Quimby 1875 1912 Ruth Law 1887 1970 and the sisters Katherine and Marjorie Stinson 1893 1977 1896 1975 came to prominence in the years between the Wright brothers and World War I Earhart 1897 1937 Louise Thaden 1905 1979 and Ruth Nichols 1901 1960 were the voices of women in aviation during the Golden Age of Aviation Anne Morrow Lindbergh 1906 2001 the only one of the eight who legitimately can be called an artist bridges the time from her husband s 1927 flight through the World War II years and the coming of the Space Age Each of them confronts issues relating to the developing technology and possibilities of aviation Each speaks to the importance of assimilating aviation into daily life Each details the part that women might and should play in advancing aviation Each talks about how aviation may enhance women s participation in contemporary American society making their works significant documents in the history of American culture

Publication ,1993 *Snowglobe 2* Soyoung Park,2025-05-06 The groundbreaking Korean phenomenon that Entertainment Weekly called The Hunger Games meets Squid Game continues with even more dark secrets and shocking surprises The temperature is rising and the truth at the center of Chobahm s frozen world will be revealed in the final installment of this epic dystopian saga Chobahm s perfect life in Snowglobe came crashing down when she discovered the truth about Haeri The girl she watched faithfully on television was far from perfect And the TV family revered by millions was nothing more than an illusion created by the sinister Director Cha But revealing the lies was only the first crack in the domed utopia Director Cha may be behind bars but the Yibonn Media corporation the corrupt entity that runs Snowglobe is still in power They ll do anything to hide their own secret the dark truth behind the domed city s signature warmth and when

footage emerges of Chobahm committing a murder she knows they re not finished with her yet The only person who can help to clear her name is none other than the disgraced Yibonn heir Bonwhe who knows better than anyone that enemies exist everywhere Sometimes you can t even trust yourself The heat is rising and with the soaring temperatures come new secrets And new lies *The Other Women's Movement* Dorothy Sue Cobble,2011-08-15 American feminism has always been about more than the struggle for individual rights and equal treatment with men There s also a vital and continuing tradition of women s reform that sought social as well as individual rights and argued for the dismantling of the masculine standard In this much anticipated book Dorothy Sue Cobble retrieves the forgotten feminism of the previous generations of working women illuminating the ideas that inspired them and the reforms they secured from employers and the state This socially and ethnically diverse movement for change emerged first from union halls and factory floors and spread to the pink collar domain of telephone operators secretaries and airline hostesses From the 1930s to the 1980s these women pursued answers to problems that are increasingly pressing today how to balance work and family and how to address the growing economic inequalities that confront us The Other Women s Movement traces their impact from the 1940s into the feminist movement of the present The labor reformers whose stories are told in *The Other Women s Movement* wanted equality and special benefits and they did not see the two as incompatible They argued that gender differences must be accommodated and that equality could not always be achieved by applying an identical standard of treatment to men and women The reform agenda they championed an end to unfair sex discrimination just compensation for their waged labor and the right to care for their families and communities launched a revolution in employment practices that carries on today Unique in its range and perspective this is the first book to link the continuous tradition of social feminism to the leadership of labor women within that movement *The Jet Sex* Victoria Vantoch,2013-03-05 In the years after World War II the airline stewardess became one of the most celebrated symbols of American womanhood Stewardesses appeared on magazine covers on lecture circuits and in ad campaigns for everything from milk to cigarettes Airlines enlisted them to pose for publicity shots mingle with international dignitaries and even serve in sequined minidresses as the official hostesses at Richard Nixon s inaugural ball Embodying mainstream America s perfect woman the stewardess was an ambassador of femininity and the American way both at home and abroad Young beautiful unmarried intelligent charming and nurturing she inspired young girls everywhere to set their sights on the sky In *The Jet Sex* Victoria Vantoch explores in rich detail how multiple forces business strategy advertising race sexuality and Cold War politics cultivated an image of the stewardess that reflected America s vision of itself from the wholesome girl next door of the 1940s to the cosmopolitan glamour girl of the Jet Age to the sexy playmate of the 1960s Though airlines marketed her as the consummate hostess an expert at pampering her mostly male passengers while mixing martinis and allaying their fears of flying she bridged the gap between the idealized 1950s housewife and the emerging working woman On the international stage this select cadre of women served as ambassadors of their nation in the

propaganda clashes of the Cold War The stylish Pucci clad American stewardess represented the United States as middle class and consumer oriented hallmarks of capitalism s success and a stark contrast to her counterpart at Aeroflot the Soviet national airline As the apotheosis of feminine charm and American careerism the stewardess subtly bucked traditional gender roles and paved the way for the women s movement Drawing on industry archives and hundreds of interviews this vibrant cultural history offers a fresh perspective on the sweeping changes in twentieth century American life The Great Mystery Neil Philip,2001 Presents a collection of Native American mythology from various tribes including their different perspectives on how the earth was started and how it will end **Parallel Myths** J.F. Bierlein,2010-06-16 Unusually accessible and useful An eye opener to readers into the universality and importance of myth in human history and culture William E Paden Chair Department of Religion University of Vermont For as long as human beings have had language they have had myths Mythology is our earliest form of literary expression and the foundation of all history and morality Now in **Parallel Myths** classical scholar J F Bierlein gathers the key myths from all of the world s major traditions and reveals their common themes images and meanings **Parallel Myths** introduces us to the star players in the world s great myths not only the twelve Olympians of Greek mythology but the stern Norse Pantheon the mysterious gods of India the Egyptian Ennead and the powerful deities of Native Americans the Chinese and the various cultures of Africa and Oceania Juxtaposing the most potent stories and symbols from each tradition Bierlein explores the parallels in such key topics as creation myths flood myths tales of love morality myths underworld myths and visions of the Apocalypse Drawing on the work of Joseph Campbell Mircea Eliade Carl Jung Karl Jaspers Claude Lévi Strauss and others Bierlein also contemplates what myths mean how to identify and interpret the parallels in myths and how mythology has influenced twentieth century psychology philosophy anthropology and literary studies A first class introduction to mythology Written with great clarity and sensitivity John G Selby Associate Professor Roanoke College **Ancient Aliens** C.M. Johnson,2017-12-13 Read Along or Enhanced eBook Each **Origins Urban Legends Close Encounters** eShort is a single chapter from the full **Origins Urban Legends Close Encounters** title packaged as a mini eBook **Origins Urban Legends Close Encounters** eShorts include **Ancient Aliens** **Abductions** **Crop Circles** and **UFOs** Close Encounters C. M. Johnson,2017-08-01 Strange lights are seen dancing above a ridge of mountains in Appalachia too quick to be satellites and too random to be planes Large symbols have been pressed into fields of crops visible from high in the air Are they messages or are they the work of people playing a trick **Close Encounters** part of Full Tilt s **Origins Urban Legends** series presents timelines stories and fun facts about aliens and UFOs Readers will discover thrilling tales of alien abductions and UFO sightings and will be invited to consider an age old question Are we alone in the universe or have alien lifeforms already made contact
