Slave Lover:

The Slave Lover Charlie "Chawtoma" Davis, 2015-03-16 When NYPD agent Dajahn Rocmah along with partner Delfori Bagans receives a distress call assistance from 911 one rainy Thursday night little did he know that he would be led to a woman that was like no other he'd met Except for the fact that Princess Martins Marelli was involved in a domestic argument with her wealthy estranged husband she seemed to be your typical bombshell blonde or so Rocmah thought Princess is in fact anything but vanilla She comes from a rich ancestry that began on a **Slavery and Social Death** Orlando Patterson, 2018-10-15 Patterson discusses the internal dynamics of slavery in 66 societies over time These include Greece and Rome medieval Europe China Korea the Islamic kingdoms Africa the Caribbean islands and the American South Slavery he argues is a single process of recruitment incorporation on the margin of society and eventual manumission or death **On Slavery's Border** Diane Mutti Burke, 2010-12-01 On Slavery's Border is a bottom up examination of how slavery and slaveholding were influenced by both the geography and the scale of the slaveholding enterprise Missouri's strategic access to important waterways made it a key site at the periphery of the Atlantic world By the time of statehood in 1821 people were moving there in large numbers especially from the upper South hoping to replicate the slave society they'd left behind Diane Mutti Burke focuses on the Missouri counties located along the Mississippi and Missouri rivers to investigate small scale slavery at the level of the household and neighborhood She examines such topics as small slaveholders child rearing and fiscal strategies the economics of slavery relations between slaves and owners the challenges faced by slave families sociability among enslaved and free Missourians within rural neighborhoods and the disintegration of slavery during the Civil War Mutti Burke argues that economic and social factors gave Missouri slavery an especially intimate quality Owners directly oversaw their slaves and lived in close proximity with them sometimes in the same building White Missourians believed this made for a milder version of bondage Some slaves who expressed fear of being sold further south seemed to agree Mutti Burke reveals however that while small slaveholding created some advantages for slaves it also made them more vulnerable to abuse and interference in their personal lives In a region with easy access to the free states the perception that slavery was threatened spawned white anxiety which frequently led to violent reassertions of supremacy **How to Love a Black Man** Ronn Elmore, 2025-05-01 As he sheds light on the hidden emotional psychological recesses of the black man's inner world Dr Elmore provides down to earth advice and real life anecdotes drawn from his seminars and radio call in shows to show women how to create the fulfilling relationship each partner wants and deserves **Slaves and Warriors in Medieval Britain and Ireland** David R. Wyatt, 2009 Modern sensibilities have clouded historical views of slavery perhaps more so than any other medieval social institution Anachronistic economic rationales and notions about the progression of European civilisation have immeasurably distorted our view of slavery in the medieval context As a result historians have focussed their efforts upon explaining the disappearance of this medieval institution rather than seeking to understand it This

book highlights the extreme cultural social significance of slavery for the societies of medieval Britain and Ireland c 800 1200 Concentrating upon the lifestyle attitudes and motivations of the slave holders and slave raiders it explores the violent activities and behavioural codes of Britain and Ireland s warrior centred societies illustrating the extreme significance of the institution of slavery for constructions of power ethnic identity and gender *Slaves and Religions in Graeco-Roman Antiquity and Modern Brazil* Dick Geary, Stephen Hodkinson, 2012-03-15 Slaves have never been mere passive victims of slavery Typically they have responded with ingenuity to their violent separation from their native societies using a variety of strategies to create new social networks and cultures Religion has been a major arena for such slave cultural strategies Through participation in religious and ritual activities slaves have generated important elements of identity shared humanity and even resistance within their lives This volume presents papers from a conference of the University of Nottingham s Institute for the Study of Slavery the only UK centre studying its history from antiquity to the present It breaks new ground by juxtaposing slave strategies within the diverse religious cultures of Graeco Roman antiquity and modern Brazil After a wide ranging historiographical survey eleven experts examine how in both societies slave religious activities involved both constraints and opportunities shedding particular new light on the neglected religious strategies of Graeco Roman slaves

Slaves in the New Testament James Albert Harrill, In this exciting new analysis of slaves and slavery in the New Testament Harrill breaks new ground with his extensive use of Greco Roman evidence discussion of hermeneutics and treatment of the use of the New Testament in antebellum U S slavery debates He examines in detail Philemon 1 Corinthians Romans Luke Acts and the household codes **The Cambridge Companion to Slavery in American Literature** Ezra Tawil, Ezra F. Tawil, 2016-03-29 This book brings together leading scholars to examine slavery in American literature from the eighteenth century to the present day Studies on Greek Law, Oratory and Comedy Authored by Douglas M. MacDowell, Ilias Arnaoutoglou, Konstantinos Kapparis, Dimos Spatharas, 2017-09-22 Douglas M MacDowell 1931 2010 was a scholar of international renown and the articles included here cover a significant area of classical scholarship discussing Athenian law law making and legal procedure Old Comedy comedy and law politics and lexicography All of these articles published between 1959 and 2010 bear the characteristic marks of his scholarship precision balanced judgement brevity and deep learning they are rational and sober accounts of complicated and controversial issues Many of these essays are virtually inaccessible as they were originally published in celebratory volumes or article collections which are now out of print or difficult to find outside major libraries This collection of MacDowell s articles will make these works available to a broad scholarly audience and make it easier to bring this scholarship to the classroom as part of courses in Classics ancient history legal history and theatre studies The volume includes a biography of MacDowell by Christopher Carey based on the testimony of his closest colleagues and personal friends which was presented to the British Academy A History Lover's Guide to Richmond Kristin T.
