Robert C. Williams

Slave States In The Presidential Election Of 1860:

The Presidential Campaign of 1860 Emerson David Fite, 1911 *The Slave Power* Leonard L. Richards, 2000-08-01

From the signing of the Constitution to the eve of the Civil War there persisted the belief that slaveholding southerners held the reins of the American national government and used their power to ensure the extension of slavery. Later termed the Slave Power theory, this idea was no mere figment of a lunatic fringe's imagination. It was as Leonard L. Richards shows in this innovative reexamination of the Slave Power endorsed at midcentury by such eminent and circumspect men as Abraham Lincoln, William Henry Seward, Charles Sumner, the editors and owners of the *New York Times* and the *Atlantic Monthly*, and the president of Harvard College. With *The Slave Power*, Richards reopens a discussion effectively closed by historians since the 1920s when the Slave Power theory was dismissed first as a distortion of reality and later as a manifestation of the paranoid style in the early Republic and attempts to understand why such reputable leaders accepted this thesis wholeheartedly as truth and why hundreds of thousands of voters responded to their call to arms. Through incisive biographical cameos and narrative vignettes, Richards explains the evolution of the Slave Power argument over time, tracing the oft-repeated scenario of northern outcry against the perceived slaveocracy followed by still another victory for the South: the three-fifths rule in congressional representation, admission of Missouri as a slave state in 1820, the Indian removal of 1830, annexation of Texas in 1845, the Wilmot Proviso of 1847, the Fugitive Slave Law of 1850, and more. Richards probes inter- and intraparty strategies of the Democrats, Free Soilers, Whigs, and Republicans and revisits national debates over sectional conflicts to elucidate just how the southern Democratic slaveholders, with the help of some northerners, assumed, protected, and eventually lost a dominance that extended from the White House to the Speaker's chair to the Supreme Court. *The Slave Power* reveals in a direct and compelling way the importance of slavery in the structure of national politics from the earliest moments of the federal Union through the emergence of the Republican Party. Extraordinary in its research and interpretation, it will challenge and edify all readers of American history.

The Oregon Blue Book Oregon. Office of the Secretary of State, 1927 *Horace Greeley* Robert C. Williams, 2006-05

A major figure in nineteenth-century American politics and reform movements, Greeley was also a key actor in a worldwide debate about the meaning of freedom that involved progressive thinkers on both sides of the Atlantic, including Margaret Fuller, Ralph Waldo Emerson, and Karl Marx. In the first comprehensive biography of Greeley to be published in nearly half a century, Williams captures Greeley from all sides: editor, reformer, political candidate, eccentric, and trans-Atlantic public intellectual examining, headlining, news issues of the day, including slavery, westward expansion, European revolutions, the Civil War, the demise of the Whig, and the birth of the Republican parties, transcendentalism, and other intellectual currents of the era.

The Panic of 1857 and the Coming of the Civil War James L. Huston, 1999-03-01

In the autumn of 1857, sustained runs on New York banks led to a panic atmosphere that affected the American economy for the next two years. In *The Panic of 1857 and the Coming of the Civil War*

James L Huston presents an exhaustive analysis of the political social and intellectual repercussions of the Panic and shows how it exacerbated the conflict between North and South The panic of 1857 initiated a general inquiry between free traders and protectionists into the deficiencies of American economic practices A key aspect of this debate was the ultimate fate of the American worker an issue that was given added emphasis by a series of labor demonstrations and strikes In an attempt to maintain the material welfare of laborers northerners advocated a program of high tariffs free western lands and education But these proposals elicited the opposition of southerners who believed that such policies would not serve the needs of the slaves system Indeed many people of the period saw the struggle between North and South as an economic one whose outcome would determine whether laborers would be free and well paid or degraded and poor Politically the Panic of 1857 resurrected economic issues that had characterized the Whig Democratic party system prior to the 1850s Southerners observing the collapse of northern banks believed that they could continue to govern the nation by convincing northern propertied interests that sectionalism had to be ended in order to ensure the continued profitability of intersectional trade In short they hoped for a marriage between the Yankee capitalist and the southern plantation owner However in northern states the Panic had made the Whig program of high tariffs a national bank and internal improvements popular with distressed members of the community The country's old line Whigs and nativists were particularly affected by the state of economic affairs When Republicans moved to adopt a portion of the old Whig program conservatives found the attraction irresistible By maintaining their new coalition with conservatives and by exploiting the weaknesses of the Buchanan administration the Republicans managed to capture the presidency in 1860 No other book examines in such detail the political ramifications of the Panic of 1857 By explaining how the economic depression influenced the course of sectional debate Huston has made an important and much needed contribution to Civil War historiography Political Abolitionism in Wisconsin, 1840-1861 Michael J. McManus, 1998 This study of political abolitionism in Wisconsin between 1840 and 1861 demonstrates the importance of slavery related issues in bringing on the political crises of the 1850s and the American Civil War It shows Wisconsin as having been comparatively radical on slavery and race related issues *Slavery, Race, and Conquest in the Tropics* Robert E. May, 2013-10-07 Robert E May internationalizes the American Civil War and reinterprets the 1860 presidential campaign shedding new light on the Lincoln Douglas rivalry The Zealot and the Emancipator H. W. Brands, 2021-10-12 From the acclaimed historian and bestselling author a page turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln two men moved to radically different acts to confront our nation's gravest sin John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him telling him to destroy slavery by any means When Congress opened Kansas territory to slavery in 1854 Brown raised a band of followers to wage war His men tore pro slavery settlers from their homes and hacked them to death with broadswords Three years later Brown and his men assaulted the federal arsenal at Harpers Ferry Virginia hoping to arm slaves with

weapons for a race war that would cleanse the nation of slavery Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery politics Lincoln spoke cautiously and dreamed big plotting his path back to Washington and perhaps to the White House Yet his caution could not protect him from the vortex of violence Brown had set in motion After Brown's arrest his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty Southerners responded with anger and horror to a terrorist being made into a saint Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president But the time for moderation had passed and Lincoln's fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test The Zealot and the Emancipator is the thrilling account of how two American giants shaped the war for freedom

The Election of 1860 Michael F. Holt, 2017-10-20 Because of its extraordinary consequences and because of Abraham Lincoln's place in the American pantheon the presidential election of 1860 is probably the most studied in our history But perhaps for the same reasons historians have focused on the contest of Lincoln versus Stephen Douglas in the northern free states and John Bell versus John C Breckinridge in the slaveholding South In The Election of 1860 a preeminent scholar of American history disrupts this familiar narrative with a clearer and more comprehensive account of how the election unfolded and what it was actually about Most critically the book counters the common interpretation of the election as a referendum on slavery and the Republican Party's purported threat to it However significantly slavery figured in the election The Election of 1860 reveals the key importance of widespread opposition to the Republican Party because of its overtly anti southern rhetoric and seemingly unstoppable rise to power in the North after its emergence in 1854 Also of critical importance was the corruption of the incumbent administration of Democrat James Buchanan and a nationwide revulsion against party Grounding his history in a nuanced retelling of the pre 1860 story Michael F Holt explores the sectional politics that permeated the election and foreshadowed the coming Civil War He brings to light how the campaigns of the Republican Party and the National Northern Democrats and the Constitutional Southern Democrats and the newly formed Constitutional Union Party were not exclusively regional His attention to the little studied role of the Buchanan Administration and of perceived threats to the preservation of the Union clarifies the true dynamic of the 1860 presidential election particularly in its early stages

The Man Who Punched Jefferson Davis Ben Wynne, 2018-11-07 Regarded as one of the most vocal well traveled and controversial statesmen of the nineteenth century antebellum politician Henry Stuart Foote played a central role in a vast array of pivotal events Despite Foote's unique mark on history until now no comprehensive biography existed Ben Wynne fills this gap in his examination of the life of this gifted and volatile public figure in The Man Who Punched Jefferson Davis The Political Life of Henry S Foote Southern Unionist An eyewitness to many of the historical events of his lifetime Foote an opinionated native Virginian helped to raise money for the Texas Revolution provided political counsel for the Lone Star Republic's leadership before annexation and published a 400 page history of the region In 1847 Mississippi

elected him to the Senate where he promoted cooperation with the North during the Compromise of 1850. One of the South's most outspoken Unionists, he infuriated many of his southern colleagues with his explosive temperament and unorthodox ideas that quickly established him as a political outsider. His temper sometimes led to physical altercations, including at least five duels, pulling a gun on fellow senator Thomas Hart Benton during a legislative session and engaging in run-ins with other politicians, notably a fistfight with his worst political enemy, Jefferson Davis. He left the Senate in 1851 to run for governor of Mississippi on a pro-Union platform and defeated Davis by a small margin. Several years later, Foote moved to Nashville, was elected to the Confederate Congress after Tennessee seceded, and continued his political sparring with the Confederate president. From Foote's failed attempt to broker an unauthorized peace agreement with the Lincoln government and his exile to Europe to the publication of his personal memoir and his appointment as director of the United States mint in New Orleans, Wynne constructs an entertaining and nuanced portrait of a singular man who constantly challenged the conventions of southern and national politics.

Slavery and the Making of America James Oliver Horton, Lois E. Horton, 2005. The history of slavery is central to understanding the history of the United States. *Slavery and the Making of America* offers a richly illustrated, vividly written history that illuminates the human side of this inhumane institution, presenting it largely through stories of the slaves themselves. Readers will discover a wide-ranging and sharply nuanced look at American slavery from the first Africans brought to British colonies in the early seventeenth century to the end of Reconstruction. The authors document the horrors of slavery, particularly in the deep South, and describe the slaves' valiant struggles to free themselves from bondage. There are dramatic tales of escape by slaves such as William and Ellen Craft and Dred Scott's doomed attempt to win his freedom through the Supreme Court. We see how slavery engendered violence in our nation from bloody confrontations that broke out in American cities over fugitive slaves to the cataclysm of the Civil War. The book is also filled with stories of remarkable African Americans like Sergeant William H. Carney, who won the Congressional Medal of Honor for his bravery at the crucial assault on Fort Wagner during the Civil War, and Benjamin Pap Singleton, a former slave who led freed African Americans to a new life on the American frontier. Filled with absorbing and inspirational accounts highlighted by more than one hundred pictures and illustrations, *Slavery and the Making of America* is a gripping account of the struggles of African Americans against the iniquity of slavery.

Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J. Geoffrey Golson, 2007-02-14. This work is a creative approach to history that not only recounts what actually happened during the Civil War but also imagines alternate outcomes had key events turned out differently and how they might have changed the course of American history. In colorful, readable prose, this volume provides a full history of the Civil War, including John Brown's raid, the story of the Confederate States of America, the battles of Bull Run, Antietam, and Gettysburg, Sherman's March to the Sea, the Emancipation Proclamation, the Thirteenth Amendment, Lincoln's assassination, Reconstruction, and Andrew Johnson's impeachment. But more importantly, it offers a range of essays on how events could

have turned out differently militarily politically and culturally It challenges students and general readers alike to remember that the course of history is not preordained Instead history is made in critical moments of decision by those who choose one course of action over another Their choices and the outcomes of those choices could easily have been different “A”

Slave States In The Presidential Election Of 186 Introduction

In today's digital age, the availability of Slave States In The Presidential Election Of 186 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slave States In The Presidential Election Of 186 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slave States In The Presidential Election Of 186 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slave States In The Presidential Election Of 186 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Slave States In The Presidential Election Of 186 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slave States In The Presidential Election Of 186 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slave States In The Presidential Election Of 186 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries

often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slave States In The Presidential Election Of 186 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slave States In The Presidential Election Of 186 books and manuals for download and embark on your journey of knowledge?

FAQs About Slave States In The Presidential Election Of 186 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Slave States In The Presidential Election Of 186 is one of the best book in our library for free trial. We provide copy of Slave States In The Presidential Election Of 186 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slave States In The Presidential Election Of 186. Where to download Slave States In The Presidential Election Of 186 online for free? Are you looking for Slave States In The Presidential Election Of 186 PDF? This is definitely going to save you time and cash in something you should think about.
