Slave Girl:

Incidents in the Life of a Slave Girl Harriet Jacobs, 2013-11-05 One of the major autobiographies of the African American tradition Henry Louis Gates Jr It has been painful to me in many ways to recall the dreary years I passed in bondage I would gladly forget them if I could Yet the retrospection is not altogether without solace for with these gloomy recollections come tender memories of my good old grandmother like light fleecy clouds floating over a dark and troubled sea One of the most memorable slave narratives Harriet Jacobs's *Incidents in the Life of a Slave Girl* illustrates the overarching evil and pervasive depravity of the institution of slavery In great and painful detail Jacobs describes her life as a Southern slave the exploitation that haunted her daily life her abuse by her master the involvement she sought with another white man in order to escape her master and her determination to win freedom for herself and her children From her seven years of hiding in a garret that was three feet high to her harrowing escape north to a reunion with her children and freedom Jacobs's *Incidents in the Life of a Slave Girl* remains an outstanding example of one woman's extraordinary courage in the face of almost unbeatable odds as well as one of the most significant testimonials in American history

Incidents in the Life of a Slave Girl Linda Brent, 2009-01-01 *Incidents in the Life of a Slave Girl* is the immensely powerful autobiography of Harriet Jacobs who wrote under a pen name A feminist work she uses her experiences to state and restate her belief that though all unhappiness sprung from being a slave she had to endure worse being also a woman Her experiences show that the only refuge and relief to be found were in other women and also that women were less able to attempt freedom when that would mean leaving their children behind Her autobiography is the account of her struggle to achieve that freedom and respect and redefine herself Her life is a testament to her grandmother's credo He that is willing to be a slave let him be a slave

The Life of a Slave Girl Harriet Jacobs, 2019-05-22 I was born a slave but I never knew it till six years of happy childhood had passed away My father was a carpenter and considered so intelligent and skilful in his trade that when buildings out of the common line were to be erected he was sent for from long distances to be head workman On condition of paying his mistress two hundred dollars a year and supporting himself he was allowed to work at his trade and manage his own affairs His strongest wish was to

purchase his children but though he several times offered his hard earnings for that purpose he never succeeded In complexion my parents were a light shade of brownish yellow and were termed mulattoes They lived together in a comfortable home and though we were all slaves I was so fondly shielded that I never dreamed I was a piece of merchandise trusted to them for safe keeping and liable to be demanded of them at any moment I had one brother William who was two years younger than myself a bright affectionate child Such were the unusually fortunate circumstances of my early childhood When I was six years old my mother died and then for the first time I learned by the talk around me that I was a slave My mother s mistress was the daughter of my grandmother s mistress She was the foster sister of my mother they were both nourished at my grandmother s breast In fact my mother had been weaned at three months old that the babe of the mistress might obtain sufficient food They played together as children and when they became women my mother was a most faithful servant to her whiter foster sister On her death bed her mistress promised that her children should never suffer for any thing and during her lifetime she kept her word They all spoke kindly of my dead mother who had been a slave merely in name but in nature was noble and womanly Reader my story ends with freedom not in the usual way with marriage I and my children are now free We are as free from the power of slaveholders as are the white people of the north and though that according to my ideas is not saying a great deal it is a vast improvement in my condition The dream of my life is not yet realized I do not sit with my children in a home of my own I still long for a hearthstone of my own however humble I wish it for my children s sake far more than for my own But God so orders circumstances as to keep me with my friend Mrs Bruce Love duty gratitude also bind me to her side It is a privilege to serve her who pities my oppressed people and who has bestowed the inestimable boon of freedom on me and my children It has been painful to me in many ways to recall the dreary years I passed in bondage I would gladly forget them if I could Yet the retrospection is not altogether without solace for with those gloomy recollections come tender memories of my good old grandmother like light fleecy clouds floating over a dark and troubled sea
