Two James R. Arnold, Roberta Wiener, 2002-01-01 Discusses the political economic and social reasons that led to the Civil War including the struggle over slavery and individual states rights **The Founding of a Nation** Elizabeth Richards, 2017-07-03 The story of our country really began way back in the history of England in the year 1215 when King John of England was forced by some of his barons to sign a document called the Magna Carta This document among other things prevented the king from taxing the barons without their consent King John had driven England nearly to bankruptcy because he spent so much money to fund his continual participation in the Crusades The Crusades were a period in history when Christian knights tried to take back the Holy Land which had been conquered by the Muslims The barons were tired of being taxed to pay for his wars This document was essentially a document in medieval times to clarify the differences between the three powers in England at the time the Catholic Church the king and the barons This is an important document because it was the first time in history that people other than the king or the church were given some powers It did nothing about grant rights to the peasants and the merchant class This is important because it was the very first time in the history of the world that the king and the church had their powers curbed Not one other country in the world at this time had a Magna Carta many still don't and this is important because it was the English who were the first ones to colonize the areas of our country which was first known as the thirteen colonies These colonists brought with them these truly revolutionary ideas of individual freedom Creole Sybil Kein, 2000-08 The word Creole evokes a richness rivaled only by the term's widespread misunderstanding Now both aspects of this unique people and culture are given thorough illuminating scrutiny in Creole a comprehensive multidisciplinary history of Louisiana's Creole population Written by scholars many of Creole descent the volume wrangles with the stuff of legend and conjecture while fostering an appreciation for the Creole contribution to the American mosaic The collection opens with a historically relevant perspective found in Alice Moore Dunbar Nelson's 1916 piece People of Color of Louisiana and continues with contemporary writings Joan M Martin on the history of quadroon balls Michel Fabre and Creole expatriates in France Barbara Rosendale Duggal with a debiased view of Marie Laveau Fehintola Mosadomi and the downtrodden roots of Creole grammar Anthony G Barthelemy on skin color and racism as an American legacy Caroline Senter on Reconstruction poets of political vision and much more Violet Harrington Bryan Lester Sullivan Jennifer Devere Brody Sybil Kein Mary Gehman Arthi A Anthony and Mary L Morton offer excellent commentary on topics that range from the lifestyles of free women of color in the nineteenth century to the Afro Caribbean links to Creole cooking By exploring the vibrant yet marginalized culture of the Creole people across time Creole goes far in diminishing past and present stereotypes of this exuberant segment of our society A study that necessarily embraces issues of gender race and color class and nationalism it speaks to the tensions of an increasingly ethnically mixed mainstream America **Country of the Cursed and the Driven** Paul Barba, 2021-12 2022 WHA W Turrentine Jackson Award for best first book on the history of the American West 2022 WHA David J Weber Prize for the best book on Southwestern History In eighteenth and nineteenth

century Texas a hotly contested land where states wielded little to no real power local alliances and controversies face to face relationships and kin ties structured personal dynamics and cross communal concerns alike *Country of the Cursed and the Driven* brings readers into this world through a sweeping analysis of Hispanic Comanche and Anglo American slaving regimes illuminating how slaving violence in its capacity to bolster and shatter families and entire communities became both the foundation and the scourge the panacea and the curse of life in the borderlands As scholars have begun to assert more forcefully over the past two decades slavery was much more diverse and widespread in North America than previously recognized engulfing the lives of Native European and African descended people across the continent from the Atlantic to the Pacific and from Canada to Mexico Paul Barba details the rise of Texas s slaving regimes spotlighting the ubiquitous if uneven and evolving influences of colonialism and anti Blackness By weaving together and reframing traditionally disparate historical narratives *Country of the Cursed and the Driven* challenges the common assumption that slavery was insignificant to the history of Texas prior to Anglo American colonization arguing instead that the slavery imported by Stephen F Austin and his colonial followers in the 1820s found a comfortable home in the slavery stained borderlands where for decades Spanish colonists and their Comanche neighbors had already unleashed waves of slaving devastation

Black Families
Harold E. Cheatham, James B. Stewart, 2017-10-19 The condition and characteristics of the black family have been subjects of intense debate since at least the 1960s when the Moynihan Report and the culture of poverty theses held sway Since then a consistent theme has been that black families are pathological Despite the fact that research has been inconclusive and contradictory political debate and policy have been strongly influenced by the pathology theme This volume presents alternative approaches toward understanding the special characteristics of black families Extending a special issue of *The Review of Black Political Economy* the book focuses on the economic circumstances and decision making of these families employing Interdisciplinary and cross cultural perspectives It examines the general responses of black families to various external factors such as economic systems and to Internal factors such as interpersonal relationships This compendium of current thinking and research will be of interest to professionals in a number of fields Including family studies counseling social work psychology and sociology It will be of practical use in training programs for service delivery systems Interested In Incorporating multicultural perspectives as well as those specifically interested in black families today
