There is a way to get the sleep that Mommy, Daddy, and Baby all need each night without medicinal practices or methods. In *Baby Sleep Solution* you will learn about methods that really worked for a mother with her children. In this book you will find: The natural biological rhythm of a baby and how to work around it; Why communication can help you to create the ideal routine; Tips to help you keep to a routine even when you're in unique sleeping arrangements; The best ways to spot health problems in various sleep patterns; The best sleep a parent can get.
