Dougherty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with How to Fracture a Fairy Tale Jane Yolen, 2018-11-05 This collection is Jane Yolen at her best This is magic Patricia C Wrede author of the Enchanted Forest Chronicles Fantasy icon Jane Yolen The Devil's Arithmetic Briar Rose Sister Emily's Lightship is adored by generations of readers of all ages Now she triumphantly returns with this inspired gathering of fractured fairy tales and legends Yolen breaks open the classics to reveal their crystalline secrets a philosophical bridge that misses its troll a spinner of straw as a falsely accused moneylender the villainous wolf adjusting poorly to retirement Each of these offerings features a new author note and original poem illuminating tales that are old new and brilliantly refined **The Chevalier Alain de Triton** Grace Elizabeth King, 1891 Critical and Creative Perspectives on Fairy Tales Vanessa Joosen, 2011 An intertextual approach to fairy tale criticism and fairy tale retellings Marcia K Lieberman's Some day my prince will come Bruno Bettelheim's The uses of enchantment Sandra M Gilbert and Susan Gubar's The madwoman in the attic **The Dark Triad** Steve Madison, The world is not ruled by wise and benevolent people The opposite is true Humanity is ruled by the psychopathic the narcissistic and the Machiavellian the malevolent Dark Triad For humanity to progress it needs to learn how to beat these people how to identify them early and stop them getting to the top The Dark Triad types are always entropic and extreme individualists they are all consumingly selfish and care exclusively about themselves We need to get the

Light Triad to the top the Compassionate and Empathic the opposite of psychopaths the Altruistic those who care about others hence aren't self-obsessed like the narcissists and the Philosopher Kings and Queens the opposite of the Machiavellians who are Sophists who only ever calculate what is personally advantageous to them Plato in the Republic set out how to avoid the Dark Triad from ever reaching power In his system only the wisest were allowed to lead No nation in history has ever implemented Plato's supremely enlightened and progressive ideas Funny that

Castledawn Raymond Moore, 2023-08-18 After the sudden death of his dad 13 year old DJ Mackay's Mum moves him and his young sister from Edinburgh to the township of Linicro on the Isle of Skye DJ didn't want to leave his friends at school but he knew his Mum needed a fresh start Arriving on the island in the summer of 1976 surprisingly DJ quickly grew to love the cottage and the Isle of Skye With his two best friends John and James Macdonald the three boys set off to explore the beautifully rugged and mystical Score Bay On a cliff overlooking the bay stands Duntulm Castle and in its shadow sits Castledawn The large country house has sat empty since the war but its crumbling interior contains a dark secret that should not be disturbed Unaware of the dangers the friends go inside and their lives change forever

Context Robert Stalnaker, 2014-07-25 Robert Stalnaker explores the notion of the context in which speech takes place its role in the interpretation of what is said and in the explanation of the dynamics of discourse He distinguishes different notions of context but the main focus is on the notion of context as common ground where the common ground is an evolving body of background information that is presumed to be shared by the participants in a conversation The common ground is the information that is presupposed by speakers and addressees and a central concern of this book is with the notion of presupposition and with the interaction of compositional structure with discourse dynamics in the explanation of presuppositional phenomena Presupposed information includes background information both about the subject matter of a discourse and about the evolving discourse itself and about the attitudes of the participants in the discourse including who and where they are and what they agree and disagree about Stalnaker provides a way of representing self-locating information that helps to explain how it can be shared and communicated and how it evolves over time He discusses the semantic and pragmatics of conditionals and epistemic modals and their role in representing agreement disagreement and the negotiation about how a context should evolve The book concludes with a discussion of the

relations between contextualism and semantic relativism The Context and Content series is a forum for outstanding original research at the intersection of philosophy linguistics and cognitive science The general editor is Francois Recanatini Institut Jean Nicod Paris Going Home Danielle Steel, 2025-07-15 A woman is forced to flee her past and come to terms with her truth in this unputdownable novel that launched 1 New York Times bestselling author and literary phenomenon The Detroit News Danielle Steel's legendary career In the sun swept beauty of San Francisco Gillian Forrester is filled with the joy of a love that will surely last But a painful betrayal forces her to flee to New York and start over There she discovers an exciting new career and a fiery enveloping passion only to have her newfound happiness shaken to its core Now Gillian must choose between her future and her past *Scarred Princess* Minu Mavoori, 2016-04-27 In the magical world of Heatheron is born Princess Taira Ugly who is gifted with power so destructive that it scares her own father into cursing his new born child The Princess is protected by her mother who disowns her husband and goes into exile with the Princess The Queen and the Princess are forced out of their exile when a war befalls their Kingdom The Princess uses her power when the enemy strikes her family Destruction envelopes the enemies but the loss of her family crushes her innocent heart She promises never to return to her land and finds her way to Earth for shelter She is later pursued by Prince Nothing Nott and is forced to return to her land to save her step sister who was abducted for revenge The path to save her sister greets them with another war

A Dim Blue S.M. Sykes, Matt has never been brave Even though he is an Eagle Scout and has spent an unknown amount of hours outside and in the woods he has never seen himself as outdoorsy He likes to play computer games and look at the world from his computer screen His work life and entertainment all come from that little glowing box He had been looking forward to a new year on his own until a meteor struck in Russia The spores it released caused panic and set off a chain of events that would irrevocably alter our world As the world fell apart around him Matt has to decide if he would play it safe and keep his head down or risk everything to make it home and to his family Whichever path he chooses will change him forever

The Reception of Grimms' Fairy Tales Donald Haase, 1993 The essays address the reception of the Grimms texts by their readers the dynamics between Grimms collection and its earliest audiences and aspects of the literary philosophical creative and oral reception of the tales illuminating how writers philosophers artists and storytellers have responded to reacted to and revised the stories thus shedding light on the ways in which past and contemporary transmitters of culture have understood and passed on the Grimms tales **BOOK JACKET** **Interpreting Literature With Children** Shelby A. Wolf, 2014-04-04 Clearly organized and beautifully written Interpreting Literature With Children is a remarkable book that stands on the edge of two textbook genres the survey of literature text and the literary criticism text Neither approach however says enough about how children respond to literature in everyday classroom situations That is the mission of this book It begins by providing a solid foundation in both approaches and then examines multiple ways of developing

children's literary interpretation through talk through culture class and gender as well as through creative modes of expression including writing the visual arts and drama The result is a balanced resource for teachers who want to deepen their understanding of literature and literary engagement Because of its modest length and price and its ongoing focus on how to increase student engagement with literature either pre service or practicing teachers can use this text in children's literature language arts or literacy and language courses
