Love and War

Latoya Nicole, 2019-05-28 They say all is fair in love and war but how do you fight when you don't know the enemy is the one you love Will the Hoover gang be able to reign supreme or will they fall at the hands of the women who are supposed to have their backs The infamous Hoover gang Babyface Blaze Quick and Shadow have taken Chicago by storm These four are not your average street thugs Bank robbers by day and club owners by night they have held on to their place at the top by never trusting anyone enough to allow them in their circle The moment they do all hell breaks loose Zayn Blaze Hoover has always lived by the code never trust a female hit and quit Then he meets Drea and starts doing everything differently He wants to give her the world and he's ready to change his ways for her until someone sets him up and all signs lead to her Zavien Shadow Hoover is the youngest of the crew He's never wanted the females that come along with their lifestyle Engaged to his first love Shirree he's ready to make her his wife After a big argument and a night of drinking however Shadow does something that could jeopardize their love forever Out for revenge Shirree might be crossing a line that puts them both in a difficult position Xavier Quick Hoover is not overly impressed by the ladies who surround him but Alaysia sweeps him away with her beauty at least on the outside On the inside she's ugly to the core The harder he falls the closer she gets to his circle Unbeknownst to him that's where she wanted to be all along Not only do her scandalous ways affect Quick but the whole Hoover gang may be at risk Zaire Babyface Hoover has always been open to love but when he finds it will he get the chance to be happy Being the oldest he has to clean up the mess his brothers created and he might lose his love in order to do it
