Slough of Memories Dorothy Roshak Zmuda,2004-01-01 Memories of ninety years Mrs. E.M. Ward,1900

Remember The Times SWIPE,2014-09-30 Over the course of 2013 and 2014 sixteen people were interviewed about their experiences dating back to their childhoods growing up in the Caribbean and the factors that led to them to leave home for a new life in Britain in the 1950s and 1960s They talked about the difficulties they faced settling in a new country finding work and accommodation in Slough the music they listened to and played dances excursions to the seaside religion and faith It was an opportunity to look back on their lives and reflect on their contributions to the community These testimonies have now been recorded so their stories can be told and future generations can learn about their experiences **Memories of**

Slough True North Holdings,1999 **Locating Memory** Annette Kuhn,Kirsten Emiko McAllister,2006-12-01 As a visual medium the photograph has many culturally resonant properties that it shares with no other medium These essays develop innovative cultural strategies for reading re reading and re using photographs as well as for re creating photographs and other artworks and evoke varied sites of memory in contemporary landscapes from sites of war and other violence through the lost places of indigenous peoples to the once familiar everyday places of home family neighborhood and community Paying close attention to the settings in which such photographs are made and used family collections public archives museums newspapers art galleries the contributors consider how meanings in photographs may be shifted challenged and renewed over time and for different purposes from historical inquiry to quests for personal familial ethnic and national identity *Lord Beaconsfield and Other Tory Memories* Thomas Edward Kebbel,1907 Molly Hootch: I Remember When

Molly Hymes,2012-01-01 Everyone in the family except her mother was away at fish camp Her mother Sophie stayed in the village of Emmonak awaiting the birth of her second daughter Molly Molly was born in the territory of Alaska in the summer of 1956 Alaska would not become a state in the union until 1959 Molly Hootch was born into a family that knew only a subsistence lifestyle along the banks of the lower Yukon River It was a harsh life by today s standards Her mother was the typical Native wife Her father James was a fisherman trapper and hunter He built dogsleds boats snowshoes and fish traps Molly while a young girl enthusiastically followed her father and observed his lifestyle that made her people Eskimo He taught her everything she needed to know about living a subsistence existence From this rugged environment Molly breathed the Alaska air loved deeply lived fully and studied diligently and made history As a teenager Molly had to leave Emmonak to attend high school in Anchorage That traumatic departure set off a series of events leading to a class action lawsuit against the State of Alaska Department of Education called the Molly Hootch Case The court case settlement resulted in the construction of high schools in Native villages It made Molly Hootch a household name in Alaska during the last half of the 1970s She was selected as the most influential person of the decade of the 1970s She was also honored as the fifteenth most important person since Alaska statehood *A Book of Memories, 1842-1920* Washington Bryan Crumpton,1921 The

Moreno,2012-05-01 One of the most important thinkers describes the literally mind boggling possibilities that modern brain science could present for national security LAWRENCE J KORB former US Assistant Secretary of Defense Fascinating and frightening Bulletin of the Atomic Scientists The first book of its kind Mind Wars covers the ethical dilemmas and bizarre history of cutting edge technology and neuroscience developed for military applications As the author discusses the innovative Defense Advanced Research Projects Agency DARPA and the role of the intelligence community and countless university science departments in preparing the military and intelligence services for the twenty first century he also charts the future of national security Fully updated and revised this edition features new material on deep brain stimulation neuro hormones and enhanced interrogation With in depth discussions of psyops mind control experiments drugs that erase both fear and the need to sleep microchip brain implants and advanced prosthetics supersoldiers and robot armies Mind Wars may read like science fiction or the latest conspiracy thriller but its subjects are very real and changing the course of modern warfare Jonathan D Moreno has been a senior staff member for three presidential advisory commissions and has served on a number of Pentagon advisory committees He is an ethics professor at the University of Pennsylvania and the editor in chief of the Center for American Progress online magazine Science Progress Beatlemania! The Real Story of the Beatles UK Tours 1963-1965 Martin Creasy,2011-11-08 Between 1963 and 1965 The Beatles undertook six amazing UK tours and met many fans along the way whose memories of these encounters tell the real story of what actually happened when the Fab Four hit the road It was loud chaotic and as exciting as anything Britain had ever seen It was Beatlemania **Memories of Turtle Lake** Kevin W. Hope,2023-04-24 Memories of Turtle Lake and the Story of Sunset View Beach tells the story of an idyllic community in Northwest Saskatchewan from its first wave of doomed homesteaders in the early 1900s through to its success as a residential lake community today In particular author Kevin Hope details the period from the 1950s onward when area newcomers realized years before the market did that their remote community had the potential to become prime recreational property Recalling memories from his childhood and teen years then with his wife and sons through his experiences as a property owner and full time resident at Sunset View Beach Hope paints a vivid picture of the community and shares stories of the interesting people who have lived there This cast of characters includes Gord both wily and endearing who somehow managed to kickstart the recreational era of the community using other people s money Bud the cheerful backwoods moonshiner and members of the author s own family including his wife Fay who had a rather unique encounter with a badger in an outhouse at the lake Part personal memoir part historic record and wholly entertaining Memories of Turtle Lake has something for anyone with an interest in local history a connection to the area or who just enjoys good storytelling Sadie's Secret Barbara D. Hall,Jon C. Hall,2007-12-26 This book is the fictional story of one mans journey from agnostic concerning unusual phenomena into the realm of belief in the existence of the Big Foot in the swamps of West Florida Inspired by the natural beauty of present day

Myakka River State Park not far from Sarasota Florida the story deals with human vulnerability to belief and how our natural propensity to adopt beliefs without scientific proof of their validity can be manipulated and used by others for their own purposes The story is mostly seen through the eyes of Mike Byrne a member of the local Palmetto County Historical Society as he volunteers to interview the oldest known citizen of the county Sadie Sutton He gradually becomes convinced there is more to her distant past than what she is willing to disclose for the society records He becomes open to the ideas of the speaker at a presentation sponsored by the local Almas Association where his suspicions quickly evolve into the belief that Sadie carries the blood of the DeBosi in her veins As he struggles with his desire to prove his belief is true Mike is drawn into the carefully structured snare of those who seek to use his belief for their own purposes In this story the end justifies the means in the name of a noble cause and the swamp where Sadie has lived all her life is preserved However there is concern that belief once encouraged and nurtured may put in motion forces that will destroy the objectives of those who seek to take advantage of others Jon C Hall Memories of By-gone Days W. H. Steele,1912 **The Gardeners' Magazine** ,1885

Memories and Pain Michael Ollerich,2022-08-25 As I get older I can finally talk of some of my past So what should I do when many had listened to me and could not believe how dangerous and painful many things were to my sister brothers and me Finally I have decided to try and write them The memories were painful but now can be written maybe I had stopped 2 hours after I started because of the pain flooding in My sister Mary asked me if I had come to terms with my past and I said yes but the more I recall I have not come to terms with any of my shattered life Now 10 months into my project I have only made notes and a few lines I do not know if I can do this Between Memory and Reality Jane Marie Pederson,1992 In the small communities of Wisconsin a rich blend of European cultures and practices survive These communities and their people are unique in the ways they have responded to change in the late nineteenth century and twentieth century *Memories of the Future* Ronald Arbuthnott Knox,1923 **Memories of Ninety Years** Henrietta Mary Ada Ward Ward ("Mrs. E.
