Small Earthquake In Chile A Visit To Allendes South America:

Small Earthquake in Chile Alistair Horne, 1972 **Small Earthquake in Chile** Alistair Horne, 1972 As a historian making a grand tour of major cities and savage hinterlands alike Alistair Horne fortunately yields to the temptation to provide the essential background anecdotes from the vanished civilization of the Incas to the contemporary bourgeois family weekend and the secret plans of the radical MIRistas As a traveler in the persona of a most politically astute journalist and spurred by the droll companionship of one William F Buckley Jr he takes us on a journey under all imaginable conditions which includes interviews with dignitaries peasants and Commandante Pepe Chile s would be Che and which like De Toqueville s must forever and constructively change our view of another world Jacket flap Historical Dictionary of Chile Salvatore Bizzarro, 2005-04-20 This new edition covers in a concise and careful manner major figures and political events focusing especially on the contemporary period specifically events since the coup d _tat of September 11 1973 Historical Dictionary of Chile Third Edition includes more than 3 000 dictionary entries covering history politics geography economics the environment culture and a myriad other topics that include writers artists playwrights and important figures many of which were not included in the previous edition Also included are 24 photographs of the paintings of famous Latin American artists The exhaustive and comprehensive bibliography subdivided by topic and fully annotated features more than 1 200 resources including scholarly journals and monographs official reports of the Chilean government and international organizations documents obtained from the United States Congress foreign and domestic newspapers numerous periodicals books Internet sites and interviews with Chileans who lived in exile and then returned to the country Scholars students and general readers will find this book to be a wealth of information covering every aspect of Chile **1987-1988** John Paxton, 2021-06-21 No detailed description available for 1987 1988 *1986-1987* John Paxton, 2021-06-21 No detailed description available for 1986 1987 The Statesman's Year-Book 1980-81 J. Paxton, 2016-12-16 The classic reference work that provides annually updated information on the countries of the world *Hostile Intent* Kristian Gustafson, 2007 Kristian Gustafson s *Hostile Intent* reexamines one of the most controversial chapters in U S intelligence history the Central Intelligence Agency s covert operations in Chile from 1964 to 1974 At the request of successive U S presidents the CIA in conjunction with the State Department and the Defense Intelligence Agency first acted to prevent Chilean socialist Salvador Allende from becoming the democratically elected president of his country and then tried to undermine his government once he was in office Allende s

government eventually fell in a bloody military coup on September 11 1973 President Richard Nixon's administration and corporate interests were not sorry to see him go but did U S covert operations actually play a decisive role in Allende's downfall The declassification of thousands of U S government documents over the last several years demands that historians take a new look Since 1973 most observers have maintained that U S machinations were responsible for the success of Gen Augusto Pinochet's coup that forced Allende's fall and suicide This assessment has been based on a thin documentary record of U S activity the myth of an all powerful CIA and the CIA's checkered history of covert action in Latin America However Gustafson convincingly shows the conventional wisdom about the impact of U S actions is badly flawed His meticulous research is based upon an intensive examination of previously unavailable U S records as well as interviews with key figures Hostile Intent is the most comprehensive account to date of U S involvement in Chile and its provocative reinterpretation of this involvement will shape all future debates
