One Writer's Imagination

Suzanne Marrs, 2002-09-01 In One Writer's Imagination Suzanne Marrs draws upon nearly twenty years of conversations interviews and friendship with Eudora Welty to discuss the intersections between biography and art in the Pulitzer Prize winner's work Through an engaging chronological and comprehensive reading of the Welty canon Marrs describes the ways Welty's creative process transformed and transfigured fact to serve the purposes of fiction She points to the sparks that lit Welty's imagination an imagination that thrived on polarities in her personal life and in society at large Marrs offers new evidence of the role Welty's mother circle of friends and community played in her development as a writer and analyzes the manner in which her most heartfelt relationships including her romance with John Robinson inform her work She charts the profound and often subtle ways Welty's fiction responded to the crucial historical episodes of her time notably the Great Depression World War II and the civil rights movement and the writer's personal reactions to war racism poverty and the political issues of her day In doing so Marrs proves Welty to be a much more political artist than has been conventionally thought Scrutinizing drafts of Welty's work Marrs reveals an evolving pattern of revision increasingly significant to the author's thematic concerns and precision of style Welty's achievement Marrs explains confirms theories of creativity even as it transcends them remaining in its origins somewhat mysterious Marrs's relationship to Eudora Welty as a friend scholar and archivist with access to private papers and restricted correspondence makes her a unique authority on Welty's forty year career The eclectic approach of her study speaks to the exhilarating power of imagination Welty so thoroughly enjoyed in the act of writing
