diversity of the suffrage constituency in terms of region religion race class ethnicity and even attitude and that the suffrage story included both a record of harmony and cooperation but also discrimination and betrayal For many women of color the struggle to get the vote did not end in 1920 but continued for the next 100 years and continues today Above all Spruill emphasizes that the vote was not given to women when the Nineteenth Amendment was ratified in 1920 generations of suffragists labored long and hard to win the right to vote in the United States      Women's Suffrage History
