

The background of the book cover is a photograph of a historic town. In the foreground, there are terraced houses with red-tiled roofs. In the background, a large, ornate stone building with multiple spires, likely a cathedral or church, is visible against a cloudy sky. The overall tone is somewhat somber and atmospheric.

[The Remains of an Altar](#) Phil Rickman, 2013-09-03 Merrily Watkins parish priest single mother and Deliverance Consultant to the Diocese of Hereford heads for the Malvern Hills to investigate an alleged paranormal dimension to a spate of road accidents in the sleepy village of Wychehill Merrily is called in when two people are killed in a head-on crash that is also linked to the revamped local pub which it seems has injected the valley with a shattering strobing surge of inner city nightlife and drugs When a dealer is found savagely murdered below the great earthen hillfort of Herefordshire Beacon police ask is it a ritual killing a gangland disposal or a cry of outrage As Merrily and the police follow separate paths towards the truth Merrily's teenage daughter Jane faces the consequences of her own obsession with a possibly prehistoric site in their home village of Ledwardine Until on a night of frenzied violence in a place at the centre of an ancient universal mystery the final shocking connections are made

To Dream of the Dead Phil Rickman, 2013-09-03 December and the river is rising The village of Ledwardine has never been flooded in living memory Within days it will be an island There's no electricity The church is serving as a temporary mortuary for two people who drowned Only one man feels safer An aggressively atheist author has been moved for his own safety Rushdie style into a secluded house just outside the village Fundamentalist Christians have hated him for years Now he's offended the Muslims

Bad move Meanwhile archaeologists assisted by Merrily's teenage daughter Jane are at work in Coleman's Meadow unearthing an ancient row of standing stones which some people would rather stay buried The atheist's temporary home is close to the site And his young wife is becoming conspicuously agitated Is it the fear of discovery or the kind of fear that she of all people could never disclose One thing is clear the last person who's going to be welcome in that house is an exorcist With the flood water washing up Church Lane towards the vicarage and the shop running out of cigarettes it looks like a cold and complex Christmas for Merrily Watkins in an ancient community forced to untangle its own history against the swirling uncertainty of the future

And behind it, unknown to most of the townsfolk, lay a darker design, a hidden history of murder and ritual magic, the relics of which are only now becoming visible. It's a situation that will take Merrily Watkins on her own for the first time in years and facing public humiliation over a separate case to the edge of madness.

Meanwhile the scattered communities along the Welsh border have their own crisis. With recession biting deep, urban crime has spilled into the countryside and old barbaric evils are revived. When a wealthy landowner is hacked to death in his own farmyard, the senior investigating officer DI Frannie Bliss is caught in the backlash, his private life in danger of exposure. With the framework of her own world beginning to crack, Merrily Watkins is persuaded to venture into areas where neither a priest nor a woman is welcome to unearth secrets linked with the border's pagan past.
