of disease is supportive of the body's own healing processes and is considerate of each patient's unique biochemistry. Internationally known authors Joseph Pizzorno and Michael Murray include detailed pharmacologic information on herbs and supplements plus evidence based coverage of diseases and conditions to help you make accurate diagnoses and provide effective therapy. Comprehensive unique coverage makes this book the gold standard in natural medicine. A scientific presentation includes the science behind concepts and treatments and discusses Western medical treatments and how they can work with natural medicine in a comprehensive treatment plan if natural medicine is not effective this book recommends the Western treatment. Coverage of pharmacology of natural medicines includes the uses and potential dangers of nearly 80 herbal medicines, special nutrients and other natural agents addressing topics such as general information, chemical composition, history, pharmacology, clinical applications, dosage and toxicology. In depth evidence based coverage of 73 diseases and conditions includes key diagnostic criteria, pathophysiology of diseases and therapeutic rationales. Coverage of potential interactions between drugs, herbs and supplements ensures the safest possible use for each of 79 herbs and supplements. Diagnostic procedures include practical easy to follow descriptions of evidence based techniques plus discussions of clinical application of diet analysis, food allergy testing, immune function assessment, fatty acid profiling, hair mineral analysis and other diagnostic approaches. Common therapeutic modalities are described and reviewed including botanical medicine, nutritional therapy, therapeutic fasting, exercise therapy, hydrotherapy, counseling, acupuncture, homeopathy and soft tissue manipulation. Coverage of syndromes and therapies helps in understanding the underlying causes of diseases by discussing topics such as food reactions, functional toxicology, sports nutrition, stress management and breathing pattern disorders. Coverage of the philosophy of natural medicine includes its history and background with discussions of toxicity, detoxification and scientific documentation of the healing actions of nature and natural substances. Internationally known authors Joseph Pizzorno and Michael Murray and more than 90 expert contributors provide material that is up to date, accurate and informed. More than 10 000 research literature citations show that the content is based on science rather than opinions or anecdotes. 13 useful appendices offer quick lookup of frequently used charts, handouts and information.

The Vegan Solution: Why the Vegan Diet Often Fails and How to Fix It , If you had told me 2 years ago that such a small change in my diet would yield such a big difference in my health I would have laughed right in your face Chris Randall Vegan In *The Vegan Solution Why the Vegan Diet Often Fails and How to Fix It* prolific author Matt Stone shares his pioneering research on the role of metabolic rate in health as applied to a vegan diet In the book you ll learn about The Frigid Fourteen fourteen metabolism lowering mistakes that are frequently being committed in the vegan world These simple misguided mistakes are commonplace and extremely detrimental to the metabolic rate and all of the body s systems affected by it Yet they are all simple to fix returning the body back to proper function oftentimes while remaining completely vegan Popular Youtube vlogger Chris Randall who lost 150 pounds and rid

himself of many chronic health issues and has had a sensational return to health with a vegan diet also chimes in with his personal experience and advice after applying many of Stone's methods Randall has spent many months as a personal client of Stone's and has seen his body temperature return to normal his strength and sex drive is soaring like never before and he is getting progressively leaner and healthier eating in excess of 4 000 calories daily far more than he was eating prior In the book you'll find out how you vegan or not can apply the same methods and achieve similar results all with changes so minor it will seem far fetched that it could actually yield such dramatic changes The common negatives you hear about a vegan diet losing muscle mass and strength hair loss horrendous digestion tooth decay freezing cold hands and feet frequent urination insomnia dry skin loss of menstruation and sex drive and more are things most assume to be a consequence of avoiding animal products Stone and Randall propose otherwise and aim for fixing your vegan diet instead of rushing you down to the local steakhouse Whether you are thinking about trying out a vegan diet or have been at it for many years this book is the manual for how you can properly meet your physiological needs avoid the ravages of a poorly designed vegetarian diet and thrive In an endless sea of pseudo scientific and cultish vegetarian literature and propaganda The Vegan Solution offers up real sound simple advice based on the scientific reality of our human needs and biological function It's a must read for anyone attempting to follow a vegan diet

180 Degree Metabolism: The Smart Strategy for Fat Loss, Ready to break out of the vicious eat less exercise more cycle by boosting metabolism Don't know how to lose weight other than starve yourself until you're too miserable to continue Most diet and fitness gurus think that there is no possible way to speed up metabolism and lose weight without creating a FORCED calorie deficit via hard work and discipline I suppose you could just weight for them to figure out the most efficient and effortless way to lose excess body fat and speed up metabolism without running into the very mechanisms that cause rebound overeating and fat storage when you finally fall off the treadmill But I wouldn't hold my breath Download 180 Degree Metabolism The Smart Strategy for Fat Loss and how you look how you feel and how you think about waist management will be forever changed Most importantly whether you wanna lose weight or not you'll divorce restricted dieting for life especially after you finish reading the chapter Duck Fiets
