

Some American Men

Bret Carroll

Some American Men:

Some American Men Gloria Emerson, 1985 Identity and African American Men Kenneth Maurice Tyler, 2014-07-16

Kenneth Maurice Tyler identifies and describes the multiple identity components of young African American men using theoretical and empirical literatures from education and the social sciences *Identity and African American Men* Exploring the Content of Our Characterization provides a comprehensive research based account of the ideologies and mindsets of many young African American men The book critically discusses eight identity components that young African American men begin to negotiate during their adolescent years These identity components include gender sexual racial ethnic cultural socioeconomic athletic and academic identity *Identity and African American Men* makes a unique contribution to the literature by offering a conceptual framework that identifies the multiple identity components possessed by young African American men Such a framework expands the conversation about African American men and their behaviors by broadening the understanding of who these individuals are the identities they possess and how their identity based attitudes and orientations may influence the behaviors exhibited by them *Some American Men* Gloria Emerson, 1987-01-01 An intimate and telling portrayal of being male in America capturing men in face to face interviews revealing their thoughts about their own lives and loves manhood failure courage self respect and secrets From Gloria Emerson winner of the National Book Award for *Winners and Losers* *A Performative Autoethnography of Five Black American Men* Stefan Battle, 2023-07-11 In this book Stefan Battle weaves together autoethnographic narrative and ethnographic performance material from his own life and those of four other Black men to show the untold impact of racial trauma on these everyday lives By engaging readers with these experiences stories and pain the book aims to help to stop racial trauma and heal the race based grief of the many Black men who need to speak out against racial injustice United States Battle organizes the book as a performative account of a one day workshop that he might teach to college students or other adults He uses individual activities including an interview with a White woman regarding her relationship to race and racism a staged reading in which five Black men share their stories an audience discussion about race and racism and Battle s performative talk sharing the author s desire for people of all races to self reflect and then talk among themselves about race and racism Battle s powerful book reveals that each Black man s unique story is important and that understanding something of a person s hidden context for processing the traumas of racism can lead to new understanding and healing To this end Battle examines issues such as Black men s mental health and the wider societal systemic racism in the US that provokes tension and harm to the racial victimization of Black men Suitable for students and scholars of qualitative research and autoethnography in the social sciences communication studies education social work and Africana or Black studies this book will also be of interest to anyone seeking to better understand and engage with the Black male experience in the US **Childhood to Manhood: Ingredients for Young African American Men** Devin D. Brown D. Min., 2020-01-15 Devin D Brown is one of many African

American men who grew up without guidance from a father He had to learn from his own mistakes and his own losses While experience has taught him well he wrote this book to help families who want to prevent African American young men from making mistakes in the first place In clear candid language he explores how to maintain a cultural connection with the black community even if you live in a white neighborhood encourage children to embrace Jesus Christ as a critical part of their life teach children right versus wrong recognize and fight systemic racism The author also shares the lessons he learned about the three Ws wealth work ethic and women through losing jobs and other failures Knowing about these three things are vital to the survival of African American men **Social Determinants of Health Among African-American Men** Henrie M.

Treadwell,Clare Xanthos,Kisha B. Holden,2012-09-20 This groundbreaking book applies the concept of social determinants of health to the health of African American men While there have been significant efforts in recent years to eliminate health disparities serious disparities continue to exist especially with regard to African American men who continue to suffer disproportionately from poor health when compared to other racial ethnic and gender groups in the United States This book covers the most important issues relating to social determinants of health and also offers viable strategies for reducing health disparities **Men & Masculinities** Michael S. Kimmel,Amy B. Aronson,2003-12-11 The first encyclopedia to

analyze summarize and explain the complexities of men s lives and the idea of modern manhood The process of making masculinity visible has been going on for over two decades and has produced a prodigious and interesting body of work But until now the subject has had no authoritative reference source Men Masculinities a pioneering two volume work corrects the oversight by summarizing the latest historical biological cross cultural psychological and sociological research on the subject It also looks at literature art and music from a gender perspective The contributors are experts in their specialties and their work is directed organized and coedited by one of the premier scholars in the field Michael Kimmel The coverage brings together for the first time considerable knowledge of men and manhood focusing on such areas as sexual violence intimacy pornography homophobia sports profeminist men rituals sexism and many other important subjects Clearly this unique reference is a valuable guide to students teachers writers policymakers journalists and others who seek a fuller understanding of gender in the United States **American Masculinities: A Historical Encyclopedia** Bret

Carroll,2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men s studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll s compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men s

studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo s American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America s democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men s lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men s Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader s Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of The Routledge Historical Atlas of Religion in America 1997 Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity

Constructing and Reconstructing Gender Linda A. M. Perry,Lynn H. Turner,Helen M. Sterk,1992-07-01 Constructing and Reconstructing Gender is an excellent compendium of current research and will be appealing and useful to those interested in gender issues in a wide variety of disciplines This book cuts across disciplines and scholarly methods drawing from many backgrounds including Communication Linguistics English Business Law and Psychology The interweaving of rhetorical critical phenomenological and statistical methods gives readers a multifaceted analysis of gender At the same time that this book shows the value of gender research in provoking new currents of thought it also brings into focus two aspects of gender that are often confused how gender operates as a cultural category that affects communication behavior and how communication and language function to create gender categories

Culturally Responsive Counseling with Asian American Men William Ming Liu,Derek Kenji Iwamoto,Mark H.

Chae,2011-01-19 Asian American men represent a complex group with distinct psychological and mental health concerns yet the current counseling literature is lacking in resources for clinicians working with this population The purpose of this text is to provide practitioners with a comprehensive overview of the current research and theory related to the important and unique issues that Asian American men experience It offers clinicians culturally responsive practical counseling techniques and strategies to help inform them on how to work effectively with this group Chapters are written by leading figures in the field and explore such topics as intergenerational conflict racism challenges associated with masculinity and fatherhood sexual orientation identity development substance abuse and career counseling Numerous clinical vignettes and case conceptualizations are included to assist clinicians who work with Asian American men and to demonstrate appropriate treatment responses

The Japanese Through American Eyes Sheila K. Johnson,1991 Largely based on the information conveyed by bestselling novels magazines cartoons movies and television shows this is an illuminating look at American attitudes and stereotypes about Japan since World War II The book is illustrated with one photograph and sixteen cartoons

Chinese Americans Joseph Gustaitis,2010 This series takes a look at the different cultures that have helped shape America into what it is today

Contact Points Andrew Robert Lee Cayton,Fredrika J. Teute,1998 The eleven essays in this volume probe multicultural interactions between Indians Europeans and Africans in eastern North America s frontier zones from the late colonial era to the end of the early republic Focusing on contact points between these grou

Successward A Young Man's Book For Young Men Edward William Bok,2021-01-01 The average young man is apt to think that success is not for him To his mind it is a gift to the few not to the many This book aims to remove the misconceptions of success from the common stereotype that only the rich and the fortunate gets it It has no other purpose save to show that success and the truest and best success is possible to any young man of honorable motives It is written to young men by a young man to whom the noise of the battle is not a recollection but an every day living reality He thinks he knows what a fight for success means to a young fellow and he writes with the smoke of the battle around him and from the very thick of the fight

Houdini, Tarzan, and the Perfect Man John F. Kassin,2001 Concern with the white male body with exhibiting it and with the perils to it suffused American culture in the years before World War I he suggests and continues with us today

BOOK JACKET Moral Time Donald Black,2011-04-14 Why do clashes of right and wrong occur When will they occur And why are some clashes worse than others In *Moral Time* Donald Black presents a general theory of conflict drawing on a wide range of cultural and historical examples to explain this fundamental and inescapable aspect of social life

True Story Shanon Fitzpatrick,2022-07-19 Focusing on Bernarr Macfadden a bodybuilder turned publishing mogul Shanon Fitzpatrick charts the rise and export of US mass media and consumer culture Macfadden s magazines featuring fitness tips celebrity gossip and sensational true stories created an enduring editorial template and powered worldwide demand for interactive American media

Routledge Library Editions: Urban History Various Authors,2021-02-25 The volumes in this set originally

published between 1940 and 1994 draw together research by leading academics in the area of welfare and the welfare state and provide a rigorous examination of related key issues The volumes examine welfare policy equality poverty class government social policy unemployment and social services whilst also exploring the general principles and practices of welfare and the welfare state in various countries This set will be of particular interest to students of sociology health and political studies respectively **Older Men's Lives** Edward H. Thompson,Edward H. Thompson (Jr.),1994-06-07 In this multidisciplinary portrait of men and their concerns in later life the contributors use both a life course and gendered perspective to point out that the image and self image of men are continually reconstructed throughout the life cycle Issues examined include the position of older men in society and the changes wrought in their status and roles over time men s relationships to spouse children grandchildren and friends and policy implications *How to Survive Middle School: U.S. History* Rebecca Ascher-Walsh,Annie Scavelli,2022-05-03 THINK U S HISTORY IS HARD Make learning easy with this do it yourself study guide that includes everything kids need to know to tackle middle school U S History Learning is an adventure both inside and outside of the classroom with the How to Survive Middle School study guide series These colorful highly visual books cover all the essential info kids need to ace important middle school classes Large topics are broken down into easy to digest chunks and reflective questions help kids check understanding and become critical thinkers Written by middle school teachers and vetted by curriculum experts this series is the perfect school supplement or homeschool resource and a great way to help create independent learners HTSMS U S History includes key facts and super helpful illustrations maps and vocab that explore topics including Native American Peoples European Colonies and the Declaration of Independence Civil War World Wars I II The Great Depression The Cold War Civil Rights The Vietnam War and more Books also available for World History English Math and Science
