## **Some Bodies The Eucharist And Its Implications:**

*Some Bodies* Jonathan Bishop, 1992 The Eucharist remains a parable by means of which bodiliness in a variety of forms may be recognized and appreciated Jesus purpose at the Last Supper the author contends was to transmit his entire identity flesh and spirit alike to the community he thereby recreated The recognition of this offers a fresh opportunity to appreciate other kinds of bodiliness natural erotic symbolic and cosmic as well as communal This book in a perceptive and enlightening manner celebrates that opportunity Publisher **The Nature of Christ's Presence in the Eucharist** William Goode, 1856

**The Nature of Christ's Presence in the Eucharist: Or, the Doctrine of the Real Presence Vindicated in Opposition to the Fictitious Real Presence Asserted by Archdeacon Denison, Mr. (late Archdeacon) Wilberforce, and Dr. Pusey** William GOODE (Dean of Ripon.), 1856 Feminist Biblical Interpretation in Theological Context J'annine Jobling, 2018-02-05 This title was first published in 2002 The premise of the text is that there is a continuing need for biblical hermeneutic proposals and frameworks which emerge from the fields of both feminism and Christian theology Feminism the author asserts demands not only the plotting of new routes but the restructuring of entire landscapes As such this project since it seeks to develop a feminist theological frame for meaning impinges on and is impacted by innumerable inter relating questions In consequence the scope of the book is necessarily both broad and interdisciplinary The author J'annine Jobling uses particular texts and has articulated her own positions in response In this way the embodied practice of thinking in relation is mirrored in the texts produced This has determined the macro structure of the thesis which is based on an analysis of two feminist biblical scholars Elisabeth Schussler Fionenza and Phyllis Trible From this analysis Jobling identifies two primary principles for interpretation remembrance and destabilization This is a strategy which allows both materialist and post structuralist perspectives to be set into play each of which has vital contributions to make to feminist enterprises The Bible is understood as matrix as a set of discourses which are permeable to and intersect with other cultural discourses The task of feminist interpretation is then to reconstitute the heterogeneous biblical matrix in feminist horizons A fundamental tenet of the book is that hermeneutics inhabits particular metaphysical constructs Therefore the argument extends from an interpretation of the Bible to an epistemological framework in which an eschatological hermeneutic is recommended to a metaphysical framework which takes eschatology as its structuring principle The author argues that it is eschatology which can provide the resources for an ontological model radically disruptive of a metaphysics of presence and in which it is possible to discern the traces of God From this outermost limit of the author's hermeneutic investigations the text returns to the centre the feminist discursive community and develops a construct that the ekklesia as a feminist deliberative space set oppositionally to structures worldviews and ideologies operates on patriarchal logics The relationship of this imagined community is compared to the Christian Church and scripture ethics and gendered identity within a logic of equity

**Theological Education and the Human Experience of Disability** Robert C. Anderson, 2003 Create pathways in theological education and congregational practice for people with disabilities Graduate Theological Education and the Human Experience of Disability examines graduate schools of theology and their limited familiarity with the study of disability and the presence of people with disabilities in particular on their campuses Dubbed a missing note by one theologian this text offers critical research and illuminates new pathways for theologia and practice in the community of faith Reviews of previous literature theology and practices illuminate how people with disabilities have historically been marginalized by the religious community Theologians people with disabilities and researchers offer suggestions for incorporating disability studies into theological education and religious life This text contains firsthand testimony from people with disabilities who are the necessary sources of wisdom for overcoming barriers By infusing education into existing theological curriculum seminaries may better prepare their students for leadership and ministry in their congregations People with disabilities number 18% of the population yet represent only 5.7% of congregational membership This book explores aspects of theology and disability such as the challenges faced by theological schools that desire to improve both theological curriculum and facilities a review of literature that connects theology and disability from sources such as scripture history faith traditions and social theory the various ideologies that shape the way the human body is understood redefining normal in theological education an overview of critical boundaries that mark the limits and possibilities for theological inquiry about the human experience of disability creative concepts that religious communities may use to better include people with disabilities and their families how the religious community may benefit from the gifts talents and leadership of people with disabilities Graduate Theological Education and the Human Experience of Disability contains a reprint of Dr Harold Wilke's landmark 1978 article from Theological Education published by the Association of Theological Schools Dr Wilke born without arms was the theologian minister and scholar who first articulated the need to address the human experience of disability in both theological education and congregational life With extensive biographies and inclusive liturgies this innovative text is a valuable resource for seminary professors and leaders clergy and disability advocates

The Holy Eucharist a Comfort to the Penitent Edward Bouverie Pusey, 1843      The Holy Eucharist a Comfort to the Penitent E. B. Pusey, 1843      T&T Clark Handbook of Theological Anthropology Mary Ann Hinsdale, Stephen Okey, 2021-01-28 Including classical modern and postmodern approaches to theological anthropology this volume covers the entire spectrum of thought on the doctrines of creation the human person as imago Dei sin and grace The editors have gathered an exceptionally diverse range of voices ensuring ecumenical balance Protestant Roman Catholic and Orthodox and the inclusion of previously neglected perspectives women African American Asian Latinx and LGBTQ The contributors revisit authors from the Great Tradition early church medieval and modern and discuss them alongside critical and liberationist approaches ranging from feminist decolonial and intersectional theory to critical race theory and queer performance theory

This is a much needed overview of a rapidly evolving field      **Free Churches and the Body of Christ** Jeffrey W.

Cary,2012-11-05 Those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the Body of Christ A growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained There is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of Scripture In this book Cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office To guide his study Cary engages the work of two theologians from outside the free church tradition Robert Jenson and Rowan Williams He then brings them into contact with the prominent free church theologian James McClendon in order to supplement some of the deficiencies Cary perceives in McClendon s groundbreaking work Once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time

**Some historical considerations relating to the declaration on Kneeling, appended to the Communion Office of the English Book of Common Prayer: a letter addressed privately in 1858, to the ... Bishop of Edinburgh ... To which is added, a postscript of further authorities and arguments; including an examination of statements in a work and supplement on the Eucharist, by W. Goode** Thomas Walter Perry,William Goode,1863      *A Brief Systematic Theology of the Symbol* Joshua

Mobley,2021-11-18 How do Christians understand the Trinity How does this understanding relate to other Christian teachings In conversation with key thinkers in contemporary and classical theology particularly Henri de Lubac Karl Rahner Thomas Aquinas and Augustine this book argues that a theology of symbols can help us glimpse the mystery of the Trinity and see how this central Christian teaching corresponds to Christian understandings of creation humanity and the church A symbol is not here understood as an arbitrary sign but as a sign that mediates the presence of the symbolized Joshua Mobley examines the understanding of the Father as symbolized in the Son who is the symbol of the Father by the symbolism of the Spirit the personal agent of unity between Father and Son These trinitarian relations then structure creaturely relations to God God is symbolized in creation which is a symbol of God by participation in the Son and the church is symbolism the union of creation with God by the power of the Spirit Mobley thus argues that a theology of symbol helps coordinate trinitarian theology with key themes in Christian dogmatics      Re-membering the Body Scott W. Bullard,2013-11-01 For centuries

Baptists have regarded the Eucharist or Lord s Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ

It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon s work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church s disunity through the Eucharist     **Elenchus of Biblica** ,1995     **The Holy Eucharist, a comfort to the Penitent. A sermon on Matt. xxvi. 28** Edward Bouverie Pusey,1843     **John Calvin's American Legacy** Thomas Davis,2010-03-29 John Calvin s American Legacy explores the influence of Calvin and his heirs on American life highlighting how the Calvinist tradition is woven into the fabric of American society theology and letters From colonial economics to twenty first century fiction the Calvinist imprint is unmistakable This work helps readers comprehend that imprint in all its contextualized richness     **This Is My Body** Thomas J. Davis,2008-08-01 There are many general surveys of the Reformation available and they all typically devote some space to how theologians such as Martin Luther and John Calvin understood the Lord s Supper and Christ s presence in the bread and wine However they usually do not provide a great deal of detail about the development of the Reformers thoughts or the finer elements of their respective opinions This volume by Thomas Davis fills these gaps with a more narrowly focused study He devotes several chapters to Luther and to Calvin examining their use of language and their understanding of the presence of Christ both in the Lord s Supper and in the broader sense of his presence in the church     Fallible Authors Alastair Minnis,2008 Iconic saxophonist Sadao Watanabe is joined by a trio of rising stars from New York for a new album Gerlad Clayton Ben Williams and Johnathan Blake add their touches to such tracks as Simpatico What I Should and Warm Days Ahead     *The Hungry Are Dying* Susan R. Holman,2001-07-19 This study examines the theme of poverty in the fourth century sermons of Basil of Caesarea Gregory Nazianzen and Gregory Nysson These sermons are especially important for what they tell us about the history of poverty relief and the role of fourth century Christian theology in constructing the body of the redemptive involuntary poor Some of the topics explored include the contextualization of the poor in scholarship the poor in late antiquity and starvation and famine dynamics In exploring this relationship between cultural context and theological language this volume offers a broad and fresh overview of these little studied texts     History of the Great Reformation of the Sixteenth Century in Germany, Switzerland, Etc Jean Henri Merle d'Aubigné,1844
