over fifteen years ago The poem is titled If Only You Knew This poem was written out of pain depression loneliness and a lack of love from those whom I loved the most I was known in my family what most people are known in theirs the black sheep Pain So Deep but Faith Still Strong was inspired to me by the Holy Spirit on January 1 2013 when he said to me Finish your book A book I never even knew existed I went home on that day to look for my poem on my computer When I found it and opened it up there were about eleven pages of an introduction to my life Eleven pages that I had never written or seen until that day I was blown away I knew that there was no one but God who had written these pages While the Holy Spirit was guiding me with this task of writing this book I realized that God was not only healing me to birth and deliver the pain that I was holding on to for so long but that he was using me to tell my story to help others birth and deliver their pain as well and for them to know that they re not a mistake but a blessing from God As I looked back over my life I realize that God kept his hands on me the whole entire time through his grace and mercy saving me from death drugs depression and prison

Lyric Postmodernisms
Reginald Shepherd, 2008 Poetry LYRIC POSTMODERNISMS gathers many well established poets whose work transcends the boundaries between traditional lyric and avant garde experimentation Some have been publishing since the 1960s some have emerged more recently but all have been influential on newer generations of American poets Many of these poets are usually not thought of together being considered as members of different poetic camps but they nonetheless participate in a common project of expanding the boundaries of what can be said and done in poetry This anthology sheds new light on their work creating a new constellation of contemporary American poetry This collection provides an opportunity for readers to get to know the work of many writers who may not have received the attention their work and its impact on newer writers deserve Unlike many anthologies that offer only snippets of writers work it contains substantial selections from each poet Uniquely it also includes aesthetic statements from each author which can offer an entryway for readers unfamiliar with the work
