SOME MAKERS OF THE MODERN SPIRIT JOHN. MACMURRAY, 2018 [Some Makers of the Modern Spirit John MacMurray, 1989-01](#) [John Macmurray's Religious Philosophy Esther McIntosh, 2016-05-06](#) Recent dissatisfaction with individualism and the problems of religious pluralism make this an opportune time to reassess the way in which we define ourselves and conduct our relationships with others The philosophical writings of John Macmurray are a useful resource for performing this examination and recent interest in Macmurray's work has been growing steadily A full scale critical examination of Macmurray's religious philosophy has not been published and this work fills this gap sharing his insistence that we define ourselves through action and through person to person relationships while critiquing his account of the ensuing political and religious issues The key themes in this work are the concept of the person and the ethics of personal relations **Some Makers of the Modern Spirit** John Macmurray, 1933 **Some Makers of the Modern Spirit** John Macmurray, 2017-01-12 Excerpt from *Some Makers of the Modern Spirit A Symposium* This does not mean however that the book does not form a unity Each contributor has expressed his own view on the subject allotted to him with full regard to the plan of the series as a whole This plan was to present in historical order some of the main ideas which have been woven together in the course of the last centuries to form the pattern of the modern spirit To this end the diversity of outlook represented by the various contributors is essential for it is of first importance that a historical person and the ideas for which he stood should be presented by some one who is at least in general sympathy with them I should like to take this opportunity to thank the British Broadcasting Corporation for their readiness to facilitate the publication of the talks in book form About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Some Makers of the Modern Spirit; a Symposium* John Macmurray (1891- ed), 1968 *New Makers of Modern Culture* Justin Wintle, 2016-04-22 *New Makers of Modern Culture* will be widely acquired by both higher education and public libraries Bibliographies are attached to entries and there is thorough cross referencing **Eugene A. Forsey** Frank Milligan, 2004 In this unusual biography of one of Canada's most well known public figures author Frank Milligan traces the intellectual foundations on which Eugene Forsey's world view was constructed By studying Forsey's beliefs both religious and political Milligan unearths the philosophical underpinnings of many of Canada's early twentieth century political economic religious and social reform movements **Some Makers of the Modern Spirit** British Broadcasting Corporation, *Some Makers of the Modern Spirit.
