John Bunyan

Some Other Door:

Another Door Opens Eleanor Tweddell, 2025-09-04 When a door closes in life how do we navigate what happens next and unlock the opportunity it brings Change happens to us all personally and professionally sometimes when we least expect it sometimes intentionally Change can feel disorientating and daunting but what if instead of seeing a closed door as an ending we saw it as a beginning Eleanor Tweddell brings her expertise as a sought after change consultant to help you navigate the messiness of transition be it redundancy heartbreak illness or any unexpected detour life throws your way Drawing from her five step framework she will help you embrace the space between one chapter ending and another beginning to spark ideas identify opportunities and start to move forward with clarity purpose and energy Another Door Opens isn't just a guide to coping with change it's a manifesto for moving through change boldly turning fear into fuel and resistance into possibility
