Some Reflections On Jurisprudence:

Some Reflections on Jurisprudence W. W. Buckland, 2011-06-16 This 1949 work investigates the arguments and theories of writers on jurisprudence so far as they make contact with positive law

Some Reflections on Jurisprudence William Warwick Buckland, 1949

Some Reflections on Jurisprudence William Warwick Buckland, 1945

Some reflections on jurisprudence, 1943

Philosophical and Sociological Reflections on Labour Law in Times of Crisis Eduardo von Adamovich, Marcel Zernikow, 2022-05-13 Starting from the assertion that crisis is part of the essence of labour law this volume brings together researchers in the field who accepted the challenge to critically reflect on this branch of the discipline As the COVID 19 pandemic has had a global impact labour law across the world must come to terms with a new reality In this context it would be prudent to adapt to new circumstances by taking known paths To this end this book reflects on what effectively constitutes labour law considering questions which are not usual within labour law Insights from philosophical sociological and even economic standpoints are mobilised to reconcile the past with the future of labour law

Kazimierz Opalek Selected Papers in Legal Philosophy Jan Wolenski, 2013-06-29 Philosophical aspects of law and jurisprudence are investigated from various points of view This collection represents the analytic approach to legal philosophy However this approach is not extreme in the sense that it is limited exclusively to linguistic matters The concept of norm as a directive of conduct is the central category analyzed in particular essays The structure of directives as well as their semantic and pragmatic roles are studied Pragmatic functions of directives are linked with their functioning as speech acts Moreover existence and validity of norms are analyzed The author also touches on general methodological problems of legal theory and philosophy particularly their relations to social sciences The collection covers material interesting for philosophers lawyers and social scientists

Doing Austin Justice Wilfrid Rumble, 2004-12-01 Austin was an towering presence in 19th century English jurisprudence and many of his ideas remain viable today They include his conception of analytical jurisprudence his sharp distinction between law and morality and his utilitarian theory of resistance to government Yet he has always had his critics and they have become ever shriller in the last 50 years If it is not a requirement of political correctness to belittle his ideas the tendency to do so is widespread Critics often dismiss Austin with a wave of the hand or reduce his jurisprudence to a few of his ideas such as his conception of law as a command or his notion of a legally unlimited sovereign Whatever approach is taken Austin s doctrines tend to be abstracted from their historical context and vastly oversimplified For example the utilitarian ethical theories that he expounded in three of the six chapters of the only book that he published in his lifetime are usually ignored Accordingly there has been a failure to recognize the complexity and inner tensions of his legal philosophy There is not one John Austin but at least half a dozen Nothing makes this clearer than the diverse responses to his work in the 19th century Wilfrid E Rumble s study thus fills a large gap in the literature about this important figure It will be of substantial interest not only to historians of ideas law and the 19th century but also to jurists

legal philosophers and political theorists **Globalisation and Legal Theory** William Twining, 2000-03 The text makes the case for a revival of general jurisprudence in response to globalisation *The Nature of African Customary Law* Taslim Olawale Elias, 1956 **A Companion to Philosophy of Law and Legal Theory** Dennis Patterson, 2010-01-15 The articles in this new edition of *A Companion to Philosophy of Law and Legal Theory* have been updated throughout and the addition of ten new articles ensures that the volume continues to offer the most up to date coverage of current thinking in legal philosophy Represents the definitive handbook of philosophy of law and contemporary legal theory invaluable to anyone with an interest in legal philosophy Now features ten entirely new articles covering the areas of risk regulatory theory methodology overcriminalization intention coercion unjust enrichment the rule of law law and society and Kantian legal philosophy Essays are written by an international team of leading scholars *The Routledge Companion to Philosophy of Law* Andrei Marmor, 2012-04-27 The Routledge Companion to the Philosophy of Law provides a comprehensive non technical philosophical treatment of the fundamental questions about the nature of law Its coverage includes law's relation to morality and the moral obligations to obey the law the main philosophical debates about particular legal areas such as criminal responsibility property contracts family law law and justice in the international domain legal paternalism and the rule of law The entirely new content has been written specifically for newcomers to the field making the volume particularly useful for undergraduate and graduate courses in philosophy of law and related areas All 39 chapters written by the world's leading researchers and edited by an internationally distinguished scholar bring a focused philosophical perspective to their subjects The Routledge Companion to the Philosophy of Law promises to be a valuable and much consulted student resource for many years **The ^A Unfamiliar Abode** Kathleen Moore, 2010-03-18 Kathleen Moore explores the development of new forms of Islamic law and legal reasoning in the US and Great Britain as well the Muslims encountering Anglo American common law and its unfamiliar commitments to pluralism and participation and to gender family and identity The underlying context is the aftermath of 9 11 and 7 7 the two attacks that arguably recast the way the West views Muslims and Islam *The Unfamiliar Abode* Kathleen Moore, 2010-03-18 Today there are more Muslims living in diaspora than at any time in history This situation was not envisioned by Islamic law which makes no provision for permanent as opposed to transient diasporic communities Western Muslims are therefore faced with the necessity of developing an Islamic law for Muslim communities living in non Muslim societies In this book Kathleen Moore explores the development of new forms of Islamic law and legal reasoning in the US and Great Britain as well the Muslims encountering Anglo American common law and its unfamiliar commitments to pluralism and participation and to gender family and identity The underlying context is the aftermath of 9 11 and 7 7 the two attacks that arguably recast the way the West views Muslims and Islam Islamic jurisprudence Moore notes contains a number of references to various abodes and a number of interpretations of how Muslims should conduct themselves within those worlds These include the dar al harb house of war dar al kufr house of unbelievers and dar al salam house of peace

How Islamic law interprets these determines the debates that take shape in and around Islamic legality in these spaces Moore's analysis emphasizes the multiplicities of law the tensions between secularism and religiosity She is the first to offer a close examination of the emergence of a contingent legal consciousness shaped by the exceptional circumstances of being Muslim in the U S and Britain in the 1990s and the first decade of the 21st century Reparations for Victims of Armed Conflict Cristián Correa, Shuichi Furuya, Clara Sandoval Villalba, Clara Sandoval, 2020-12-17 Three experts address reparation for victims of armed conflict drawing on international law practice human rights courts and domestic law **The Limits of Transition: The South African Truth and Reconciliation Commission 20 Years on** Mia Swart, Karin van Marle, 2017-08-28 The South African Truth and Reconciliation Commission was a noble attempt to begin to address the continuing traumatic legacy of Apartheid This interdisciplinary collection critiques the work of the TRC 20 years since its establishment Taking the paralysing political and social crises of the mid 1990s in South Africa as starting point the book contains a collection of responses to the TRC that considers the notions of crisis judgment and social justice It asks whether the current political and social crises in South Africa are linked to the country's post apartheid transitional mechanisms specifically the TRC The fact that the material conditions of the lives of many Apartheid victims have not improved forms a major theme of the book Collectively the book considers the unfinished business of the TRC **Legal Positivism** Tom D. Campbell, 2016-12-05 Despite persistent criticism from a variety of different perspectives including natural law legal realism and socio legal studies legal positivism remains as an enduring theory of law The essays contained in this volume represent the most balanced responses toward legal positivism and although largely sympathetic the essays do not fail to criticize elements of the tradition wherever appropriate The Legal Realism of Jerome N. Frank Julius Paul, 2012-12-06 Between the Levite at the gate and the judicial systems of our day is a long journey in courthouse government but its basic structure remains the same law judge and process Of the three process is the most unstable procedure and facts Of the two facts are the most intractable While most of the law in books may seem to center about abstract theories doctrines principles and rules the truth is that most of it is designed in some way to escape the painful examination of the facts which bring parties in a particular case to court Frequently the emphasis is on the rule of law as it is with respect to the negotiable instrument which forbids inquiry behind its face sometimes the emphasis is on men as in the case of the wide discretion given a judge or administrator sometimes on the process as in pleading to a refined issue summary judgment pre trial conference or jury trial designed to impose the dirty work of fact finding on laymen The minds of the men of law never cease to labor at improving process in the hope that some less painful more trustworthy and if possible automatic method can be found to lay open or force litigants to disclose what lies inside their quarrel so that law can be administered with dispatch and decisiveness in the hope that truth and justice will be served **Indian Factories & Labour Reports**, 2010-07 Vols 1 contain separately paged sections Journal summaries Acts and notifications and Reports **Essays in Legal Philosophy** Robert S.

Summers,1976-01-01

Whispering the Strategies of Language: An Emotional Quest through **Some Reflections On Jurisprudence**

In a digitally-driven world where screens reign great and instant conversation drowns out the subtleties of language, the profound strategies and emotional nuances concealed within phrases frequently go unheard. However, set within the pages of **Some Reflections On Jurisprudence** a charming fictional treasure sporting with fresh emotions, lies a fantastic journey waiting to be undertaken. Composed by an experienced wordsmith, that charming opus attracts visitors on an introspective journey, gently unraveling the veiled truths and profound impact resonating within the material of every word. Within the psychological depths of the poignant evaluation, we can embark upon a honest exploration of the book is primary styles, dissect its captivating publishing type, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.

Some Reflections On Jurisprudence Introduction

In today's digital age, the availability of Some Reflections On Jurisprudence books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Some Reflections On Jurisprudence books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Some Reflections On Jurisprudence books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Some Reflections On Jurisprudence versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Some Reflections On Jurisprudence books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Some Reflections On Jurisprudence books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Some Reflections On Jurisprudence books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Some Reflections On Jurisprudence books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Some Reflections On Jurisprudence books and manuals for download and embark on your journey of knowledge?
