From a Far Distant Time & Place Thomas Peter Glass,2005-11-01 This book is the genealogical history of the ancestry of Jacob Stephen Gruben and Maria Emilie Krmer who came to the United States from Germany in the early 1880 s The book traces each of their ancestries back through German civil registration records and the earlier Catholic Church records to the 17th century The book includes information about the first generation born in the United States Similarly the book traces the family of Johann Gottfried Godfrey Nienhaus a nephew of Jacob Stephen Gruben who also came to the United States at about the same time The book contains information on the first generation of the Nienhaus family that was born in the United States The book is of wider interest because there is a discussion of the nature of and idiosyncrasies of the German civil
