# Some Great English Novels Studies In The Art Of Fiction

**Orlo Williams**

## **Some Great English Novels Studies In The Art Of Fiction:**

**Some Great English Novels** Orlo Williams,1976      **Some Great English Novels: Studies in the Art of Fiction** Orlando Cyprian Williams,1926      *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries      **Some Great English Novels** Orlo Williams,1926      Reader's Index and Guide ,1928      **The History of the English Novel: Edgeworth, Austen, Scott** Ernest Albert Baker,1929      **Jane Austen** Mr B C Southam,B.C. Southam,2012-11-12 The Critical Review brings together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling student and researcher to read the material themselves      *Books and Notes* Los Angeles County Public Library,1926      *Book Review Digest* ,1928      **Library Notes** North Carolina College for Women. Library,1926      **The Writer** ,1927 The oldest magazine for literary workers      **More Books** Boston Public Library,1929      *The Adelphi* ,1926

*The Dickens Industry* Laurence W. Mazzeno,2008 The story of the surprisingly fluctuating critical reputation of one of the great writers of the English language Undoubtedly the best selling author of his day and well loved by readers in succeeding generations Charles Dickens was not always a favorite among critics Celebrated for his novels advocating social reform for half a century after his death he was ridiculed by those academics who condescended to write about him Only the faithful band of devotees who called themselves Dickensians kept alive an interest in his work Then during the Second World War hewas resurrected by critics and was soon being hailed as the foremost writer of his age a literary genius alongside Shakespeare and Milton More recently Dickens has again been taken to task by a new breed of literary theoristswho fault his chauvinism and imperialist attitudes Whether he has been adored or despised however one thing is certain no other Victorian novelist has generated more critical commentary This book traces Dickens s reputation from the earliest reviews through the work of early 21st century commentators showing how judgments of Dickens changed with new standards for evaluating fiction Mazzeno balances attention to prominent critics from the late 19th century through the first three quarters of the 20th with an emphasis on the past three decades during which literary theory has opened up new ways of reading Dickens What becomes clear is that in attempting to provide fresh insight into Dickens s writings critics often reveal as much about the predilections of their own age as they do about the novelist Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania      Jane Austen Laurence W. Mazzeno,2011 A comprehensive look at the academic criticism of Jane

Austen from her time down to the present Among the most important English novelists Jane Austen is unusual because she is esteemed not only by academics but by the reading public Her novels continue to sell well and films adapted from her works enjoy strong box office success The trajectory of Austen criticism is intriguing especially when one compares it to that of other nineteenth century English writers At least partly because she was a woman in the early nineteenth century she was long neglected by critics hardly considered a major figure in English literature until well into the twentieth century a hundred years after her death Yet consequently she did not suffer from the reaction against Victorianism that did so much to hurt the reputation of Dickens Tennyson Arnold and others How she rose to prominence among academic critics and has retained her position through the constant shifting of academic and critical trends is a story worth telling as it suggests not only something about Austen's artistry but also about how changes in critical perspective can radically alter a writer's reputation

Laurence W Mazzeno is President Emeritus of Alvernia University Reading Pennsylvania      **Encyclopedia of the Novel**  
Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world      **The Unitarian Register** ,1927      **The New Statesman** ,1927      **Books of 1926(-1928). Cumulated from the Book Bulletin of the Chicago Public Library**  
CHICAGO. Chicago Public Library, 1929      **The Spectator** ,1885
