Jacchi Machito

Some Of My Life:

A Woman Named Jacchi Jacchi Machito,2013-02-06 Extraordinary shivering account that catapults the reader from past present to future of unbelievably fascinating truth and not much fiction told in a haunting tale of Jacchi She is a transparent entity that belongs to God creating an indelible imprint on the importance of this to readers She weaves a tale of love hate envy and murderous attempts to stamp out the bloodlines and incinerate the spirit of the beautiful ancestral line of one who only wanted to love and be loved Jacchi abounds of religion mysticism life after death voodoo practice and the occult workings of those trapped into beliefs and prejudices of long ago still felt today in our country Spirits and souls of the departed circle the air of those entrapped in the ramblings of this novel Remarkably sensual and lusty Jacchi teases all senses as tears hate cheers pierces the soul With life s purpose in question closed minds and faint hearts be weary **The Male And Widowhood** Michael Koerner,2022-11-03 This book was the result of the evolution of my time as a widower following the death of my wife together since we were fifteen I am writing this book to point out the differences in the view of society between a widow and a widower even during this time of growing gender equality for which I am grateful since I have the honor of having five beautiful granddaughters and not only an amazing daughter but also a fantastic son It is a statement of how such an event can cause the questioning of not only the friendships that had developed during the time as a couple and internal questioning of the concept of a kind and loving God as I came through the state of shock anger resentment and eventually acceptance of the event and events that unfolded Hopefully providing some knowledge for what will occur and how to avoid the mistakes I made in dealing with the event What is Knowledge? Jose Ortega y Gasset,2002-01-01 Appearing in English for the first time this book comprises two of Ortega s most important works Qu es conocimiento and the essay Ideas y creencias This is Ortega s attempt to systematically present the foundations of his metaphysics of human life and on that basis to provide a radical philosophical account of knowledge In so doing he criticizes idealism and overcomes it Accordingly this book goes well beyond a treatise on epistemology in fact as understood in modern philosophy this discipline and its questions are shown to be derivative and in that sense they are transcended here by Ortega s systematic effort Written during the time of his maturity these works are representative of his fruitful and radical period Both Qu es conocimiento and Ideas y creencias are equally decisive not only for the understanding and radical completion of Ortega s work but also for their relevance to the work of continental philosophers during the same period and for years to come e g Husserl Jaspers Heidegger Sartre and others **The Advocate of Peace** ,1910 **20 POETS IN 2020** RACHNA TIWARI,2020-06-13 Let s meet and read 20 poets in 2020 20 different poets individuals minds hearts from 20 different regions having different ideas living different life having different purpose Let s read 20 different thoughts Live 20 different lives This book is a book is a wonderful compilation of poems by different poets having different themes 20 people have come together to contribute their best works for readers **The Biscuit on the Back of the Stove and Other Images of God**
