

The background of the slide is a painting of a sunset. The sky is a mix of soft pinks, oranges, and blues. The sun is a bright yellow orb on the right side of the horizon. In the foreground, there is a body of water reflecting the colors of the sky. On the left, there are dark, silhouetted trees. In the distance, there are blue mountains. The overall mood is peaceful and melancholic.

AN EVENING

BY GWENDOLYN BROOKS

A sunset's mounded cloud;
A diamond evening-star;
Sad blue hills afar;
Love in his shroud.
Scarcely a tear to shed;
Hardly a word to say;
The end of a summer day;
Sweet Love dead.

Howarth,2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promoters The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore s accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as John Ashbery s anti charismatic Poets Theatre Amiri Baraka s documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do
