Some Postcards from John Timothy Cross, Malcolm White, 2005-06-01 The postcards that John wrote to the churches of 2 and 3 John are packed full of useful instruction and exhortation John sent these postcards on ahead of hoped for and longed for face to face visits in 2 John to the elect lady and her children and in 3 John to the beloved Gaius Both churches had their problems The problem in the church of 2 John concerned deceiving deviants from outside the church men who will not acknowledge the coming of Jesus Christ in the flesh whilst the problem addressed in 3 John was concerned mainly with a dreadful dictator from within the church Diotrephes who likes to put himself first does not acknowledge my authority These problem personalities from the first century will ring many present day bells with us in the twenty first century In John s postcards we encounter doctrine duty affirmation of truth and warning against error We meet love and discipline along with affection and sternness Overriding everything as everywhere in the Bible we glimpse something of the supernatural glory of God in contrast with the sinful humanity He sent His Own Son to save If you thought this was a book just to read then think again At the end of each chapter there is a set of thought provoking and stimulating questions each of which could be the subject of a Bible study group

Meikle,2016-01-20 From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how
